

EVENTS OF A DAY.

Police Kept Pretty Busy Yesterday As Usual On Circus Days.

A Number of Persons in Lock-Up Awaiting Mayor's Court.—Mrs. Holsten Shoots Young Man Who Had Attacked Her Husband.—Wounded Man Getting Along Very Well.—Other Notes.

There are a number of offenders in the lock-up awaiting today's session of the city court. A majority of them are negroes, but there are several white men in the cells and a still larger number out on bail. Then, too, up-stairs in the female department, there are several women who will also be given a hearing.

There was much drinking in town yesterday and the officers were kept on the go all day and last night as well. Many of our circus visitors came from the so-called dry towns and a few of them, it seems, tried to make Winston dry, too, from the condition they were in. Nevertheless, it was evident before night fall that the Winston "stuff" would throw the best of them, and as a result the need of a patrol wagon was once again brought to the attention of those who witnessed the manner in which some of the drunks were carried to the lock-up.

Shot by a Woman.

Bernie Leonard, a young white man, who celebrated the coming of the circus by filling up on corn juice, came to grief before the day was over. If his head had not been so hard he would probably have been enroute to a graveyard now, but as it is, he is lying out yonder in the hospital and the attendants say he will pull through all right.

Yesterday afternoon Bernie and his brother, "Ruff," were passing in front of the home of Mr. and Mrs. J. W. Holsten, on Main street, and started a racket with the aged Holstens by mistreating the Holsten dog. The boys went on down the street, but decided they would go back and whip the head of the Holsten family. They retraced their steps and climbed over the fence into the Holsten yard and in a few minutes Mr. Holsten had landed a right swing on Bernie's jaw, which necessitated Bernie measuring himself on the ground. Both the Leonard boys then began beating the aged Holsten, and Mrs. Holsten came to the rescue of her husband with a pistol in her hand. She did not lose any time in bringing the gun into action. One shot went through Bernie's hand and another struck him square in the forehead. "Ruff" Leonard had, in the meantime, taken to his heels and Bernie was left to the mercy of the Holstens. Seeing that they had put Bernie out of fighting commission, the head of the Holsten family dragged the wounded man out to the sidewalk and a passing wagon hauled him down to O'Hanlon's corner, where a crowd soon gathered to see "who's who" and "how come." The fellow was bleeding profusely and was soon taken to the hospital. There the physicians found that the ball had broken the skull, but had not entered the brain. It was taken out, and the wound dressed, and Bernie placed in a nice, clean cot, where he lies today wrapped in bandages.

Mrs. Holsten admitted the shooting to the officers, who told her that they would notify her when they wanted her. From what can be learned it appears that the Leonard boys were to blame for the whole affair. The Holsten couple are aged people.

From Louisville he will invade the "Solid South" and make a trip to the principal cities of every Southern state. He expects to set himself right with the Southern people on the issue of the government ownership of railroads.

CASES ARGUED IN SUPREME COURT

(Special to The Sentinel.)

RALEIGH, Sept. 4.—Appeals from the second district composed of Halifax, Northampton, Warren, Bertie and Hertford counties were called this morning in the supreme court. The only case to which any special interest attaches is that of Clark vs. the Patapsco Ware Co., which operated the big Smith farm in Halifax. The plaintiff in the case is Chief Justice Walter Clark of the North Carolina supreme court and the litigation involves damages to the farm of Judge Clark caused by the construction of a dam by the defendant company that backed water on lands owned by Judge Clark. A judgement for \$2,000 was secured in the lower court. It is understood that this case was docketed too late to be heard at this term and will go over under the rules. E. L. Travis is counsel for Judge Clark and Day and Bell for the Patapsco Co. The docket for the week consists of Liles vs. Lumber Co., Smith vs. Railroad, Foot vs. Railroad, Plittinger, ex parte, Evans vs. Freeman, Gerock vs. Telegraph Co., Smith vs. Lumber Co., Brown vs. Railroad, Vassar vs. Railroad, Tyson vs. Barnes.

Three Miners Are Arrested At A Mexican Mining Camp.

It is Alleged They Were Planning to Inaugurate a Form of Revolution in Mexico as Soon as Their Plans Were Perfected.—Plans Being Directed by Mexican Revolutionists in St. Louis.—It is Said Revolutionists Have Organizations in Forty Cities.

(By Publishers' Press.)

TUCSON, Arizona, Sept. 4.—Collins Humbert, Frenchman, Leonard White, and Brant Trivitt, Mexicans, were arrested today at Mowry and Palagonia mining camps where many miners are employed. The arrests were made by immigration inspectors and rangers. It is charged that the men are agitators who were attempting to organize a force of Mexican miners to attack Legales Seneca and capture the customs house and arsenal. Letters found on the prisoners show the plans were directed by Mexican revolutionist leaders in St. Louis. The letters indicated the revolutionists have organizations in forty cities and that they will become active as soon as they can secure arms. The alleged agitators are being held.

TREPOFF IS SICK.

"Most Hated Man In Russia" Suffers a Nervous Breakdown.

His Strenuous Work During Past Few Months In Protecting Czar And Quelling Revolutionary Outbreaks Tells on Him And Necessitates Appointment of a Successor.

(By Publishers' Press.)

ST. PETERSBURG, Sept. 4.—General Trepoff, commandant of the palace, is to be succeeded by Lieutenant General Baron Kleigels, according to report current today. Last week it was reported Trepoff had suffered a nervous collapse as a result of his trying experience as Czar's protector since the revolution began and had been compelled to give up his duties. Another report, which has been industriously circulated during the last few days, is that Trepoff had fallen under the Czar's displeasure and had been retired. This rumor has been denied as often as started.

