

Homemakers Meet At Olive Grove

By THELMA BYRD
The Olive Grove Homemakers Club met in the home of Mrs. Edith Wright on Oct. 17. The meeting was called to order by the president. Devotion was led by the hostess.

The Family Resource leader presented the educational program on "Interpersonal Relationships." The important skills that were brought to our attention were: knowing and trusting each other; ac-

curately understanding each other; mutual support and help; and learning how to resolve problems and conflicts. The members enjoyed discussion on various issues related to the subject.

Following the program, the business session continued. Plans were made for the holiday season.

The meeting adjourned with the singing of the grace song and club prayer. Refreshments were served.

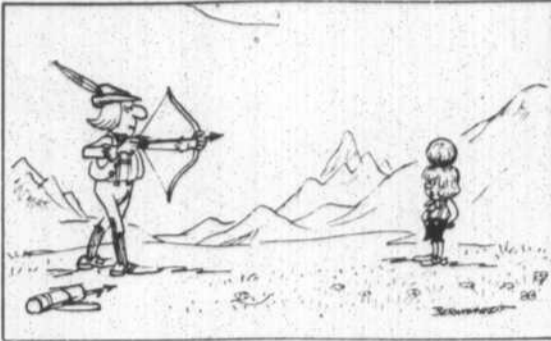

In Memoriam

In loving memory of Wheeler Stevenson on his birthday Oct. 31st. It's been five months now since I told you goodbye
Five lonely months with tears I've cried.
I still hear your voice and see your face
Everywhere I go, each thing I do
Your empty chair, the empty space
Left in my heart for you.
Hunting season will soon be here
I'll see you in the fields with skies so blue
With gun raised to shoulder and ear,
The quail, your dogs and you.
I know not why this had to happen
I know I only feel the pain
And even tho life must go on
It will never be the same
Seems I hear the good Lord say
My child, your burden's gotten too heavy,

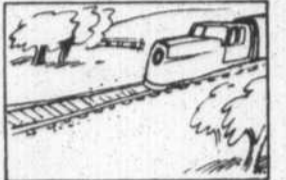

Trust me, let me carry it for you
I will make things better.
So I'll ask His help from above
These stormy days to help weather
And dwell on all the love
And good life we had together.
Happy Birthday Sug,
Your loving wife,
JUNE

In memory of our parents.
Bessie S. King, wife of Charlie J. King, was called to heaven on November 19, 1979. She was a good and faithful servant of the Lord, but after 75 years of living on this earth, the Lord had prepared a better place for her in heaven.
That was almost five years ago, and now the Lord had called Charlie King to be with her. I suppose the Lord knew that these two people hated to be apart. Charlie and Bessie were

married in 1919 and lived happily raising their eight daughters.
It was on Saturday morning, October 13, 1984, when the Lord knew Charlie was ready to give up his worn, torn, earthly body, for that everlasting one in the sky. He was ready to give up his worldly goods so he could walk the streets of gold.
How we loved these two people! Though it was hard to see them go, we knew they had been touched by the "Master's Hand."

Silver Star 4-H Club First To Contribute To Bus Fund

The Silver Star 4-H club of Drewry has become the first Warren County 4-H Club to contribute \$25 to the Warren County 4-H Bus Fund.

The Silver Star Club is currently served by eight adult volunteers with a membership of 13 youths.

Programming of the club for 1984 has included a trip to the North Carolina Museum of History in Raleigh and a trip to the North Carolina State Fair. The club feels as though having a county 4-H activity bus will make it more convenient to carry out these types of activities, as well as other group projects being considered.

Mrs. Mary Durham, activity leader of the Silver Star Club, was the club representative at last month's Warren County Leaders' Association meeting. While attending the meeting, Mrs. Durham received information on the need for local club participation in financing the bus program. She presented the idea to her leadership team and club members at their Sunday afternoon meeting, where a decision was made to contribute \$25 to the bus fund.

G. W. Koonce, extension agent, 4-H, said yesterday, "This contribution from Silver

Star is the first received from local clubs, but we anticipate other such contributions will be made from other clubs in the near future."

