## Warren Plaza News

By MARTHA PAGE  
I am going to try to give you an idea of what a typical day at Warren Plaza Rest Home is like.

The night girls start getting the folks up really early because many of them need help getting dressed. Breakfast is served between 7:30 and 8 a. m.

After breakfast and during the morning hours, most of the cleaning is done, so everyone is really busy during this time. Many of the residents help the aides with their chores. They earn a little extra drink money this way. Cigarettes and other tobacco products are

given out right after breakfast. Many of our residents have no way of getting into town to get their cigarettes and tobacco, so we make sure it is here for them.

At 10 a. m. a morning snack is served to everyone wanting it. Medication is given out four times a day, at 7 a. m. 11 a. m., 4 p. m. and 8 p. m.

Lunch is served between 11:45 a. m. and noon. After lunch the girls start giving baths and shaving those who need help. Most of the others take this time to get a nap and most are up by 2 p. m. because that is time for them to receive their drink money and get an afternoon snack. If there is time in the afternoon, games and dancing with the residents. Sometimes we also have music and dancing in the afternoon.

Supper is served around 5 p. m. and then on certain nights we have a cottage prayer meeting and Bible study. At other times we have church groups and civic organizations visit for different kinds of programs to entertain the residents.

Many of the older people go to bed early and almost everyone is in bed by 11 p. m. The residents have another snack time around 8 p. m. and most of those who aren't in bed watch television until bed time.

We have church and Sunday School each Sunday morning, and depending on the time of year, there are many other kinds of entertainment for our people. Many of our residents aren't physically or mentally able to take part in many of the activities.

We have several outings during the year, football games, state and county fairs, picnics and cookouts. We also have a number of groups coming in with musical and religious programs during the year. So, you see, our days are fairly busy and we welcome any group to come with a program of any kind.

Till next week, God bless.
