# S.S.S. A CERTAIN SAFE TREATMENT

Even if mercury and potash could cure Contagious Blood Poison the condition in which these strong minerals leave the system would make the cure worse than the disease. But they cannot cure the vile disorder; they can only cover up the symptoms for awhile to break out with renewed violence when the treatment is left off. When the virus of Contagious Blood Poison enters the blood, the entire circulation becomes poisoned, and the loathsome symptoms begin to appear. The mouth and throat ulcerate, hair and eyebrows come out, glands of the neck and groin swell, copper-colored spots appear on the body, and in severe cases sores and ulcers break out, and even the bones become diseased. S. S. S. is the only certain, safe cure for Contagious Blood Poison; thousands have been cured by it after failing with the mineral treatment, Hot Springs, etc. It is the only remedy that is able to get at the root of the disease and turn out the poison so that no signs or symptoms remain. S. S. S. is purely vegetable, being made of roots, herb and bark, and never leaves any bad effects, but instead, tones up the stomach and digestion and builds up every part of the system while removing the poison from the blood. Send for instructions for self treatment and a medical advice leaf.

**Reflections of a Bachelor.**

From the New York Press.

A woman's ideal of a house is all closets and pantries.

There is just as much room in a flat as in a palace to quarrel.

The people who shout loudest for a revolution are usually out of the country where it is taking place.

When a woman says her husband loves his home she means he opened a bureau drawer without swearing at it.

Those who have children have mighty few theories about raising them; they get too busy with the facts of feeding and clothing them.

**To Confederate Veterans.**

It is the wish of Norfolk Camp that all Confederate veterans and their families attend the picnic next Saturday with well-filled baskets and have a good day. Free lemonade will be served. Picnic dinner at 12:30 and watermelon feast at 2:30 p. m.

All veterans and their families, daughters and sons of veterans, must secure picnic badges, which will entitle them to one street car fare and admission to dinner table.

If you cannot sleep, just try a bottle of Portner's Hotbrau before retiring. Its hop strength is sedative in its effects.

Say, it's mighty fine and gay,  
Sun-shine every day,  
Over at Mocksville.

The sun rules the day and the moon governs the night over at Mocksville, Va.
