## New Slate Of O.E.S. Officers Installed During Ceremonies At Mansonic Temple

The 1985-86 officers of Norlina Chapter No. 158 Order of the Eastern Star were installed Tuesday evening, March 26, in the Warrenton Masonic Temple with Rowell Lane, past grand

patron, of Henderson, presiding. He was assisted by Mrs. Hazel Lane, grand representative and Carl Blake, past patron. Mrs. Judy Neal and Robert White are now worthy matron and

worthy patron, respectively. Other guests included members of the worthy matron's family, her husband, Harvey S. Neal; Anita Coghill, Patricia Ellington; Mr.

and Mrs. Clarence Thompson; Margaret Mustian; Clinton Neal; Vance Neal; Harriette Tharrington and her children, Tommy Neal and Jeri Gregory.

Other out-of-town guests were from South Hill, Chase City and Henderson.

There were refreshments and fellowship following the meeting, with approximately 42 guests present.

### Once Ruled Planet

For many years, scientists have pondered one of evolution's great mysteries: What happened 65 million years ago to cause the extinction of the dinosaurs?

Now there is intense scientific interest in a similar question concerning a much earlier time: What happened 190 million years ago that led to a profusion of dinosaurs so great that the giant reptiles spread throughout the earth and dominated the landscape for 125 million years?

### NOTICE OF PUBLIC HEARING TOWN OF NORLINA

The Board of Commissioners of The Town of Norlina will hold a public hearing in the Commissioners Chambers of the Norlina Town Hall on April 16, 1985 at 7:30 p.m. to obtain citizens views on the proposed Community Development Block Grant application to be submitted to the Department of Natural Resources and Community Development. The proposed community revitalization project is located in the Washington Street neighborhood. The local Option projects include Darden Street and Access Road. Activities proposed include acquisition, disposition, clearance, rehabilitation of privately owned property, water improvements, street and drainage improvements, and administration. Total project cost is estimated at \$750,000. All interested citizens are encouraged to attend.
