LARGE DEER BAGGED—This deer which sported an antler spread of 20 inches tipped the scales at 240 pounds. It was killed by Brian Stegall, center, of Rt. 1, Warrenton, who was hunting with his father, Harold Stegall, and the Oakville Hunting Club on Saturday. The deer, the largest one killed by Stegall, had nine eight-inch prongs and the antler base was the size of a man's wrist. Assisting Stegall in loading the deer were Mark Lawhorne, left, and Jason Stegall, right. (Staff Photo by Howard Jones)

BAGS 13-POINTER—Ronald Williams of Alton displays a 13-point buck which he killed Saturday while hunting in Warren County with members of the Shocco Gun Club. The deer, taken with the help of dogs, weighed approximately 175 pounds. It was the second deer bagged this season by Williams. (Staff Photo by Howard Jones)
