S.S.S. KILLS THE GERMS OF SCROFULA

The laws of nature and heredity are fixed and inviolable. Parents who are related by the ties of blood, or who have a consumptive tendency, or family blood taint, are sure to transmit it to their children in the form of Scrofula. Swollen glands, brittle bones, weak eyes, hip disease, pale, wan complexions, emaciated bodies, running sores and ulcers, and general weak constitutions are the principal ways in which the disease is manifested. Those who have inherited this blighting trouble may succeed in holding it in check during young, vigorous life; but after a spell of sickness, or when the system has begun to weaken and lose its natural vitality, the ravages of the disease will become manifest and sometimes run into Consumption. S. S. S. goes down into the circulation and forces out the scrofulous deposits, kills the germs and completely cures the disease. It changes the quality of the blood by removing all impurities and poisons and supplying this vital fluid with rich health-sustaining qualities. S. S. S. is a purely vegetable medicine and is especially adapted to systems which have been weakened and poorly nourished by scrofulous blood. Literature on scrofula and medical advice free. IT'S ON YOUR NEIGHBOR'S WALL. RODDICK'S Wood Fibre Hard Wall Plaster

On the 26th day of May, 1906, after having spent several years of my life in the victim of scrofula, I was taken to a friend to the Keeley Institute at Greensboro, for treatment. When I arrived at your Institute I was under the influence of whiskey, but after I had taken a few days the craving for drink left me and never from that time until this has the throat closed, and I am proud of having an opportunity of saying to the world that I believe the Keeley Institute one of the greatest institutions ever established. I can truly say that I believe the Keeley Institute does more for its patients to-day and I am sure that when one of your graduates goes back to drinking it is no fault of the cure. After having completed the treatment I returned to my home and everything seemed changed. I was added and in truth a new man, both in feeling and appearance, and now I am a good business man and am enjoying the confidence of all. I would beg any very unfortunates brother who is addicted to whiskey to go as fast as he can to the Keeley Institute at Greensboro, N. C., and be cured of his awful curse. W. S. JACKSON'S. DASH, N. C., Dec. 3, 1904.

RUNNING SORES COVERED LIMBS

Little Girl's Obstinate Case of Eczema—Instantaneous Relief By Cuticura—Little Boy's Hands and Arms Also Were a Mass of Torturing Sores—Grateful Mother Says:

"CUTICURA REMEDIES A HOUSEHOLD STANDBY"

"In reply to your letter I write you my experience, and you are privileged to use it as you see fit. Last year, after having my little girl treated by a very prominent physician for an obstinate case of eczema, I resorted to the Cuticura Remedies, and was so well pleased with the almost instantaneous relief afforded that we discarded the physician's prescription and relied entirely on the Cuticura Soap, Cuticura Ointment, and Cuticura Pills. When we commenced with the Cuticura Remedies her feet and limbs were covered with running sores. In about six weeks we had her completely well, and there has been no recurrence of the trouble. In July of this year a little boy in our family poisoned his hands and arms with poison oak, and in twenty-four hours his hands and arms were a mass of torturing sores. We used only the Cuticura Remedies, washing his hands and arms with the Cuticura Soap, and anointed them with the Cuticura Ointment, and then gave him the Cuticura Resolvent. In about three weeks his hands and arms healed up, so we have lots of cause for feeling grateful for the Cuticura Remedies. We find that the Cuticura Remedies are a valuable household standby, living as we do twelve miles from a doctor, and where it costs from twenty to twenty-five dollars to come up to the mountain. Respectfully, Mrs. Lattie Vincent Thomas, Fairmount, Wadkin's Ridge, Tenn., Oct. 13, 1905."

Complete External and Internal Treatment for Every Form of Eczema is Available from Doctors in Every County of Cuticura Soap, 25c; Ointment, 50c; Resolvent, 50c, in boxes of Cuticura Cream Pills, 25c per box of 100 pills, in bottles of 50 pills. A single bottle of Cuticura Soap, 25c; Ointment, 50c; Resolvent, 50c, will cure the most stubborn cases from all over the State.
