WHY EAGLE LODGE WAS NOT INSTITUTED

Mr. Chap. Bodenhamer, State organizer, went to Charlotte last night to institute an aerial of the Fraternal Order of Eagles, but owing to some misunderstanding with the State Commissioner of Insurance in regard to a tax nothing was done and Mr. Bodenhamer returned this morning.

In brief, State Insurance Commissioner Young has decreed that the Eagles must take out a State license before they can do business in North Carolina, owing to the fact that the order has a sick benefit feature.

Mr. Bodenhamer says the tax will be paid and the aerial will be instituted with over 100 charter members.

MAN ARRESTED ON CHARGE OF BIGAMY

GREENSBORO, June 25.—Samuel Osborne, a telegraph operator for one of the Southern Railway's block stations, six miles from Greensboro, was arrested Saturday on a warrant charging him with bigamy.

A few days ago he married the young daughter of County Surveyor Gilchrist. It develops that a few months ago he married a woman in Salisbury. Saturday, in asking for a continuance, Osborne's lawyers stated to the mayor that Osborne married the first wife in Salisbury while on a spree and had not seen her since the morning after.

He said that the woman secured the marriage license herself and had the knot tied; that the woman had been twice married before and both her husbands were living, and for this reason Osborne did not consider his marriage to her to be legal, hence his second marriage before securing a divorce.

DEATH OF LILLIAN MADISON

Little Lillian, only child of Mr. and Mrs. A. F. Madison, fell asleep this afternoon at 2:20 o'clock after an illness of only two weeks.

She was a bright, lovable little creature, the light of the home. Though only thirteen months old she had endeared herself greatly to all. Truly, Heaven is made up of little children, sweet buds that have never bloomed, of "Of such is the kingdom of heaven."

To the bereaved parents our hearts go out in the deepest sympathy in this, their great bereavement.

Messrs. Benjamin Franklin and W. T. Markee, of Philadelphia, members of the company behind the movement to build inter-urban electric line from Winston-Salem to High Point, arrived in the city this morning. In company with Mr. D. H. Blair they drove out in the country several miles, over the line now being surveyed by a corps of civil engineers. The visitors expressed their opinion that the road will be built.

A letter received here from Yadkinville today states that a delegation from Statesville will attend the big mass meeting at Yadkinville next Wednesday, July 4, the purpose of which is to get the people interested in the proposition to build an inter-urban road. Statesville is anxious to secure the road, but Winston-Salem can get it if the business men go after it.

Special to The Sentinel. RALEIGH, June 26.—There will be a special session of the Raleigh Aldermen tomorrow night for the purpose of passing on the question of calling an election on the question of dispensary or prohibition.

There is a claim that the Watts law is defective so that an election on "dispensary" or "prohibition" cannot be held. Also that no election under thirty days of a legalized primary.

SPEAKER WILL NOT FIX DATE

Mr. Cannon Refuses to Agree on Definite Time of Adjournment of Congress.

There is Some Legislation He is Anxious to See Enacted and He Refuses to Enter into Agreement With Senate Leaders For Fear Such Agreement Might Prejudice Certain Legislation—Public Building Bill Passed House.

WASHINGTON, June 26.—The conference of Senate leaders with Speaker Cannon last night lasted until two o'clock. Mr. Cannon declined to give his consent to a resolution fixing the date for the adjournment of Congress on the ground that the Senate may defeat certain legislation if a date is definitely fixed upon.

All appropriations made in the public buildings bill introduced yesterday will probably go through the Senate unchanged, although some amendments may be offered increasing or decreasing individual appropriations in certain cases.

Proposition Will be Carried by Good Majority—\$125,000 Is the Amount of Bonds to be Issued.

At 4:20 this afternoon 192 ballots had been cast. It was estimated that all but perhaps three or four votes were for the bond issue. The judges expect at least 225 votes before the polls close at sunset.

THAW TALKS OF THE HOMICIDE

Pittsburg Millionaire Arraigned in New York Magistrate's Court

Held Without Bail to Answer to the Charge of Killing Man on Madison Square Roof Garden Last Night—Claims Man He Killed Had Ruined His Home—Plea of Emotional Insanity May Constitute Defense.

NEW YORK, June 26.—Harry Thaw, the Pittsburg millionaire who shot Stanford White, an architect, killing him instantly at Madison Square roof garden last night, was arraigned in Jefferson Market police court this morning, still wearing his evening clothing. He was first taken to headquarters from the Tencorion station where he spent the night. He rode in a patrol wagon handcuffed to Captain Hodgins. He tried to avoid the photographers, placing his hand in front of his face.

The reason for the crime is considered White's alleged ruin of Evelyn Nesbit, now Thaw's wife, while the girl was an actress and artist's model. It is intimated that the defense will be emotional insanity. Thaw brooding over his wife's wrong until he was unbalanced.

Thaw told Policeman Debs who arrested him, "I did it; that man ruined my wife (or life). That man ruins my home. I guess he won't ruin any more homes." When told that White was dead he said: "I am damned glad I made a good job of it."

Later Thaw said he dined at Martha's. White and his party were near. Evelyn began shivering. Thaw asked, "What's the matter?" His wife wrote, "The dirty blackguards there." Thaw continued: "Then I saw that fat scoundrel sitting there big and healthy, then I saw how nervous she was."

MERCHANTS TO CUT OUT PROGRAM ADVERTISING

The Winston-Salem Retail Merchants' Association has resolved to discontinue program advertising and use the columns of the local newspapers.

The action was taken at the meeting of the association last night when the following was unanimously adopted:

"Resolved, That we, the merchants of the Retail Merchants' Association of Winston-Salem, as a body, do pledge ourselves not to place any advertising, nor to encourage the same, in any program, such as programs for church entertainments, societies, operas, books or catalogues of any kind whatsoever."

It was argued that program advertising does not bring results and that the newspapers were the most legitimate and profitable mediums.

ONE ANSWER TO DEMAND FOR TAX

Special to The Sentinel. RALEIGH, June 26.—While there are a far greater number of charters being issued in this State for business enterprises than ever before in the history of this state, the following rare bit of humor written to the State Treasurer's office in reply to the demand of the treasurer for the payment of the corporation franchise tax illustrates the fate of too many of them:

"This corporation was in business some five or six months at the end of which time it had in its possession as its sole assets one refrigerator on which it had paid half of the purchase price. The vendor came and took it away for the balance due on it, since which time this corporation has had no assets, no business and no capital. This is the history, briefly told of the—Co."

Special to The Sentinel. RALEIGH, June 26.—Gov. Glenn is recovering rather slowly from his recent sickness, but says he hopes to be able to make the trip to Kinston June 27, when he is to deliver one of the addresses in connection with the big Masonic jubilee to be held under the auspices of the Kinston and other lodges in that section.

The governor says he has given up the idea of going to the seashore for recreation, owing to press of official business. In fact he fears now that he will have to remain in Raleigh all through the hot weather, dangerous as this may be for him in his over-worked condition.

GOVERNOR HARRIS, OF OHIO, MUCH IMPROVED

By Wire to The Sentinel. EATON, Ohio, June 25.—Governor Harris has entirely recovered from his attack of indigestion. He will return to Columbus today. Alarming reports have been sent out regarding his condition. His friends have been overly anxious because of his age.
