

# WATCH WRAL-TV ON CH. 40

Due to the collapse of our transmitting tower, all WRAL-TV programming is temporarily on WKFT-TV, Channel 40. Engineers have been working around the clock to restore our signal. We're happy to announce that we will be back on Channel 5 by Christmas. Until then, thanks for your patience. And, if you have any questions about WRAL-TV programming, call us at 1-800-552-WRAL.
