teered to spend time on Tuesday with the policehief in going over the names of current purchas. ers in an effort to find those who are not complying with fown law

In other business Monday night, the town council heard residents of Kearney Street call for improve ments in their section of

Mrs V J Gatling said she was appearing in an effort to have a fire hydrant placed in her area. to have one or two traffic bumps placed in the street and to determine what policy the town fire department has with respect to burning off vacant lots

Mayor Perry told Mrs Gatling that "money is the whole problem. He said that there is no money to be found in this year's budget for any civic improvements anywhere other than upgrading the town's sewer system

Stallings was asked to check with the fire department to see if they

dea of placing traffislowing mounds in the post the street with 25 mile an hour speed limit signs All commissioners agreed that it would be helpful if the town police depart ment would spend more catch speeders.

Mrs. Gatling said that the number of trailers has increased from five to ten in the neighborhood and that more children were playing. The danger of a hild getting hit while crossing the street was behind Mrs Gatling's suggestion she said

Mrs. Gums reported that the fire department had run a survey and found that there is no place in the Kearney Street area that cannot be served by existing hydrants

Mrs James Jones an other speaker for the delegation, said she was concerned about the town's access road to the pumping station being maintained properly

Commissioner Jimmy Overby assured Mrs Jones that "yours is a top priority street to be paved," and Mayor Perry said the paving all be the first thing done "when we get the money '

MISS WOODS

Gets New Worker

Extension Service

Miss Margaret Woods began work with the Warren County Extension Service on August 3. following approval of her selection by the Extension Service by the Warren County Commissioners meeting in night session Monday

Miss Woods, Assistant. Home Economics Extension Agent, replaces Mrs. Bertha B. Forte, Home Economic Agent, who retired as of June 30, 1981

Miss Woods is a graduate of A&T State University and is a native of Durham She has had experience as assistant agent in Gates County for three years and in Randolph County for three years

Her duties as Assistant Home Economics Extension Agent will be Housing House Furnishing and Energy. Human Development, Gerontology and Community Resources.

Miss Woods was presented to the commissioners by L. C. Cooper, Extension Chairman, and welcomed by Chairman Jack Harris. He said that she had a great challenge in trying to fill the shoes of Mrs. Forte, but said he feels certain that after she has met the people of Warren County that she will be a fine agent. Her endorsement by the commissioners was unanimous

Checks in the amount of \$100 each have been turned over to the Warrenton Rural Fire Department and to its auxiliary members by the Norlina Veterans of Foreign Wars. Shown at the presentation Thursday night are, left to right, Drewry Chief Randy Curtis, VFW Commander

Asa Adkins, Arcola Chief Gary Harris, Warrenton Rural Chief A. A. Wood, Afton Chief Gene Munn, Hawtree Chief Bruce Perkinson, VFW Treasurer Bert Hight, Macon Chief Macon Robertson and Inez Chief Glenn Coleman, III.
