# Field Day Is Held

By CINDY ROLLINSON AND RHONDA PENDERGRASS

Norlina Middle School had its Field Day on Friday, May 25. The events of the day were the potato race, situps, softball throw, volleyball, 50-yard dash, standing broad jump, and the 2-20 relay race.

Teachers supervised every event and gave red, white and blue ribbons to the winners. All the students seemed to enjoy the activities, and we are already looking forward to next year's Field Day!

By KIM FULLER

On May 17-19 the academically gifted students of John Graham, Norlina Middle School, and Warren County High School went to Washington, D.C. on an educational field trip. The trip included visits to such famous landmarks and memorials as the Washington Monument, the Jefferson Memorial, and the Lincoln and Iwo Jima memorials.

The students also enjoyed seeing the Senate in session, an extremely educational experience. They toured other national landmarks, including the Capitol, Arlington National Cemetery, the Smithsonian Institution, and the Federal Bureau of Printing and Engraving.

The highlight of the trip for the students was going to the top of the bell tower in the Pavillion, a shop and office in the restored Old Post Office Building, and viewing the Washington skyline.

The Norlina Blue Waves Baseball team is the number 1 team in the Conference after playing John Graham in our final game of the season Monday.

We are very proud of our team, and the school's newspaper staff says "Way to Go Waves!!!"

Those students who have exhibited good citizenship this year will be going on a skating trip in Henderson on Thursday, Mrs. McGhee, guidance counselor, is the advisor for this trip.

# Student Joins

# Honor Society

A Warren County student was one of 98 students initiated into the East Carolina University Chapter of Phi Eta Sigma, national honor society for freshmen during recent ceremonies.

Phi Eta Sigma stresses academic excellence during the freshman year and throughout the college career.

The Warren County student initiated was Paula Rae Hayes of Norlina, a graduate of Warren Academy.

HENDERSON

# Henderson Ends College Career

Julius L. Henderson was one of more than 950 graduates receiving degrees during the 93rd commencement exercises at North Carolina Agricultural and Technical State University on May 6.

Henderson, a 1980 graduate of Norlina High School, received a B. S. in industrial technology with a concentration in manufacturing.

He is the son of Mrs. Lavert Henderson of Manson.

# Banquet Is Slated

By GAREY BALLANCE

Thursday, May 31, John Graham will be having its annual Athletic Banquet. The program will begin at 6:30 p. m. in the Mariam Boyd School cafeteria. All of our athletes, cheerleaders, team managers, and scorekeepers are urged to attend and be recognized for their contribution to the 1983-84 athletic program.

Tickets were being sold at a cost of \$3.50 each for parents and friends. There is no charge for the meal for student athletes and others who were in the athletic program. All the guests will be served a spaghetti dinner.

Monday of this week, the Yellow Jacket softball and baseball teams played their last games of the season. The conference games were played at Norlina. A victory for our softball team would mean the conference crown.

Saturday, June 2, many of our students will be going on a trip to King's Dominion. Various clubs are involved in this trip. The students will be travelling to this amusement park on two charter buses. We hope everyone has a good time.

Friday, June 1st, our eighth-grade students will pay a visit to Warren County High School. They will try to become a little more acquainted with the school and some of the ninth grade teachers.