Business and private support of the bus fund has been exceptionally good, along with other county organizations, he said.

Anyone desiring to make a contribution to the Bus Fund should

make their check payable to the Warren County 4-H Bus Fund and forward it to 101 South Main Street, Warrenton, N. C. 27589.

Painting and final preparation of the bus being purchased by 4-H is now taking place and actual operation should take place within the next 30 days; Koonce said.

Troubled Heart Topic Of Sermon

"A Troubled Heart" was the text used by the Rev. C. V. Harris as he spoke at 4-H Sunday observed recently by the New Horizons 4-H Club held at Jerusalem Baptist Church. The Rev. Mr. Harris stated that the 4-H pledge should also be used by all Christians.

Stephanie Jones, president of the club, served as mistress of ceremonies for the observance. Music was rendered by the 22-voice 4-H choir. Katina Davis led the Litany of Life Together; Angula Brown read the scripture; and Emily Brown gave the morning prayer.

The recognition and welcome to visitors were given by Tracy Jones; Daniel Davis led

the 4-H Pledge; and Tameka Jones gave the offertory prayer. The announcements were given by Lynnette Barnes, a member of the best Better 4-H Club.

The children's altar call was given by Michelle Brown. Samuel Brown led the children's prayer, and Patricia Landford assisted the officers with the morning offering.

Special guests attending were the Three Point 4-H Club, Ivan Barnes, state reporter for 4-H, George Koonce, 4-H agent for Warren County and over 35 senior citizens who were honored after the service with a covered dish dinner.

A second event for the New Horizons 4-H Club in honoring National 4-H Month was a trip to the State Fair on Saturday, Oct. 20. Over 46 4-H'ers, parents, and friends of 4-H enjoyed the many thrills and junk food along with the educational 4-H exhibits.

The regular monthly meeting on Wednesday evening, Oct. 17, was a training workshop at which time leaders and 4-H'ers worked together to promote a better understanding of the 4-H program.

The business session included the new projects for 1985, the Christmas parade, and the next 4-H event, a Halloween Festival to be held on Oct. 31 at 5:30 p. m. 4-H Camp and a 4-H summer trip were also discussed.

Leaders of 4-H serving with the workshop were Mrs. Ernestine Jones, Mrs. Clay T. Brown, Mrs. Eva Brown and Mrs. Geraldine Brown.

