## Mrs. Powell Hostess For Garden Club Meet

Mrs. Mary Powell was hostess for the Town N' Country Garden Club at its November meeting which met at the home of Mrs. Cora Hawkins.

The meeting was called to order by Mrs. Sallye Brown, president.

The guest for the evening, James J. Jordan, Jr., assistant superintendent of Warren County Schools, demonstrated the beautiful wreaths and flower arrangements which could be made from grapevines, wild flowers, decorative weeds and pods found in fields and along the roadside. It was amazing to see common weeds turn into attractive arrangements. He said the different shapes

that can be used to arrange flowers are L-right side, L-left side, oval and triangle. He demonstrated by using an antique white pitcher and for color he added artificial flowers. Driftwood or old pieces of wood with moss can be used by gluing flowers, pods, weeds or shells to make an arrangement to be used on the mantel or table.

The chairperson of each committee gave her report. At the next meeting chairpersons will give more detail information. Members present were Mesdames S. Brown, G. Exum, G. Fitts, H. Gardner, C. Hawkins, S. Hawkins, E. Hudgins, M. Jordan and M. Powell.
