MRS. DANNY THOMAS JAMES

James-Ball Vows Exchanged During Alabama Ceremony

Tracy Carlane Ball became the bride of Danny Thomas James Saturday at the Hopewell Baptist Church in Tuscaloosa, Ala. The Rev. Charles Langston officiated at the 5 p.m. ceremony.

Thomas Ball and Frankie Lancaster were candlelighters.

The wedding music was presented by Bill Steele, organist, and Stephanie Simpson, Allison Mitchell and Sharon Ball, mother of the bride, vocalists.

The bride is the daughter of Mr. and Mrs. Carl Edwin Ball of Tuscaloosa and the granddaughter of Mrs. John Ball of Wise. The groom is the son of Mr. and Mrs. Thomas James of Northport, Ala.

The bride was given in marriage by her father. She wore her mother's wedding gown and veil of handclipped chantilly lace and tulle. The bodice featured a

jeweled V-neckline and long sleeves. The bouffant skirt formed a cascade of lace and pleated tulle ruffles in front and a back panel falling into a chapel-length train.

Her fingertip veil of silk illusion was held by a half-hat of lily-of-the-valley and seed pearls.

Karen Ball of Tuscaloosa was matron of honor. Bridesmaids were Debra James, sister of the groom, of Northport and Janice Shirley of Tuscaloosa. Nicole Edgil of Tuscaloosa was flower girl.

The bridegroom's father served as best man. Groomsmen were Thomas Ball, brother of the bride, of Tuscaloosa and Frankie Lancaster of Northport.

A reception was held at the church. The couple will live in Northport.

Town 'N Country Club Members Have Gathering

The March meeting of the Town 'N Country Garden Club was held in the home of Mrs. Geneva Fitts. Mrs. Sallye H. Brown, president, announced that the planned demonstration would be first on the agenda and Mrs. Julia Fitts of Ideal Florist was introduced to the group.

Mrs. Fitts demonstrated the construction of a terrarium. She utilized soil made of one-part sand, rich soil containing decayed matter and pebbles placed alternately with the other materials. Small plants—spider plants, aloe vera, fern, begonias, sansevieria and philodendron—were placed in the enclosure.

When selecting plants, strive for an interesting assortment of patterns and shapes, such as colored foliage plants, arrow-shaped leaves, round leaves and varying heights. The container chosen should be of clear, not colored, glass. After plants are in place, sift a little extra soil around them to ensure that the tiny roots are covered.

Mrs. Fitts was complimented for the beauty of the finished products.

Mrs. Brown expressed appreciation to Mrs. Fitts for her artistic demonstration and stressed the need for misting the plants to help them to thrive.

The business agenda included receipt and approval of the minutes. Other items discussed were: obtaining material for kits for the F.G.C.N.C meeting, reading correspondence and supporting a queen for the convention. Mrs. Helen Gardner was chosen to represent the club as queen. Members were pleased to learn of the club's receipt of a civic award from Delta Sigma Theta sorority.

After adjournment, refreshments were served by the hostess during the social hour.
