A VOTE TODAY SEEMS LIKELY.

Believed That U. S. Senate Will Pass Rate Bill This Afternoon.

Bill Will Doubtless Be Passed by Very Large Majority.—Senators Morgan and Pettus, of Alabama, Will Vote Against Measure on the Ground That It Interferes With State's Rights.

By Wire to The Sentinel. WASHINGTON, May 16.—The much predicted but hitherto illusive hope that the railroad rate bill would be passed by the senate seems likely to be realized today. There will be some discussion on the pipe line and anti-pass amendments and it may be late in the day before the senate is ready to finally act but indications are that a vote will be taken before adjournment this evening. When it does come it will be almost unanimous for the passage of the bill. Senators Morgan and Pettus, of Alabama, it is understood, will vote against the entire measure, on the ground that it interferes with state's rights.

IMPORTANT DEED OF TRUSE IS RECORDED

Special to The Sentinel.

GREENSBORO, May 15.—Messrs. King & Kimball, attorneys for the Southern Railway, last night filed with Register of Deeds Kirkman a deed of trust conveying to the Standard Trust Company, of New York, as trustee, all property of every description owned by the railroad. The deed is given to cover a bond issue amounting to several millions of dollars. It is the longest document ever filed in the office here, covering one hundred and eighty-four octavo pages, and containing 49,500 words. The fee paid by the railway company is only nominal, amounting approximately to \$50, which is very small when one takes into consideration the fact that it will require over a week to transfer it to the records.

Under the law the Southern will be required to record the paper in every county of every state where it owns property.

ADVISORY BOARD OF JAMESTOWN EXPOSITION

Special to The Sentinel.

NORFOLK, Va., May 16.—Before he accepted the chairmanship of the advisory committee of the Jamestown Exposition, former President Grover Cleveland had devoted time and thought to the enterprise which had his hearty commendation. To Mr. Hugh Gordon Miller, New York commissioner of the exposition, Mr. Cleveland said that nothing ought to interfere with the success of the exposition planned for the celebration of the first white settlement upon domain now embraced within the limit of the country we proudly call the United States.

"We have fittingly celebrated the four hundredth anniversary of the discovery of America. The three hundredth anniversary of the settlement of Jamestown is hardly less worthy of commemoration. A great nation cannot bring to mind its small beginning and its stupendous growth through such a celebration as the Jamestown Exposition Company contemplates without stirring in the hearts of its people their best patriotism and the sincerest devotion to the principles which have made this nation great. And such patriotism and such devotion so completely underlies American institutions that their soundness and strength are absolutely necessary to our strength and perpetuity.

"I hope, therefore, that nothing will be lacking to make the exposition successful, as an agency for the stimulation of our national pride and the increase of our faith in free institutions."

President Woodrow Wilson, of Princeton University, Colonel Henry Watterson, Cardinal Gibbons and the other members of the committee which Mr. Cleveland heads are heartily in accord with the former president in his enthusiasm for the success of the exposition. Colonel Watterson said:

"There is nothing that I can do either personally or as an editor that I will not gladly do to advance its interests. I do not think I need elaborate the many claims which so obvious an undertaking has upon the country. It seems to me that intelligent people everywhere will concur in the opinion that old Jamestown must be duly celebrated."

The managers of the Ter-Centennial Celebration believe that much practical good will be accomplished by this committee which is composed of one hundred representative Americans of the highest standing.

B. & L. ASSOCIATION MAKES ENVIABLE RECORD

At the annual meeting of the stockholders of Winston Building & Loan Association, held last night, the old officers were re-elected. Mr. J. C. Buxton is president and Mr. G. A. Folin secretary and treasurer.

The annual report of the secretary and treasurer was highly gratifying. It showed that the association's success since it was established 17 years ago had been phenomenal and that its efforts to advance the growth and prosperity of Winston-Salem were being appreciated.

As a town builder Building and Loan Associations are unequalled and The Sentinel is pleased to note that the local organization is making an enviable record.

CZAR SEEMS TO BE UNCERTAIN.

He Has Not Decided What To Do Relative To The Douma.

Some of His Advisers Are Urging Him to Dissolve National Assembly And Pay No Attention to Its Demands.—Others Think He Should Grant Some Concessions.

