

Youth Service Plans Listed

A Youth Day service will be held on Sunday, May 26, at the Warrenton Baptist Church on Bragg Street at 11 a. m.

The Rev. Roy Green, pastor of Vaughan Chapel Baptist Church, will deliver the sermon.

Music for the service will be rendered by the Vaughan Chapel and Ashley Grove Baptist Church junior choirs. During the service, the 1985 seniors will be honored.

The public is invited to attend the service, according to the Rev. Walter Yarborough, pastor of the church.

Warren Academy's 1985 kindergarten class received their diplomas Sunday afternoon following their musical commencement, "Kindergarten Kapers," at the school. Students are, front row, left to right, Tiffany Louise Robinson, Kathryn Lee Holloman, Kelly Brook Collier, Leslie Anne Marsh-

burn, Jan Boyd Harris and Michelle Renee Garrett. Back row, left to right, are Weldon Jarvis Rooker, Ammie Ray Holloman, Jr., Bradley Keith Wilson, Wayne Anthony Seaman and Steven Aaron Bolton. Mrs. Jules Banzet, III, teacher, is shown standing behind the students. (Photo by Becky Rooker)

Academy Kindergarten Class Graduates

Commencement exercises for the 1985 kindergarten class of Warren Academy were held in the gymnasium on Sunday, May 19, at 3 p. m.

The kindergarten students and their teacher,

Mrs. Jules Banzet, III, presented "Kindergarten Kapers," a delightful musical program which included a salute to "Bambi," the little deer that had many adventures with Thumper the rabbit and Flower the skunk, as he grew up to become the "Prince of the Forest."

The talented tots thrilled their audience of parents, grandparents, relatives and friends as they sang, danced, and played rhythm instruments. Adorning the stage were cut-out painting of Bambi, Thumper and Flower in a forest scene. Kindergarten mother, Mrs. Bill Robinson, designed and painted the set.

Following the musical portion of the program, Headmaster B. L. King and Robert E. Fleming, chairman of the Warren Academy Board of Directors, presented kindergarten diplomas to the following children: Steven Aaron Bolton, Kelly Brook Collier, Michelle Renee Garrett, Jan Boyd Harris, Ammie Ray Holloman, Jr., Kathryn Lee Holloman, Leslie Anne Marshburn, Tiffany Louise Robinson,

Weldon Jarvis Rooker, Wayne Anthony Seaman, and Bradley Keith Wilson.

After the diploma presentation, the class gave the benediction and recessed to the music of "Pomp and Circumstance," played by pianist Ann Howard Banzet. The children formed a receiving line to greet their parents and friends and an informal reception was held in their honor.

Harris Making Good Recovery

After a five-week stay in Wake Medical Center in Raleigh, Dennis Harris, one of the injured firemen in the April 6 Currin's Warehouse fire, has returned to his home in Afton. Harris was released by the hospital on May 13.

In a telephone conversation on Tuesday, Harris reported that he is generally "taking it easy" and will be doing so for approximately six weeks until pins necessitated by a pelvic injury can be removed.

Until the six-week period has elapsed, he will continue to check with his doctors periodically, as he has done once since his return home.

Harris is encouraged that movement lost since the fire in his wrist and fingers is returning.

Health Meeting Held On Monday

By **KATHERINE HILLIARD**
Health Education
Coordinator
Warren County Health
Department

The quarterly meeting of the Warren County Citizens for Public Health was held Monday night.

After the invocation, given by Dennis Retzlaff, Katherine Hilliard, president, presided over the business meeting.

One major topic discussed was the prevention of teenage pregnancy. It was reported that plans are being discussed by personnel from the Health Department and the public schools to implement a curriculum into the middle schools entitled, "Postponing Sexual Involvement."

It is designed to assist teens in the decision-making process surrounding the issue of becoming sexually active.

Other topics discussed included community volunteer involvement in the area of hypertension and annual public health week activities.

Mrs. Hilliard explained that strides were continually being made to increase public awareness of the seriousness of hypertension through the volunteer work of several local church groups. She added that much public awareness will also be achieved through the many free community blood pressure screenings being conducted throughout the county during the month of May by health department personnel.

The next screenings will be at the Arcola Nutrition Site today (Wednesday) and the office of Amos L. Capps Pulpwood Company in Arcola on Friday, May 31.

Nursing Degree Is Received

MISS RUSSELL

Miss Bonny J. Russell, daughter of Boyd and Virginia Russell of Rt. 1, Manson, received a B. S. degree in Nursing from Hampton University in Hampton, Va. on May 12.

Miss Russell is a graduate of Abraham Clark High School of Roselle, N. J.

To check an insurance company's track record, look it up in Best's Insurance Reports. There should be a copy at the local library.

Mrs. Hilliard noted that plans are being made to conduct a blood pressure screening for employees of Carolina Sportswear within the next two weeks.

It was suggested that a committee of volunteers be appointed to oversee projects within the public school system during Public Health Week.

A brief summary of the 1985 Health Fair activities was also given, along with the suggestion that there be more involvement from members of the Citizens for Public Health Organization in this activity next year.

Joe Lennon, former county health director, was on hand to give an update on the proposed school health grant. The grant, if approved, would allow for the formation of the following positions in the school system: health educator, school nurse coordinator, and five school health aides.

Notification on the status of the county's proposal should be received by the Health Department around the middle of June.

Mrs. Hilliard concluded the meeting by extending an invitation to all those present from the N.C. Public Health Association. The Governing Council of the Association has mandated that all members of local Citizens for Public Health groups be invited without charge to the association's annual meeting.

The 1985 meeting will be held Sept. 18-20 in Asheville.

The next quarterly meeting of the Warren County Citizens for Public Health is scheduled for Monday, August 28.

Anyone interested in local public health is invited to contact Mrs. Hilliard at 257-1185.
