Large Trees Are Removed At No Cost To Town Pointing out that there

Mayor White told the commissioners at their regular meeting Monday night that after consultation with Pete Vaughan, town administrator, and a few others he had approved the removal of two large trees on Main Street in front of the court house. He said the action was taken because much of both trees were rotten and a danger

to both pedestrian and motor traffic. After a local contractor had given the town a price of \$325 for the removal of both trees, the Mayor appealed to Carolina Power and Light Company but were told that their wires ran on the opposite side of the street and that the trees were endangering those of Carolina Telephone and Telegraph Com-

When Mayor White pointed this out to telephone officials they removed the two trees at no cost to the town.

Mayor White suggested that the town have the stumps cut close to the ground with a chain saw. but when it was pointed out that Carolina Power and Light Company has a machine or a process that will remove stumps, he said the power company would be contacted. He expressed the hope that the stumps could be removed and other trees re-planted It is anticipated that the type of trees to be replanted will be determined by the beautificat

Full Board Votes For Williams Home

The full board of directors of the Capital Health Systems Agency, Inc. has voted to endorse a proposal by N. L. Williams of Warren County that he be permitted to build a 100-bed nursing home in Warren County.