Food Safety

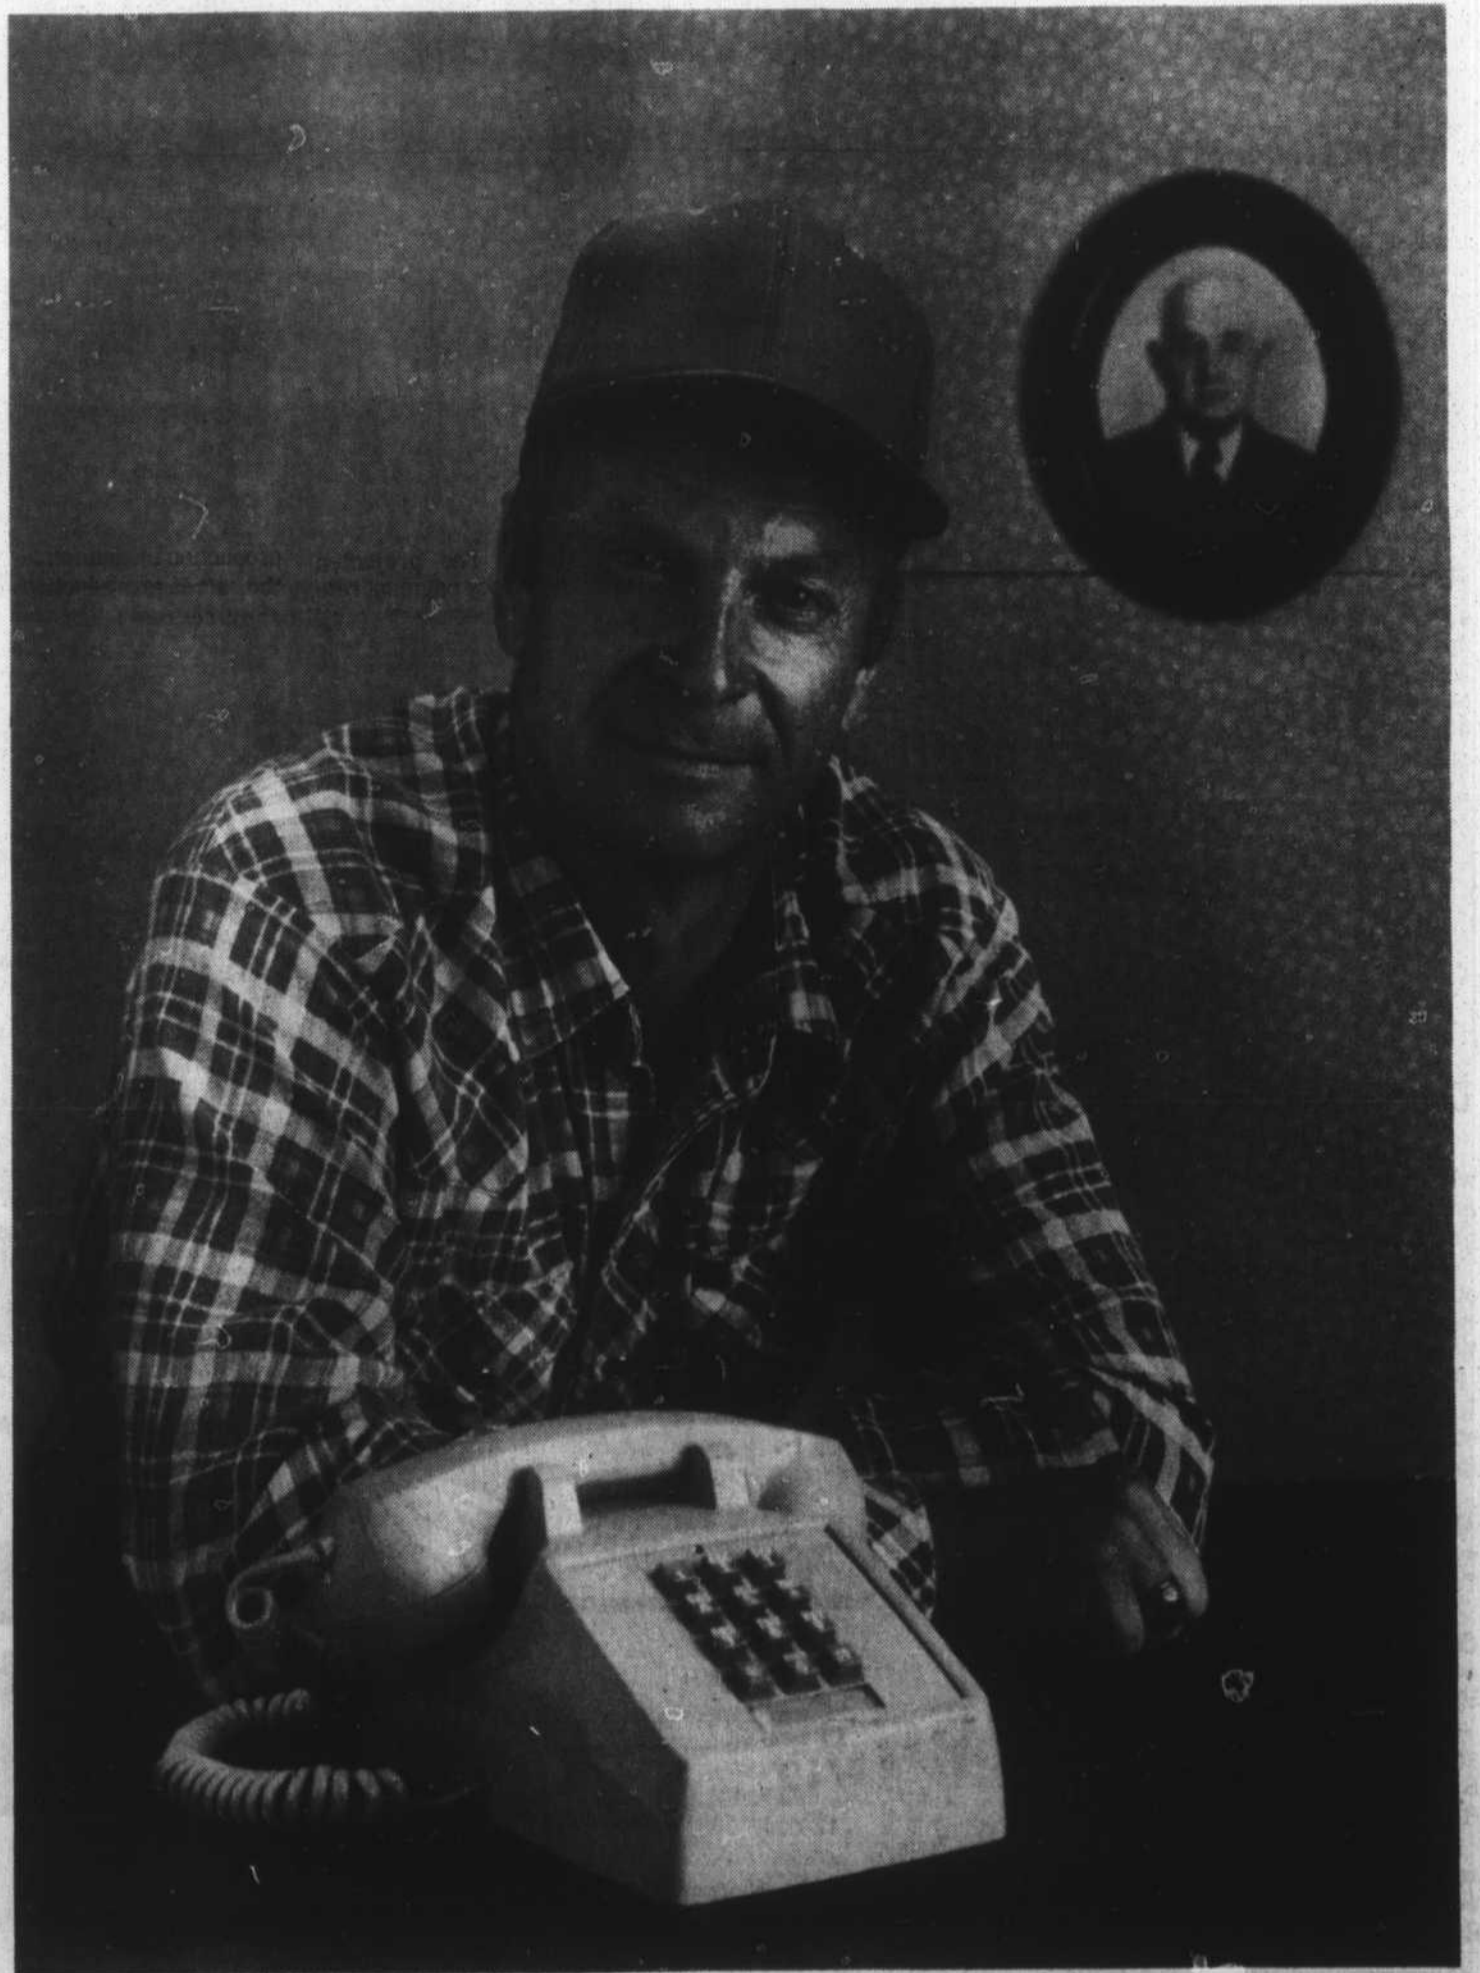

Hamburger receives more handling than other meats, so it is more likely to contain food poisoning bacteria. To be safe, make sure your hamburger is brown or at least brownish pink in the center before serving.
