Tickets On Sale

For Fund Raiser

By GEORGE W. KOONCE Extension Agent, 4-H

Tickets are now on sale for the Annual Warren County 4-H Fund Raising Basketball to be held Friday, March 27 at 7 p.m. at John Graham Middle School gymnasium. Advance tickets are \$1.50 and are available from any 4-H Leader, the Warren County 4-H Office and many businesses and supporters of 4-H throughout the county. Admission at the door will be \$2. This major fund raising event has enabled almost 400 youth to attend summer residential camp free of transportation costs over the past four years.

The public is urged to support this outstanding effort by 4-H volunteers. A goal of \$900 has been set to pay for the use of two buses, a luggage truck and a passenger car needed to transport Warren County youth to and from a week of activities at Sertoma 4-H Camp near Westfield scheduled for July 26-31.

Those who are not likely to be able to attend the game are urged to support the activity with a \$1.50 donation. All who contribute will be eligible to win door prizes.

Warren County ranked sixth in the state in the number of youth attending residential camp in 1986. Recruitment of campers this year is well ahead of schedule with more than 70 youth, who are presently enrolled and have made a financial contribution toward payment of expenses.

Two games are scheduled for this year. Girls and boys enrolled in the 4-H program will play the adult women and men volunteers. Anyone wishing to participate in the game as a player, who has not yet enrolled, should call the Warren County 4-H Office at 257-3640.

Northern Vaughan Club

Has Regular Meeting

By TIMOTHY CARTER

The Northern Vaughan 4-H Club held its regular monthly meeting on March 9 at 7 p.m. The meeting was called to order by the president and members recited the 4-H pledge and the Pledge of Allegiance.

Ms. Gail Johnson was inducted as a new member of the club. The club is glad to have her as a new member.

Members discussed fund raisers for the future and also the 4-H retreat.

The meeting was adjourned with the 4-H motto.

When freezing temperatures are forecast in Florida, strawberry plants are sprayed with water to encase them in ice, which releases heat as it forms and allows them to survive while air temperature falls lower, says National Geographic.

Essie Hughey, Theresa Williams and advisor Yvonne George. During the internships, students will work at various health agencies in the area, putting to practice skills they have learned in class. (Community Schools Photo by Mary Hunter)

Glenn Woolard Is Guest Speaker

By CESSEL SEWARD

The guest speaker for the March meeting of the 3-Point 4-H Club was Glenn Woolard, extension agent, 4-H. Mr. Woolard talked to the club concerning the District 4-H Retreat to be held at Betsy Jeff Penn 4-H Center near Reidsville on March 20-22. Selling doughnuts to earn money for the retreat was discussed. A payment of \$10 was due before March 6.

Pamela Ayscue gave a demonstration on exercise and body cleanliness. It was emphasized that in order for any exercises to be effective one must do them on a regular schedule. We also need to perform daily hygiene.

Robert Foster gave a demonstration on bird houses. Some of the houses Robert had made were shown to the members; he also gave instructions and showed the tools used for the construction of the bird houses.

The meeting was called to order by the president, Pamela Ayscue. The Lord's Prayer, 4-H pledge and Pledge of Allegiance were repeated together. "Jacob's Ladder" was sung by the members attending. Twenty-three club members and five adult leaders were present.

Following adjournment, refreshments were served to the members.

Storm Protection

The world's most complex public works scheme is the Delta Project, built to protect the Netherlands from North Sea storms, says National Geographic.
