Large Warren Group Attends Anniversary

By L. B. HARDAGE
Extension Chairman
A large group of young farmers from Warren County attended the 25th Anniversary of the Banker's Short Course at North Carolina State University.

This meeting was held at the Jane S. McKimmon Center on Thursday, Feb. 10. Those who attended are as follows: A. H. Hight, Jr., Rt. 2, Macon; W. Roger Walker, Rt. 2, Norlina; Raymond Seaman, Manson; John W. Shearin, Jr., Vaughan; N. H. Bolton, Rt. 1, Norlina; Harry Leete, Rt. 1, Macon; Leon Williams, Rt. 3, Warrenton; Emery Keeter, Rt. 1, Norlina; John K. Kilian, Rt. 2, Norlina; Gustave Daeke, Rt. 2, Norlina; Walter J. Hundley, Rt. 1, Norlina; Hal Paschall, Rt. 2, Norlina; L. D. Gottschalk, Rt. 2, Warrenton; Leonard J. Kilian, Rt. 2, Norlina; Thomas Peele, Peoples Bank & Trust Company, Norlina; and L. B. Hardage, County Extension Chairman, Warrenton.

Robert Williams, Rt. 3, Warrenton; Mike Roope, Rt. 1, Warrenton; and Wayne Paynter, Wise, attended the two-week course this year and also were present for the alumni meeting. Howard Daniel, Warren County Key Banker and David Dodd were unable to attend. This was a very good meeting. The President of the American Banker's Association made the keynote speech. He was from the state of Kansas. Dr. Kenneth Keller, Director, N. C. Experiment Stations, talked on the functions of the Experiment Stations. Former students told about their farming operations and how the short course had helped them, also how the banks and bankers fitted into their programs, and also the necessity of being able to borrow money and using it wisely to make money. It was amazing to hear of the progress made by many of these individuals in their farming operation.

I personally would like to thank the banks in Warren County for making it possible for so many young men to attend this course over the past 25 years from Warren County. Flue-Cured Tobacco Cooperative Corporation, the grower organization which administers

the price support program for flue-cured tobacco, will hold its 19th annual district meeting for North Carolina growers in District 8. District 8 includes the following flue-cured counties in the NC-Middle Belt: Chatham, Durham, Franklin, Granville, Lee, Montgomery, Moore, Orange, Vance, Wake, and Warren.

Marsh H. Currin of Oxford, Director for District 8 and Fred G. Bond, General Manager, jointly announced that the meeting will be held in the Durham County Agriculture Building, 721 Foster Street, Durham, on Feb. 28, beginning at 2:00 p. m.

The CO-OP's operational report for the calendar year will be given. Also, of vital concern to every flue-cured grower, will be discussion on the large inventory build up of down-stalk grades of tobacco in Stabilization's inventory. Stabilization's stocks totaled 608 million pounds as of January 1, 1977, a large percentage of which consisted of down-stalk tobacco. Currin noted that on Jan. 1, 1975, Stabilization held just under 100 million pounds of tobacco in inventory. Over 535 million pounds of tobacco moved into Stabilization's inventory from the 1975 and 1976 crops. He further added that Stabilization's sales for the past two calendar years have totaled less than 28 million pounds which has caused further concern, as normal sales activity over a two-year period amounts to more than 250 million pounds.

In addition, reports will be given by representatives of Tobacco Associates, Inc.; Tobacco Growers' Information Committee; USDA-AMS Inspection (Grading) Service; and other allied organizations and agencies. Ample time will be provided for discussion.

A brief business session will be held for the election of Stabilization's Advisory Committee members for the coming year. Also, the election of the director to represent District 8 members on Stabilization's Board for the ensuing 3-year term will be held during the business session.

Currin added, "Flue-cured growers are urged to make every effort to attend the Durham meeting in order to get a better understanding of the problems confronting all segments of the tobacco industry."

Miss Jabberwock Nominees Feted In Oxford Home

The Oxford - Henderson Alumnae members of Delta Sigma Theta, Inc., announced plans for their 1977 Jabberwock at a tea held in the home of Mrs. Esther McGhee of Oxford.

Young women from Oxford, Creedmore, Louisburg, Henderson and Franklinton attended the tea and will participate in the annual Jabberwock pageant to be held April 22 in the E. M. Rollins School in Henderson.

Mrs. Bessye McGhee was in charge of the tea along with Mrs. Mary Parham, Mrs. Judith Wright and Mrs. Sally Brown are chairman and co-chairman of the 1977 Jabberwock.

All proceeds from the event, which got its name from the Jabberwock, a character in Lewis Carroll's "Alice in Wonderland," will go into the sorority's scholarship fund.

South Africa produces about half of the world's supply of gold.

In Memoriam

In memory of Sister Blanche Pinnell Burroughs. The most wonderful person on this earth was recently taken from me. I know not why God had to call, and so many things I can not see. For I know how much I loved her and how much she cared for me. Now that it is over, she was kind and true. She loved each of her children and was a friend to all she knew. I know God works in many ways, I try to leave it up to Him. But why me Lord? I cry out loud, for my nights will never end.

Her Foster Sister,
MAYBELLE GUTHRIE
