A GLORIOUS AWAKENING

The Keeley Institute, Greensboro, N. C.

About three years ago I graduated from your grand and glorious institution. When I bade you good-bye and wended my way homeward, a well-man, words could not express the joy, thankfulness and enthusiasm that filled my soul. For ten long years I was a victim of strong drink, and had drained the bowl to its very dregs. At lucid intervals I suffered the tortures of the damned. Only a drunkard can know such suffering. I have not tasted or desired alcohol since I left Keeley. My health is good, my mind is clear. I owe it all, even life itself, to your good institution. Where all was dark and dreary, now it is bright, and a glorious awakening has come to me. I regard going to your institute as one of the proudest acts of my life for the following reasons: First: It cured me of a disease as deadly as the serpent's tooth. Second: It gave me an opportunity to win back a good name and character, which were trailing in the dust. Third: It gave back health, mind, and ambition to build up wasted possessions squandered in drink. Every one, from the manager and physician to the servants, vie with one another to make one's stay both pleasant and profitable. I shall never cease to thank you for the benefits received while at Keeley. It was a case of snatching me as a brand from the eternal burning. I have been successful in business since my reformation. J. A. MIZELL, Williamston, N. C., Nov. 26, 1904.

Barkeeper Sues Directory People For Using It Before His Name.

ASHEVILLE, July 20.—J. Luke Lancaster, of this city, a barkeeper at the Swannanoa Hotel, through his attorneys, today entered suit in the Superior Court for damages against the Hill Directory Company, of Richmond, and Hackney, Moore & Co., bookbinders and printers, respectively, of the Asheville city directory, the 1906 edition of which appeared some weeks ago.

The suit is based on the fact that Lancaster, who is a white man, appears in the directory with a sign placed before his name indicating that he is a colored person, for which error he claims that he has been inconvenienced and damaged to an amount not yet made public.
