

Local Women Injured In Henderson Wreck

Two Warrenton women remained hospitalized Tuesday, one in critical condition, as a result of injuries sustained in a two-car collision last Tuesday in Henderson. A third local woman received minor injuries in the accident.

Mrs. Will Jones Bobbitt remained in intensive care at Duke Medical Center in Durham where a spokesperson said her condition was critical.

Miss Elizabeth Allen continued to make satisfactory progress Tuesday at Maria Parham Hospital in Henderson, a family spokesperson reported, and was expected to leave the hospital in a few days.

Also treated at Maria Parham and released the day of the accident was Mrs. Janice Ellis.

According to a report by the Henderson Police Department, the accident occurred when Mrs. Bobbitt apparently failed to heed a stop sign at the intersection of Collicoffer Avenue and Chestnut

Street and came into the path of a flower delivery truck. Mrs. Bobbitt's automobile was hit broadside by the truck traveling north on Chestnut Street and was forced into a utility pole, the police report stated.

Ptl. R. H. Duncan who investigated the 3:14 p.m. accident said it appeared Mrs. Bobbitt did not see the stop sign or was not aware it existed at the intersection.

Mrs. Bobbitt was transported by Vance County Ambulance Service to the Henderson hospital where she was stabilized and later transferred by LifeFlight to Duke.

Scott Wesley Rollins of Sanford was listed as the driver of the delivery truck, owned by C.W.F. Inc. of Sanford.

Damages were estimated at \$2,000 to each vehicle.

Assisting at the scene of the wreck were the Vance County Rescue Squad and the Henderson Fire Department.
