

# NOTICE OF TAX LIENS ON REAL PROPERTY

Below is a list of each parcel of real property on which Warren County has a tax lien for unpaid taxes. The real estate that is subject to the lien, the name of the person to whom the property is listed for taxes, and the principal amount of the taxes, are set out below. The amounts advertised will be increased by interest and costs. The omission of interest and costs from the amounts advertised does not constitute waiver of the taxing units claim for those items. Warren County may foreclose the tax liens and sell the real property subject to the liens in satisfaction of its claim for taxes.
