## Tar Heel Kitchen

By YORK KIKER

Can you imagine Thanksgiving without turkey, Easter without colored eggs, or a July 4th picnic without fried chicken? It is as impossible to imagine special occasions without poultry products as it would be to live without them almost daily. The North Carolina Department of Agriculture joined the great North Carolina poultry industry in observing April as Poultry & Egg Month.

During 1978 in North Carolina a record high of 353 million broilers, 257 million dozen eggs, and 18.9 million turkeys were produced. The North Carolina poultry industry deserves a hearty salute for producing enough products not only for April but for each month to be poultry month.

Broilers and broiler parts remain reasonably priced, but chicken livers should not be overlooked for quick and inexpensive meals. While turkeys or parts can appear regally on the table throughout the year, there is no need to tire of turkey for extra cooked portions can be carefully packed and frozen for later use. A supply of hard cooked eggs kept in the refrigerator can be the beginning of quick breakfasts, egg salads or sandwiches, garnishes and vegetables. Of course, fresh eggs find their way into many dishes, including nourishing desserts.

Two recipes adapted from the new Better Homes & Gardens 'Fix It Fast Cookbook' could fit nearly anyone's need for taste, speed, and economy. For cooks who find pie crusts difficult, an Applesauce Crustless Pie will please and nourish the family with little effort.

### Saucy Chicken Livers

- 3 slices bacon
- 1 pound chicken livers, cut up
- 1 can (10 1/2-ounce) condensed cream of chicken soup
- 1 package (3-ounce) cream cheese, cubed
- 1/2 cup milk
- 6 English muffins, split
- Butter or margarine

Snipped parsley  
Preheat broiler. In a 10-inch skillet cook bacon till crisp. Drain, reserving drippings in skillet. Crumble bacon; set aside. Cook chicken livers in drippings 5 minutes or till slightly pink in center. Remove from skillet. In same skillet heat soup till bubbly. Stir in cream cheese, milk, and dash pepper. Cook and stir till bubbly. Add livers and bacon; heat 2 to 3 minutes more. Meanwhile, toast muffin halves under broiler; butter. Spoon liver mixture over muffin halves. Top with parsley. Yields 6 servings.

### Turkey Pita Rounds

- 2 cups diced cooked turkey
- 1/2 cup cranberry-orange relish
- 1/2 cup finely chopped celery
- 1/2 cup mayonnaise or salad dressing
- 1/2 teaspoon salt
- Dash pepper

4 pita bread rounds, halved crosswise  
Preheat oven to 375 degrees. Meanwhile, in mixing bowl, combine turkey, cranberry-orange relish, celery, mayonnaise or salad dressing, salt, and pepper. Spoon some filling into each of the pita round halves. Place on baking sheet. Bake in 375 degrees oven about 10 minutes or till hot. Yields 4 servings. Preparation time - approximately 35 minutes.

### Apple Sauce Crustless Pie

- 3 eggs
- 1 tall can (1 two-third cups) evaporated milk
- 3/4 cup sugar
- 5 tablespoons melted butter
- 1/2 cup all purpose flour
- 2 teaspoons vanilla
- 1 can (16 oz.) or 2 cups apple sauce

Beat eggs until foamy. Stir in evaporated milk. Add sugar, melted butter, flour, and vanilla. Beat until smooth. Mix in apple sauce. Pour into well greased and floured 9-inch pie plate. Bake in 350 degrees F. oven 40 minutes or until top is browned and pie is set. Serve warm or chilled. Cut in wedges to serve. Pieces lift easily from even though there is no crust. Makes one 9-inch pie.

# GAS SAVER

You can save a lot of gasoline—and a lot of money—if you use the phone before you use your car.

By calling ahead, you can be sure the restaurant is open... the store has what you want... or the friend you want to visit is home—before you waste time, gas and money on an unnecessary trip. On the average, you waste about a dollar's worth of gas on every unnecessary trip—

and just two wasted trips a week can cost you more than \$100 worth of gas a year.

Saving energy is easier than you think, and with the rising energy costs we're facing today, it's never been more important. So the next time you pick up your car keys and head for the door, ask yourself whether a phone call could save you the trip—and the wasted gas.
