THEATRICAL SEASON TO OPEN NEXT WEEK

Murray and Mack To Appear Here Wednesday Night In "Around The Town"—Arthur Dunn To Be Here One Night During the Fair.

The local theatrical season will be opened at the Elks' Auditorium next Wednesday night when the well-known comedians, Murray and Mack, will appear in that new and successful comedy, "Around the Town." Murray and Mack were not here last season and local theatre goers will be delighted to welcome them here this year. A letter from Lessee S. A. Schloss, of the Auditorium, says that Arthur Dunn, the celebrated comedian who appeared here twice in "The Runaways," will be here on the night of October 4 with a company of sixty people in "The Little Joker." It is said the diminutive comedian is at his best in this play.

DISCOVER PLOT TO ABOUT CZAR

(By Publishers' Press.) BIRMINGHAM, England, Aug. 29.—The Post today says a number of members of the Russian secret police are searching London for details of suspected plot for abduction of the czar. The highest families in Russia are implicated in the plot, including reactionary instigators of counter-revolution, who are not aiming at the method of rule but at a person for a ruler. It is said that this clan has grand duke ready to take the czar's place as soon as he has been abducted or forced to abdicate, which possibly is only a matter of hours.

NEGRO WILL BE TRIED FOR HIS LIFE

(Special to The Sentinel.) DURHAM, Aug. 29.—In the superior court Freeman Jones, colored, was arraigned on the charge of burglary in the first degree and will be put on trial for his life Friday morning. A true bill was returned this morning and almost immediately the prisoner was arraigned and a special venire of fifty men drawn and ordered to report in court room Friday at 9:30 o'clock. As the negro has no counsel the court appointed R. O. Everett and Delos Sorrell to defend the prisoner. This is a clear case of burglary and attempt at criminal assault against the negro who entered the home of an aged white woman in East Durham late at night and dragged her into the yard and was frightened away by her screams. She has identified him. There was some of her hair found about a button on his coat and other strong evidence.

MONTHLY REPORT OF ASSOCIATED CHARITIES

The monthly meeting of the Associated Charities was held yesterday afternoon at five o'clock in the Elks Home. The secretary's report was as follows: Subscriptions received since last report, \$13.50; amount collected since last meeting, \$56; new members, 3; number of applications for help, 29; number deserving and helped, 22; number living out of town and undeserving, 12; help has been given in various ways (provisions, medicines, milk and ice), to the amount of \$76.28. Subscriptions this year have not reached the amount of those of last year and any contribution will be gladly accepted by the secretary.

Winston-Salem Negro Arrested.

Yesterday's Roanoke World says: Lawton Dalton, a Winston-Salem negro, attempted to rob the home of Mr. J. E. Richardson, No. 513 Third avenue, yesterday afternoon. He was seen to enter the house by a neighbor, who sent after Officer Long, who was on Park street. The officer with the assistance of others, surrounded the house and captured the negro and took him to the station house. The negro did not manage to steal anything, but Mr. Richardson found \$6 under the bed. The negro had taken it out of a purse and when he saw that he would be captured, threw the money under the bed.

Civil Service Examination.

A civil service examination, in the revenue service, was held today in the chapel of the West Winton graded school today. The examining board was composed of L. H. Fisher, secretary of the Fourth division, civil service, Washington, D. C., J. Robert Walker and J. E. Peterson, of the post office force. There were nineteen applicants for positions as raiders, field marshals, etc.

All the important countries of Asia and Europe were visited, the tour extending below the equator and above the arctic circle.

ALL ARE AFFECTED.

Every Bureau Under Executive Control Must Use New Spelling.

Congress And Supreme Court Only Two Branches of Government Not Affected.—Numerous Inquiries Relative to Spelling Reform Order Will Cause President to Issue Statements.

(By Publishers' Press.) OYSTER BAY, Aug. 29.—President Roosevelt's mail bag is overloaded these days with letters from Washington begging for light on the spelling order. Hundreds of bureau chiefs and department officials are "up in the air" over the matter and are writing frantic letters to Secretary Loeb, asking to be steered right. "Does that order apply to my bureau," is the usual way in which questioners begin their letters. In order to set all government officials as well as public at large on the right track the president is preparing a letter defining the spelling order. This letter will be addressed to either Public Printer Stilling or Prof. Brander Matthews and may be issued before the end of this week. It may be announced in advance upon good authority that the letter will clearly state that the new order of spelling is to apply to all departments under the executive. This means the entire machinery of the government except congress and supreme court.