By Wire to The Sentinel.

ST. PETERSBURG, May 16.—Strong reactionary influence is being brought to bear upon the Czar to dissolve Douma for drawing up a reply to his speech from the throne in a manner which bureaucrats consider grossly insulting to his majesty. The practically unanimous advice of the bureaucrats to Czar is that, if autonomy is to be preserved, the fight with the Douma must begin at once.

The Czar is undecided what to do. Several liberals among his advisers say if Douma is dissolved blood is sure to flow. Those advisers want the Czar to compromise by granting amnesty to purely political prisoners and an evasive reply to Douma's demand for making itself chief governing instrument of the country. It is believed probable the Czar will do this, hoping to put initiative for any serious break on the Douma.

CELEBRATION AT CHARLOTTE SOON

Special to The Sentinel.

CHARLOTTE, May 15.—In order to enhance interest in the military day Mayor McIninch yesterday offered a cash prize of \$100 to the company from North or South Carolina that makes the best appearance in line of march. The three ranking officers of the United States army who are to attend the celebration will act as judges and will say to which company the prize will be awarded.

The entertainment committee of the Twentieth of May celebration has made house to house canvass of the city of Charlotte in order to ascertain what families will entertain visitors during the four days of the celebration. The homes of Charlotte will be open to the visitors and all who cannot find accommodations at the hotels and boarding houses will be taken care of at private homes. The committee wish it understood that Charlotte will take care of every visitor who lends his presence to the big celebration.

The business houses and public buildings of the city, even at this early date, present a holiday appearance. Flags and other decorations are to be seen on every hand and many of the larger buildings are very handsomely decorated.

The electrical display is to be a feature of the celebration. Handsome arches are being constructed at nearly every turn, indicating that Charlotte is to be brilliantly illuminated for the festive occasion.

Negro Released.

The negro arrested two weeks ago by Conductor Phillips on the passenger train between Winston-Salem and Roanoke, was released in the latter city yesterday, after paying his fine of \$50 for carrying a pistol. Immediately after his release a government detective arrested the negro, believing him to be a counterfeiter, several bills of this kind being found in his possession. Capt. Phillips is still inclined to the opinion that the negro is Ed. Davis, who killed Conductor Wiggins at Salisbury.

Dr. Mott a Friend of Marion Butler.

Dr. J. J. Mott, of Statesville, at one time one of the "big guns" in the Republican party in North Carolina, passed through the city this afternoon, returning from Roanoke, Va., where he had been to look after some race horses he has in training there. Dr. Mott remarked to the reporter that he had been out of active politics for several years. He expressed himself, however, as being a great admirer of Marion Butler, the ex-Populist leader in this State.

CHARLES WHITT MAY BE FREED.

Mr. Williams, of Reidsville, Identifies Him As the Man Who Worked For Him.

Negro Held Here, Suspected of Being Ed. Davis, Murderer of Conductor Wiggins at Salisbury, May Be Allowed to Leave the Jail This Afternoon.

Charles Whitt, the negro who has been in jail here since last Friday, suspected of murder of Conductor W. A. Wiggins at Salisbury may be released this afternoon in time for him to return home with his father.

Mr. Geo. D. Williams, a tobaccoist of Reidsville, arrived here this morning and identified Whitt as the negro that worked for him up to Saturday evening, April 28. While Mr. Williams did not see him on Sunday, April 29, the day Mr. Wiggins was shot, he has assurance that Whitt did not leave Reidsville that day. He was back at Mr. Williams' home early Monday morning, but he was discharged for failing to feed Mr. Williams' stock on Sunday.

Sheriff Alsbaugh endeavored to secure an interview with Solicitor W. C. Hammer by telephone this morning, but was advised that he had left Salisbury. The solicitor while here yesterday, told Jailer Hanner to release Whitt if Mr. Williams came here and identified the negro as the one that was in his employ at the time of the murder. Desiring not to make any mistake, the sheriff called up Sheriff Julian, of Rowan, this afternoon, when the latter stated that while he was in favor of releasing Whitt, he preferred to consult Solicitor Hammer before ordering the prisoner given his freedom. Sheriff Alsbaugh is just awaiting a message from the sheriff of Rowan before opening the cell door to the negro.

