DR. SCOTT RETURNS TO GREENSBORO

Special to The Sentinel. GREENSBORO, May 30.—Dr. Chas. L. Scott, at one time a leading physician here, gave up his practice last year to enter the insurance field. He went to Kentucky, where he has been six months. He has returned to Greensboro and will resume the practice of medicine. He has secured a suite of office rooms in the Meadmore building. To Dr. Scott, more than to any other man, does the city owe the location and building of the splendid St. Leo's hospital by the Sisters of Charity, and he does well to come back home and resume the profession in which he was a shining light.

MR. YEVELL PREACHES AT CHRISTIAN CHURCH.

Reported to The Sentinel. One of the greatest sermons of the series by Evangelist Yevell was preached at the Christian church last night on "That Awful Night in Babylon." After a short service tonight a reception will be held for the new members. All members and friends are invited to be present.

TOBACCO FACTORIES HAD A BUSY MONTH.

May was a busy month with the tobacco manufacturers of Winston-Salem, as they sold 2,349,761 pounds of the manufactured weed during that month.

For revenue stamps on this large output our manufacturers paid to the government the sum of \$140,984.46, or enough to build a public building over two times as large as that the government is erecting here at present. The collections on cigars and splits were light during the month.

Broad Street Services. The services at Broad Street church last night were largely attended by a highly appreciative audience.

"Faith" was the subject from which the Rev. Mr. Wilson delivered a most helpful and inspiring discourse. The speaker very forcibly impressed his hearers with the importance of a strong and abiding faith without which no man can please God or accomplish anything good or great. To dictate to God, said he, is one of the surest evidences of a weak faith. For one to be willing to let God use him as seemeth best unto Him is an index to strong faith and Christ-likeness. Services tonight at the usual hour.

The Sunday school class of Mrs. J. K. Pfohl, of the Christ church Sunday school, attended the Clemmons school commencement exercises at Clemmons yesterday.

The infant son of Mr. and Mrs. S. H. Carter, of East Salem, died last night. The interment will be in the Salem cemetery tomorrow.

SPECIAL SESSION.

Delaware Legislature Has Convened In The City of Dover.

Election of United States Senator the Principal Business to be Transacted.—Democrats in Caucus Decide to Vote for Adjournment And Try to Obstruct Election.—Democrats Indignant at Calling of Special Session.

By Wire to The Sentinel. DOVER, Delaware, May 31.—The legislature of Delaware is in extraordinary session, called by Governor Lee last Monday to consider the constitutional amendment, franchise tax law and election of a United States senator.

Democratic members in caucus last night declared extra session was fraud perpetrated upon the people of Delaware by unscrupulous majority to garner the benefits of a corrupt victory at the last general election. They resolved that senatorial election being the sole cause of the session, they would vote to adjourn from day to day and obstruct the election rather than be passive parties to what they charge is corrupt attempt to steal the national toga. Every Republican of prominence in Delaware today pretends that the party is in harmony for the first time in years, and that the election of a United States senator is certain. The first ballot will be held June 12. The Republican caucus will be held the day before.

FINALS AT STATE NORMAL COLLEGE.

Special to The Sentinel. GREENSBORO, May 30.—At a meeting of the Alumnae Association of the State Normal and Industrial College last night the following officers were elected: President, Miss Etta Spler, of Goldsboro; vice-president, Miss Sarah Kolley, of Charlotte; secretary and treasurer, Miss Annie Melver, of Greensboro. A new member of the executive committee is elected every year and Miss Bertha Lee, former president, was elected as a member of 1906 at the meeting last night.

Later the reunion took place in the dining room of the Spencer building, where a delightful reception was given. There was no formal banquet or speech making to hamper the general good fellowship of the evening, but light refreshments were served and impromptu expressions of good will and affection were numerous and eloquent, and added to the links which already bound institution and student together. The reception committee consisted of Miss Anna Meade Melchoux, president of the North Carolina association of former students of the college, Miss Elizabeth Battle, president of the Guilford county association of former students, Mrs. Hampton Love Lee and Dr. Melver. There was a general exodus of students today, all trails requiring special coaches to accommodate the hundreds who returned home to all parts of the state.

WADESBORO LYNCHERS TO BE ARRESTED TODAY.

Gov. R. B. Glenn was in the city this afternoon between trains. He was enroute from Wadesboro to Elkin to spend a few days with his friend, Mr. H. G. Chatham.

The governor, who went to Wadesboro to investigate the lynching of J. V. Johnson, a white man, said there were about 75 men in the party and that about 25 of them would be arrested today. He added that the officers there had strong evidence against the men who participated in the lynching.

Governor Glenn, in reply to a query as to when he would visit Winston-Salem, stated that he had notified Colonel Webb that he proposed to spend ten days here during the county fair.
