

Warren Academy Cage Season Comes To End

Warren Academy's basketball season ended on Friday, Feb. 14. The Lady Warriors ended their season with four wins and 12 losses. Our very young boys' team completed their season with no wins and 12 losses.

Both the girls' and boys' teams played each game with a spirit and an enthusiasm that earned the respect of all who watched them. The year ended with as much enthusiasm as it began. All of the Warrior fans congratulate these teams.

The boys' team was awarded the Carolina Academies Conference Sportsmanship Trophy. This trophy is given to the team which shows the best sportsmanship throughout the season.

Two All-Conference players were chosen from the Warrior team. They are a senior, Lisa Edmonds, and sophomore, Lamar King. They will be eligible to play in the All-Star Game at Ridgescroft on March 10. Congratulations, Lisa and Lamar!

The junior and sophomore classes are sponsoring a raffle to raise money for this year's junior-senior prom. The prize is a \$50 gift certificate to Byrd's Food Store in Warrenton. The winner will be announced on Friday, Feb. 21. If you are interested in purchasing a ticket, please contact a member of one of these classes.

Warren Academy's French class is busy making plans to prepare a dinner of French cuisine. They have been busy searching cookbooks and deciding which French recipes they would like to prepare. After shopping for the necessary items, they will prepare and eat the meal under the guidance of sponsor Jill Coleman.

The junior varsity basketball tournament will be held Feb. 19-22 at Northeast Academy. The Warren Academy girls' team will play Halifax Academy on Thursday, Feb. 20 at 5 p. m. The boys will play Hobgood that same day at 6:15 p. m. Good luck, teams!

District Conservationist J. Wayne Short of Warrenton was recognized with an Outstanding Performance Award at the Soil Conservation Service Annual Awards Ceremony at N.C. State University Faculty Club in Raleigh on Jan. 30. Short was one of 68 employees of the U.S. Soil Conservation Service to be honored. He is shown above, left, with the award, presented by Coy A. Garrett, state conservationist.