BAND CONCERT DELIGHTS CITIZEN OF GREENSBORO

Maj. W. W. Wood, of Greensboro, spent the night here. He attended the band concert and enjoyed it. "That is the best attraction Winston-Salem could have gotten up," said the major, who added that he had paid \$1.00 many a time to see entertainments that he did not enjoy as much as this concert. "I would be in favor of Greensboro getting up attractions of this kind, but we have no such suitable place as your court house square."

"These concerts are bound to make a favorable impression upon visitors to the Twin-City," continued the major. He was eulogistic in his praise of Winston-Salem, saying that her growth and progress since he left here about ten years ago had been remarkable.

WRECK ON THE NEW YORK CENTRAL ROAD

(By Publishers' Press.) NEW YORK, Aug. 29.—The Brewster Express on the New York Central with eight coaches crashed into the rear of a freight at Park Avenue cut this morning, killing Charles Mahoney, brakeman, and fatally injuring John Leonard, another brakeman. Passengers were thrown from their seats and many cut by flying glass. The express ran in on stalled freight and the brakemen were caught in the wreckage. Others were getting them out when the express crashed into the wreck. The flagman failed to get back in time to warn the approaching express.

YADKIN RIVER TEN FEET ABOVE AVERAGE

At 1:30 this afternoon the Yadkin river at the Fries power house, near Clemmons, was ten feet above common water. It was still rising slowly. The Fries power plant on the river was forced to shut down at 8 o'clock this morning on account of high water. The superintendent of the plant reports that he saw part of a railroad trestle machinery from a flouring mill, bolting machines, barrels, kegs and a quantity of timber going down the river. The trestle is supposed to have been the one washed out on the Wilkesboro road last night.

The impression prevails that a cloudburst was responsible for the rapid rise in the river. At 8 o'clock this morning it was up only five feet and by noon it had risen five more feet.

The ferries on the river are not being operated today on account of high water.

Sells Interest in White Star.

Mr. Everett Lindsay has purchased Mr. C. M. Thomas' interest in the White Star Grocery Co., on Fourth street. Mr. Lindsay has been salesman for the company ever since it was organized. For a year or more before he was with Mr. J. W. Carter, now manager of the White Star. Mr. Lindsay is a clever and active young man and The Sentinel predicts that he will prove a valuable acquisition to the management of this well known and successful business.

The First Presbyterian church and Sunday school will picnic at Nispen park tomorrow afternoon, leaving the corner of Fourth and Cherry streets at 4:30 o'clock.

The condition of Mr. John T. Jones, who fell from a scaffold at Hotel Zinzendorf Monday, shows no material change. He is still unconscious.

HE SOLD BAD BEEF

Wilkes County Man Sent To The Roads For Disposing Of Diseased Meat.

Dressed a Cow That Had Died from Disease And Sold a Quarter to a Citizen of Roaring River.—Sheriff Johnson Carries an Old Man to the Penitentiary to Serve Ten Years for Killing His Son.

Sheriff Johnson, of Wilkes county, was here this morning, returning from Raleigh. He carried Hiram Higgins to the penitentiary to serve a sentence of ten years for killing his son Higgins is about 60 years old. He was convicted in Wilkes court last week. The old man lived on the Wilkesboro pike in a little cabin which he owned with his wife. He and his son had trouble and at the time of the slaying were under bonds for an affray. The son had taken the father's house and moved into it with his own family, driving the father from home, although he permitted his mother to remain. On the 26th of May last, the old man went to the house, with a shot gun, opened the door and as his son rose from the breakfast table shot him in the arm at such close range as to blow it entirely off the body. The son ran from the house up the pike until he fell from loss of blood and expired.

The old man says that he did not shoot his son but that the latter grabbed the gun and caused the explosion himself. His wife, however, testified that he opened the door and shot his victim as the latter rose and found himself facing the raised gun. Sheriff Johnson stated that two other important cases were tried during the term. A negro barber named Craig, who was arrested in Greensboro a few months ago, was convicted of seduction. The judge first gave him a term on the roads, but later changed the sentence to \$100 fine and costs, provided the same was paid within ten days. Last Saturday Craig's wife came up with the cash, thereby securing the release of her husband.