Whitt's father says that his son's mind is weak and the old man gives this as a reason why Charles told several parties that he was the man that shot Mr. Wiggins. Mr. Williams also stated that young Whitt was unbalanced mentally.

EXPRESS CARS TO RUN THROUGH TO WASHINGTON

The Sentinel is informed that the Southern Express Company has decided to operate solid cars between North Wilkesboro and Washington, D. C. They will be put on as soon as the Southern Railway can furnish the cars. The schedule proposed is to leave North Wilkesboro at 2 p. m., arrive in Greensboro at 6:10, where the cars will be picked up by No. 34, which arrives in Washington at 7 a. m. These cars will handle produce, chickens, etc. This arrangement, it is said, will require three additional messengers, who will reside at North Wilkesboro. The increase in express on this line necessitates the proposed facilities.

POLITICAL CONTEST IN GUILFORD COUNTY

Special to The Sentinel. GREENSBORO, May 15.—The contest over the Democratic nomination for sheriff of this county was narrowed down a little yesterday by the announcement that County Commissioner W. C. Tucker, who had generally been spoken of as a strong candidate, said positively that he would not be a candidate.

DOUMA WORKING ON ITS REPLY.

Answer To Address of Czar Still Absorbing Subject Before That Body.

It Seems Quite Certain That Douma's Position on Various Questions Will Be Made Known Through This Reply.—Speeches Today Advocating Abolition of Death Penalty Brought Forth Wild Cheering.

By Wire to The Sentinel.

ST. PETERSBURG, May 16.—The discussion of reply to the address from the throne by the Czar and proposed additions to reply as originally drafted continued in debate of the Douma today.

Deputies Kuzmin and Karavell aroused deputies to point of wild cheering by eloquent protests against death penalty. It was shown that 600 persons have been executed in Russia since last December.

The Douma continues resolute and apparently is determined to make its position known in the reply.

It is rumored that the Czar intends granting amnesty to prisoners guilty of political offenses.

RAVEN AND DOVE SENT OUT FROM ARK BY NOAH

Reported for The Sentinel.

The evangelistic meetings still continue at the Star warehouse with a deep interest. There was one more confusion last night and others seriously impressed. Some of the songs Mr. Saxton sings are favorites and by request he sang "Coming Home." By request he will repeat tonight "The Man of Galilee." Mrs. Saxton will play the obligato with it.

The text of the sermon last night was taken from the 8th chapter of Genesis, "Noah sent out from the ark a raven and a dove to see if the face of the ground was dry." The evangelist said: The raven is an unclean bird, it could find a place to lodge on a carcass. The dove would not rest unless it found an olive branch and it returned to the ark. There is much of the raven and the dove in all persons. The raven represents the evil passion for greed and lust and drunkenness. The dove was out for a time over the waste of waters, but it returned. Thus men and women are out in the world, but they must return to the church for salvation in Christ. Not to this or that denomination, but to Jesus Christ. There were many reasons why the dove might have feared to return. There were vicious animals in the ark. There are many excuses men may make for not coming to Christ, but there is the only place to find satisfaction. The millionaire does not find it in his gold, nor the pleasure seeker in any line of pleasure. The dove must return by the window in the ark. There are windows by which we must enter into Christ. Belief in the divinity of Christ, belief in the Father, Son and Holy Spirit, the humbling of our pride, our willingness to submit to Christ in New Testament baptism; we should enter by these windows.

TARBORO CIRCUS ROBBERY.

Former Treasurer Forepaugh And Selfs' Circus Arrested On Charge of Theft of \$30,000.

CLEVELAND, O., May 15.—William T. Spait, auditor of the Carl Hagenbeck circus, was arrested here last night, charged with the theft of \$30,000 from the ticket wagon of the Forepaugh-Sells show in October, 1904, while he was treasurer of that enterprise. The robbery it is alleged, occurred at Tarboro, N. C. The arrest was made by Sheriff Korb and Deputy Phelan, of Columbus. Spait was seized while at work in the ticket wagon, handcuffed and hustled into a waiting automobile and taken to a railroad station thirty miles away. From there he was taken to Columbus. Extradition papers have been prepared and he will be taken to North Carolina for trial.
