

## County Commissioners Meet

(Continued from page 1)

Mrs. Hilliard's proposals concerned four CBA programs: In-School Suspension, Supervised Weekend Recreation, 4-H and Youth, and Youth and Family Alternatives. Approximately 617 youths will benefit from the programs.

The projected cost of the four programs is \$82,302. State and Granville-Vance county CBA funds will cover \$44,316 of the expense; CBA funds for Warren County will contribute \$28,716 and the county's \$9,270 will furnish the balance.

County commissioners also passed a motion of intent to include in the budget for FY '87-'88,

\$13,196, the requisite 30 percent of the operating cost of a forestry tractor plow fire suppression unit. A proposal from the county to enable the purchase of the unit will be presented to the General Assembly by the state Department of Natural Resources and Community Development. According to a letter received by Chairman Clayton from Representative Thomas C. Hardaway, acceptance is "contingent upon the county matching state funds on a 30 percent/70 percent ratio." If the proposal is approved, the state will contribute \$179,290 or 70 percent of the unit's operating cost, the tractor and a shelter.

Securing the unit will benefit county residents who have been dependent on the availability of a comparable major fire-fighting unit from surrounding counties.

In other business, the board: —Resolved to recommend to the state that the eastern end of S.R. 1336 be abandoned.

—Received for information clarification of the use of a deputy sheriff as a child support enforcement officer.

—Appointed Gordon B. Hull to a three-year term and James S. Wilson to a one-year term on the Kerr-Tar Regional Council of Governments' Aging Advisory Council. A third vacancy will be filled at a later date.

—Resolved to proclaim June 14-20 as "Franklin-Vance-Warren Opportunity, Inc. Community Action Week" in Warren County to celebrate 20 years of service by the agency.

## Garden Club Has April Gathering

The April meeting of the Town 'N Country Garden Club was held recently at the home of Mrs. Helen Gardner. Mrs. Sallye H. Brown, president, opened the meeting with the reading of the club prayer.

The minutes were read and approved. Expressions of thanks were read from members, who were ill.

Committees were formed to elect a slate of officers for next year, constitution and by-laws, horticulture and beautification. The chairpersons were asked to meet with members and to give reports at the next meeting.

Members reported on souvenirs collected for the state convention.

It was discussed that a trip will be sponsored by the club this summer to Norfolk, Va. The month and date will be finalized at the next meeting.

The meeting closed with a quotation. A delicious repast was served by the hostess.
