### Thinking Smaller

The size of the average new home is slowly shrinking. It is now 1,520 square feet.

### THE GAS PUMP

With winter on the way, it's time to check your car's heating system. Turn on the heater to see if the blower functions properly at all settings; remove bugs and trash in the fins of the radiator; check for hose leaks and wear; replace the coolant if it has not been changed in over two years.

## School Retirees Meet At 'Flame'

The Warren County Unit of North Carolina Retired School Personnel met Wednesday, Sept. 12, at 2 p. m. in "The Flame" on Franklin Street in Warrenton.

Mrs. Mary D. Williams, president, presided. Mrs. Ludie Green, district chairman, presented the program.

She announced that the district meeting will be held Oct. 12 at K&W Cafeteria in Raleigh. Dr. Jean Cosby will be the guest speaker.

She also suggested that a memorial service should be conducted when a non-member of the unit dies and that a handbook for the local unit would be helpful and urged members to recruit new members.

Any non-member who retires from out-of-state may become a member of the State Retired School Personnel if they were a member of the National Education Association in the state from which he or she retired.

Mrs. Green also reminded the group that state officers of the association will visit the

local units free of charge.

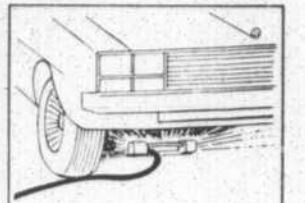

The routine business was disposed of and reports were given by scholarship committee and the representative who attended the workshop in Williams-ton recently.

The scholarship was awarded to Eva G. Wilson who planned to attend St. Augustine's College in Raleigh.

Refreshments were served by the hostess.

The next meeting will be held on Oct. 16 at 1 p. m.

### CONSUMER CHECKLIST

#### Rust-Stopper

You may want to keep your lawn sprinkler handy for the coming snow and ice. Set the sprinkler under the car and turn the water on full blast to wash off salt and other chemicals that collect on the bottom of the car.
