Mrs. Harrington Is 'Woman Of Year'

Mrs. Jean Dunn Harrington, prominent civic, social and club woman at Eden was named the Eden Chamber of Commerce's "Citizen of the Year" at the annual Award's Night banquet held on Thursday night of last week.

Mrs. Harrington is the wife of Eden attorney Tommy Harrington, a Warren County native, the son of Mr. and Mrs. T. J. Harrington of Henderson, Route 2. Mr. and Mrs. Tommy Harrington are the parents of two sons.

Harold Lambert cited Mrs. Harrington for four traits that led to her election. "They make up the word 'COPE', he noted. The are cooperation, organization, personality and enthusiasm. She has all of these."

In reviewing some of Mrs. Harrington's activities in the past year, Lambert noted that she has been a busy and active person. "She has served as chairman of the Eden Board of Education," he said.

In this position, she championed a return to the fundamentals in education. A return, she noted in giving up the reins to that position, she believes the schools have made progress toward in the past year.

She also was very active in planning for Rockingham County's bicentennial observances. During 1976, she co-chaired the Rockingham County's Bicentennial Governor's Ball Commission—a fete that was termed a great success by all who attended the costume affair at RCC one night last summer. She also was co-chairman of Rockingham County's Bicentennial Commission.

Mrs. Harrington also serves on the Rockingham County Social Services Board, is a member of the Roanoke Island Historical Committee, a member of the DAR and a member of the First Baptist Church. Among other honors she has won is the Eden Junior Women's Club "COPE" award for 1975.

Mrs. Harrington expressed surprise at being named the recipient of the award. "While I was sitting at the table I ran through a number of people I thought would win it," she said. "I didn't think it would be me."

"I'd rather have this than be inaugurated president," she said.

YOU PUT YOUR NAME ON THE LINE WHEN YOUR CUSTOMERS ARE YOUR NEIGHBORS.

We offer a lot of new fangled communications equipment at Carolina Telephone. But we back it up with an old fashioned brand of service.

Because the way we see it, the good neighbor policy is more than good business. After all, the customer we call on in the morning is the neighbor we'll be sitting next to at P.T.A. in the evening.

When people have a stake in the community, when you're involved in its improvement the way we are, being courteous and efficient with your customers comes just as natural as saying, "See you again tonight," to your neighbors.