Hort Privette, a white man, was sentenced to the roads of Irredell county for six months. He was convicted of selling diseased meat. According to the evidence introduced against the defendant, Privette lost a cow. He dressed the animal and stated to a neighbor that he had decided to take the meat to Wilkesboro and sell it out to the lawyers of the old and new town. He took the "beef" up, but the market was stocked and the owner failed to find any buyers. He then went to Thomas Church, who was advised, before he ate any of it, that the meat was bad. A warrant was then issued for Privette, but he left the county before the papers were served. At the spring term of Wilkes court Sheriff Johnson had the indictment not pressed with leave. Privette was notified by a relative or friend of the solicitor's action and he returned to the county a month or two ago. A new warrant was sworn out and Sheriff Johnson arrested him.

While in Raleigh Sheriff Johnson was interviewed by a News and Observer man. The sheriff is quoted as saying that the congressional fight in Wilkes was close and baffling. He would not predict the result. All the Democrats would come out and vote for Hackett, he said solidly, and he had heard several influential Republicans say that they would vote against Blackburn.

SERIOUS WASHOUT THIS SIDE OF MOUNT AIRY

A message was received here this morning stating that there had been a serious washout on the railroad between Pilot Mountain and Mt. Airy. As a result of the washout travel on this line is interfered with to a considerable extent. Passengers west of Crutchfield on the Wilkesboro branch of the Southern have to be transferred.

A notice was posted at the union passenger station today stating that on account of the washout no trains will be run through to Mt. Airy until further notice.

Another notice announced that passengers for Wilkesboro would be transferred west of Crutchfield.

LYCEUM COURSE TO BE GIVEN THIS YEAR

Six Fine Attractions of Musical and Literary Nature To Appear In Auditorium of New Hotel Zinzendorf Under Auspices of Hospital Association.

In the auditorium of the new Hotel Zinzendorf there will be given this fall and winter an excellent lyceum course, consisting of six strong companies. This course will be both literary and musical, the very kind to interest and amuse the citizens of Winston-Salem. The season will last for six months, one concert being given each month from October to March inclusive.

The course is under the management of the Alkhest Lyceum Company, of Atlanta, Ga., and will be given here under the auspices of the Twin-City Hospital Association and will be for the benefit of that worthy institution. Mr. F. M. Loveless, secretary and treasurer of the lyceum company has been in the city making arrangements for the course to be given here and the contract has been signed. He states to the local committee that the course selected is by far the strongest in the repertoire. The president of the lyceum company writes that it will be the strongest course of any lyceum in the South the coming season.

The tickets are to be placed in the hands of the ladies of the hospital association for disposal and will be of two kinds, a double and a single ticket. The double ticket will admit two persons, and the price will be \$5.00 for six concerts. The single ticket will be \$3.00 but will only admit one person. The hotel auditorium will seat from 350 to 400 persons and from present indications it seems that the house will be taxed to its capacity both from the fact that the course is an exceedingly strong literary and musical one and in addition to this the fact that it will be for the benefit of the well known charitable institution—the hospital.

After the performances those who so desire may be served to a light evening lunch in the hotel.

The first number on the program will be Ralph Bingham, one of the foremost humorists on the lyceum platform today. He is unusually gifted, not only in wit but also in a musical way. During his two hours' entertainment he intersperses his program of humor with selections on the violin and piano. Mr. Bingham, who opens the course, will be here the latter part of October.

In November the Boston Orchestral Company will be the attraction. This company consists of the following, E. R. Jenness, violin and director, L. C. Batchelder, flute and piccolo, K. R. Bendle, cello and piano, E. E. Bagley, trombone and viola, and E. A. Steady, cornet and violin. This company of five stars comes to Winston-Salem backed by the highest recommendations of well known musicians and the press. This company costs the management more than any of the others.

The Edwin R. Weeks Company including Mr. Weeks, impersonator, Miss Grace Jillson Weeks, soloist, and Miss Elizabeth Mayo, concert violinist, will be here in December. This company needs no introduction as it has been on the concert stage for a great many years and has met with much success.

A quartet of ladies, Misses Nellie M. Donovan, first soprano and accompanist, Kathleene Leavitt, second soprano and violinist, Alzabeen Sampson, first alto and manager, and Mae A. Dickinson, second alto and reader, known as the Ariel Quartet, of Boston, will appear here in January. This company is a new number for this season but it will be one of the best numbers of the course.

