What a beautiful week we have had and a beautiful weekend. Everyone has been outside and able to enjoy sitting in the sun without getting too hot.

We have several people we need to thank this week for things they have done for us or brought to us.

Mrs. Marvin Newsom, from Littleton, brought clothes and Mrs. Mildred Williams brought clothes and knickknacks. Cornelia Wiggins brought two big boxes of very nice things that were put to immediate use, and Mrs. Allison Hundley brought clothes and beautiful dolls. We appreciate all the gifts, and the dolls brought delight to the residents. I wish Mrs. Hundley could have seen the smiles on the faces of the ladies and seen them as they talked to their dolls.

We have several new employees who we would like to introduce to you. Gail Cooper, who works for the school system in the winter, will be with us during the summer. Christine Bailey, Lynda Andrews and Janet Ellis will be full-time workers. We are very glad to have them aboard.

We are also very happy to have Mt. Zion Church ladies coming to give our residents their monthly

birthday party. We had missed having someone for the last few months and these ladies have volunteered to do this each month and we want to say a special "thank you" to them.

We would like for some of you ladies who belong to missionary circles in your churches to form a volunteer group and come out to take part and help with some activities. We simply don't have time to have as many activities as we would like. Any individuals would also be welcomed.

'Til next week, God bless.
