# DOCTOR CURED OF ECZEMA

### Maryland Physician Cures Himself of Eczema with Cuticura Remedies. Prescribes Them and Has Cured Many Cases Where Other Formulas Have Failed—Dr. Fisher Says:

### CUTICURA REMEDIES POSSESS TRUE MERIT

"My face was afflicted with eczema in the year 1897. I used the Cuticura Remedies, and was entirely cured. I am a practicing physician and very often prescribe Cuticura Resolvent and Cuticura Soap in cases of eczema, and they have cured where other formulas have failed. I am not in the habit of endorsing patent medicines, but when I find remedies possessing the merit, such as the Cuticura Remedies do, I am broad-minded enough to proclaim their virtues to the world. I have been practicing medicine for sixteen years, and must say I find your Remedies A. No. 1. You are at liberty to publish this letter, or any part of it. I remain, very truly yours, G. M. Fisher, M. D., Big Pool, Md., May 24, 1905."

### CUTICURA—THE SET, \$1.

Complete Treatment for Every Humor from Pimples to Scrofula

A single set, costing but one dollar, is often sufficient to cure the most torturing, disfiguring, itching, burning, and scaly skin, scalp, and blood humors, with loss of hair, from infancy to age, when all else fails.

### HAD LOST ALL HEART.

The Keeley Institute, Greensboro, N. C.

"It gives me pleasure to add my testimony to that of many others as to the efficacy of your treatment of alcoholism and kindred diseases. I spent the month of October, 1905, in the Keeley Institute, at Greensboro, N. C. To be candid I must confess that I went there more at the solicitation of friends than from any confidence I had in the treatment. I had made so many honest efforts to break off from the use of whiskey, only to meet with failure. I had fought so many hard battles with my foe, only to be defeated, that I had lost heart and felt I might as well give up the struggle, but I finally consented to go and be cured, if such a thing was possible, and I thank God today that I made the decision for to it I owe being, I believe, today a permanently cured man. I have no desire for whiskey whatever, and my health is perfect. Greensboro Keeley Institute is ideally situated in a thriving little city, the handsome building being so tastefully furnished it would be a most delightful place to spend a month for pleasure or rest alone. It is more like a pleasant home than a hospital. The manager is a most genial gentleman, and makes the welfare and comfort of the patients his study; the attendants are courteous and pleasant; the treatment is agreeable; and does not interfere with the enjoyment of the patient for an hour; the diet is excellent and a man has the appetite to enjoy it. He may have perfect seclusion or enjoy the pleasure of society, for among the patients are many men of wit, learning and culture. Altogether there is not one disagreeable feature in connection with the life of the patient at the Keeley Institute, unless he furnishes it himself."  
H. L. MOORE,  
Waynesville, N. C., Dec. 6, 1904.