In February the Alkhest Art Recital Company will be the attraction. The main star in this company is Mr. Rose Crane, cartoonist, clay moulder and pianist. Mr. Crane is a number in himself but together with Misses Christine Giles and Mandelaine M. Evans, the number will be exceedingly good. Mr. Crane's characters with crayon and clay are very interesting. Miss Evans plays the cello while Miss Giles not only plays the violin but her exquisite soprano voice will delight the music lovers of the Twin City.

The course will be closed in March with the concert of the Pace-Kling Recital Company, consisting of three ladies, Misses Florence Marion Pace, soloist, Jeannette Kling, reader, and Marie L. Evans, accompanist. These ladies are called the "American beauties of the lyceum platform."

CINCINNATI FALL FESTIVAL OPENS

CINCINNATI, Ohio, Aug. 29.—This city's fifth fall festival was opened by Mrs. Alice Roosevelt Longworth this morning at 10 o'clock. The daughter of the president pressed a gold button placed upon the balcony of Music Hall. When the button yielded to pressure of her finger an electric current sped to great bells which crown "Bridge of Smiles," and their resonant tones marked the formal opening of a great festival which will continue for four weeks. The last part of the chimes witnessed the throwing open of the gates of "Joy Land" and the door of Music Hall. One of the features of the festival will be the first performance in America of "Blue Moon," the noted London production.

DEPOSITORS MAD.

Large Number Gather About Office of Wrecked Philadelphia Concern.

Persons Depositing With Real Estate Trust Co., of Philadelphia, Stand in Front of Concern. Threats Against Officers Being Freely Made.—Receiver Thinks Everything Will Turn Out All Right.

(By Publishers' Press.) PHILADELPHIA, Aug. 29.—George H. Earl, Jr., qualified this morning as receiver of the Real Estate Trust Co., which closed its doors yesterday afternoon. It is Mr. Earl's opinion that the concern will soon resume as directors have concluded to meet all claims of the depositors.

Depositors Are Angry.

A crowd of angry depositors congregated about the doors of the collapsed Real Estate Trust Co. today. The line blocked the city's busiest corner and details of police left on guard for over a mile were unable to cope with them. At first the depositors gave vent to emotions by tears but during the morning many mutterings were heard and some of the crowd voiced indignation in threats against officers and directors of the wrecked concern.

PHILADELPHIA, Aug. 28.—The Real Estate Trust Company, organized in 1885, the depository of nearly a million dollars of the funds of the Presbyterian church and holding \$300,000 of the money of the city of Philadelphia and \$175,000 of state deposits, today closed its doors. The failure was caused by heavy loans made by the late president, Frank Hipple, to Adolf Segal, a promoter, on insufficient security. A desperate effort was made to save the institution by the board of directors through an appeal to the clearing house association, but that body declined to subscribe a guarantee fund of \$7,000,000, because of insufficient security.

The liabilities are placed at \$10,000,000, with quick assets of \$3,500,000, and doubtful collateral amounting to \$8,000,000.

George H. Earle, Jr., president of the Finance Company, of Philadelphia, was appointed receiver and in a statement to the public he expresses the hope that he may soon be able to recommend a plan to the depositors that will better serve their interests and terminate his services.

PLAN AN ATTACK ON CONSULATES

(By Publishers' Press.) LIVERPOOL, Aug. 29.—An attack on consulates of various nations at many points throughout Russia with the object of involving the government in complications with foreign powers is being planned by Russian revolutionists as their next step in a campaign to force the government to grant reforms for which they are fighting. This is the news sent by a correspondent of the Post at Odessa.

A proclamation has been issued by radical section of socialist revolutionists, according to correspondent, in which their program is outlined. The matter is now in the hands of a committee of revolutionists, which is completing plans to have all attacks on consulates made simultaneously.

TWO MEN DROWNED IN FERRY ACCIDENT

(By Publishers' Press.) NEW YORK, Aug. 29.—Two men were drowned this morning when the Jersey Central Ferry boat Red Bank crashed into the naptha launch Hudson and splintered the little boat against the bulkhead of Jersey City pier. Fears are expressed that there may have been others aboard the Hudson. What was left of the yacht sank after the collision.

—E. B. Reese, Jr. has accepted a position with Watson's drug store.
