WE KEEP CRAZY CRYSTALS AT ALL TIMES — 70c AND \$1.00

It was a pleasure to have the college boys and girls with us during the holidays; nevertheless, we missed our teacher friends and are glad to welcome them back to Warrenton.

John Bell hardly knows what to do with himself since his retirement which came on the heels of 25 years of hard work. He earned a nice, long vacation and we rejoice with him over his good fortune.

The young folks

More than 30 years ago people were making Hunter's a favorite gathering place at just about any time of the day. We welcomed our friends then, and we welcome them now. Throughout the years quality and courtesy have been two reasons why Hunter's has become a name worth remembering.

home from school seemed to thoroughly enjoy the use of the clubhouse at the golf course during the holidays. The house is an asset to the town and we are glad that it provided pleasure for our young friends.

Our friend and good customer, Charlie Rodwell, had a mighty nice Christmas. He and Mrs. Rodwell spent the holidays with Charles Ray in New York, and believe you me Mr. Rodwell had himself a good time.
