

Track Team Prevails In Southeast Meet

By GAREY BALLANCE
Warren County High's track team turned in a first rate performance recently in a meet at Southeast Halifax. The Eagles won the meet, totaling 68 points to Southeast's 65. Warren County did well in both individual and team competition. The Eagles had a first or second place finisher in every event.

Warren County boasts the defending state 3-A champion in

the 100 and 200 meter dash in senior sprinter Randy Jordan. Jordan's only problem so far this season had been finding someone who can challenge him. He runs faster when he is up against someone who can push him.

Jordan's best time in the 100 meter this year is 10.2 seconds. Against Southeast Halifax, he did not run the 100 because of a slight injury.

Ten Top Money Winners Shown Following Awards Presentation

Virginia Fishermen Take \$1500 Top Prize In Firemen's Tourney

A series of lucky strikes were worth \$1500 for two Virginia fishermen taking part in the fourth annual bass fishing tournament held by the Churchill-Five Forks Volunteer Fire Department Saturday on Lake Gaston.

Mac Elliott and Kirt Gravitt of Clarksville landed almost 30 pounds of fish during the day-long event as 97 teams left Eaton's Ferry Marina in search of largemouth bass.

The largest individual fish—a 7.88 whopper—was caught by Tim Francisco and Tommy Ward of Danville, Va. The big fish captured an \$870 jackpot put up by participants. In addition to the big fish money, the twosome landed over 15 pounds of bass, good for third place and another \$500.

All told, some \$4,000 was guaranteed for participants in the event, which Churchill-Five Forks fireman Allan L. Adcock said was the "most successful" held by the 26-member fire department which was organized less than eight years ago.

Registration for the tournament began at 4 a.m. Saturday when the first team planked down the required \$60 to enter and was treated to sausage biscuits and coffee served by firemen.

The event was co-sponsored by Wooten's Marine of Roanoke Rapids and Rocky Mount and the Warren County Farm Bureau Insurance Co. Ken Smith of the Churchill-Five Forks Fire Department was the tournament chairman.

Scoring in the tournament was based on the total weigh-in pounds of bass caught by both contestants. A limit of five bass each was in effect.

The top ten places were won by the following teams:

FIRST PLACE (\$1,500)—Mac Elliott and Kirt Gravitt of Clarksville, Va., 29.54 pounds.

SECOND PLACE (\$700)—

Mark Bloodworth and Terry Hobbs of Raleigh, 18.26 pounds.

THIRD PLACE (\$500)—Tim Francisco and Tommy Ward of Danville, Va., 15.59 pounds.

FOURTH PLACE (\$300)—Brian Rex and Thomas Hudzik of Reading, Pa., 13.01 pounds.

FIFTH PLACE (\$250)—Wally Szuba and Gary Boyer of Cary, 11.69 pounds.

SIXTH PLACE (\$200)—Billy Colbert and Mike Gilliam of Rocky Mount, 10.73 pounds.

SEVENTH PLACE (\$175)—Gerald Aikin and Danny Allen of Durham, 9.30 pounds.

EIGHTH PLACE (\$150)—Rodger Temple and Bob Williams of Wilson, 9.00 pounds.

NINTH PLACE (\$125)—E. P.

Francis and Paschal Pilhman of South Boston, Va., 8.64 pounds.

TENTH PLACE (\$100)—Tony Morris and Jeff Hudgins of Weldon, 8.27 pounds.

Dual Victories Recorded By JG

Two games were played between the John Graham Yellow Jackets and the Eastman Kodiaks recently. The first game was held on March 30, while the second game was held on April 11. John Graham played well in both games and posted two victories.

The first game started with Michael Riggan as the starting pitcher. On the first play, the Jackets threw one of Eastman's batters out at first. The next two outs were made by the pitcher, who threw two sets of strikes.

Bobby Hayes hit a homerun for the Jackets as they began their first inning at bat. The next hitter, Phillip Southerland, scored a triple, but his play was useless as the next two Jacket batters struck out.

After a few innings of strike-and fly-outs, the Jackets found themselves down, 4-1. Eastman scored another run, leaving the Jackets in the last inning with a score of 5-1.

With two outs and a full count, three of John Graham's players scored runs from a Wallace Harmon triple. Daniel Harris hit a single, sending Wallace Harmon in for another score.

In the end, the Jackets posted a victory with a final score of 6-5 over the Eastman Kodiaks.

Sizzle Test

For a quick test to find out where the coolant is going, warm up the engine, turn off and withdraw the oil dipstick. Let oil drip from it onto the exhaust manifold. If it sizzles you have an internal crack that's allowing coolant to get into the oil system. If it doesn't sizzle, check for a bad head gasket. A bad gasket will allow coolant to seep into cylinders and out the exhaust.