Baron Kleigels, who is reported as Trepoff's successor, is a believer in the same methods of dealing with the revolutionists as those employed by Trepoff. As prefect of St. Petersburg and Governor of Kioff, Kleigels was responsible for the cruel reprisals against the revolutionaries and made himself one of the most hated men in Russia.

Ninety Professions.

A revival meeting, which is now in progress at Mayodan conducted by Rev. Edgar Holton, of this city, assisted by Evangelist Burdett and wife, of Texas, has resulted in ninety professions. Mr. C. E. GOLDFIELD TALKS OF NELSON-GANS FIGHT

(By Publishers' Press.) GOLDFIELD, Nevada, Sept. 4.—All Goldfield stayed up last night to talk about the big fight and when the chaff and clatter that followed from the mouth of men and women and children is winnowed there is but one conclusion and that is that Gans is a mighty popular fighter just now and can have almost anything in Goldfield. While praises for Gans are being sung there is nothing but condemnation for Nelson. There is no denying that Gans put up a great battle and fought it gamely and honestly. The decision was absolutely correct.

WOMAN'S RELATIVES THREATEN HUSBAND

(By Publishers' Press.) LEESBURG, Ga., Sept. 4.—Six months ago Miss Eva Green, daughter of a prominent family, was wedded to A. T. Wilson, after a brief courtship. One week after she learned her husband had negro ancestors. The girl informed her parents and the husband, believing her parents would kill him, fled. On petition of relatives of the girl Governor Terrell has offered a reward of \$500 for the arrest of Wilson. The girl's relatives made no secret of their intention to lynch Wilson if found. The girl is prostrated and is being watched to prevent her committing suicide.

DURHAM OFFICER SHOT BY A NEGRO

(Special to The Sentinel.) DURHAM, Sept. 4.—James F. Pleasant, constable of Durham township, was shot and seriously wounded this morning about 1 o'clock. He was shot in the back by a negro named Jim Brown, a desperate character.

The negro has so far made his escape but a posse is close after him and it is thought that he will be captured. Every effort is being made by officers and citizens to get him. Officer Pleasant went to the home of a woman named Laura Carroll for the purpose of serving a claim and delivery paper to take a stove. This Brown negro objected and when the officer insisted on taking the property called for Brown secured a pistol and shot the officer in the back, the ball passing through the back and lodging in the right lung. It is feared that there are internal hemorrhages that may be fatal. The negro then walked away and went to the woods.

After shooting the officer another negro named Henry Outlaw attempted to disarm the murderer and he was shot under the chin for his trouble. Outlaw was not seriously hurt. "Brown is a mean negro, having served a term on the roads in this county and having boasted that he served ten years in the Virginia penitentiary for killing a white man.

VIEWS OF MAYOR TOM L. JOHNSON

He Says That Roosevelt And Bryan Will Be Candidates In 1908.

ALSO PREDICTS BRYAN'S ELECTION THAT YEAR

(By Publishers' Press.)

CLEVELAND, O., Sept. 4.—In the opinion of Mayor Tom L. Johnson, Bryan's stand on government ownership of railroads makes it certain that Roosevelt will be the nominee of the Republicans for president in 1908. "Bryan's declaration of principles means two things," said the mayor, on his return from New York today; "nomination of Roosevelt and driving of thousands of Democrats out of the party. To all such Democrats I say 'God Speed,' for every one that leaves ten men of other parties stand ready to take his place. Roosevelt will be nominated, Bryan will be nominated, Bryan will defeat Roosevelt. That is my firm belief. Every Republican who is a protectionist in principle believes in government ownership. Farmers will be solidly in favor of it, so will every small shipper. They know the evils of private ownership and freight rate discriminations."

VISITOR HURT BY NEGRO YESTERDAY

George Penny, of Greensboro, was stabbed in the breast about 5 o'clock yesterday afternoon by an unknown negro in front of the Winstonia, the new hotel near the union passenger station. The negro fled and the wounded man, who was intoxicated, rushed into the office of the Porter Brewing Co., telling the manager that he had been badly cut. Penny removed his coat and vest. Blood was flowing freely from the wound. One of the men employed at the brewery telephoned to Dr. John Bynum, who arrived in a few minutes. Penny was removed to the hospital, where the wound, which was two or three inches long, was dressed. Penny left the hospital a few hours later. He went home today.

(Special to The Sentinel.)

GREENSBORO, Sept. 4.—Federal court convened this morning with Judge Boyd presiding. The case of United States vs. R. H. Hardin was called, and after a motion to continue was overruled, the trial was commenced. The defendant is charged with violation of section 3169 of the United States laws, in making false returns.

The witnesses examined at the morning session were Jackson Morris, Milton McNeill and A. P. Grace. There are a large number of witnesses and the case will consume several days, probably several weeks.

The defense is represented by ex-Judge S. B. Adams, ex-Judge W. P. Bynum, Jr., J. W. McNeill and W. W. Barber.

Can Spell as He Pleases.

Ex-Postmaster Tye Glenn, of Greensboro, was in the city yesterday. While here he purchased two fine mules for his farm seven miles from Greensboro.

"I believe you are now a free American citizen," remarked a friend to the ex-postmaster.

"I certainly am; I can use Roosevelt's new speller or let it alone; in fact I can spell as I please," said Mr. Glenn, who seemed delighted that he is out of office. Mr. Glenn has sold his river farm in Yadkin county.

With the County Fathers.

The county commissioners were in session today. Mayor Eaton appeared before the board this afternoon in regard to the use of the court house square during the present month for the band concerts. The mayor agrees to sow grass seed and fertilize the square this fall. Upon this promise the request was granted. The board, after allowing a number of claims and passing upon tax matters, adjourned to meet on the 17th inst.
