MARRIAGE OF MR. BRITTON IN RALEIGH

(Special to The Sentinel.) RALEIGH, Sept. 19.—At 10 o'clock yesterday morning in Edenton Street Methodist church Mr. Edward E. Britton, city editor of the News and Observer, was united in marriage with Miss Norma Safford Hardy, daughter of Capt. W. T. Hardy, of Vance county, the ceremony being by Rev. R. H. Whitaker, who has for many years been a regular contributor to the columns of the News and Observer. The church was prettily decorated for the occasion and there were present a large number of relatives and friends to witness the ceremony which was one of the prettiest of the season.

The dame of honor was Mrs. Gilbert Ottmann, of Savannah, Ga., a sister of the bride, and the best man was Mr. Henry Hagley, business manager of the News and Observer. The bride was given away by her father, Capt. Hardy, and the ushers were Major Charles H. Gattis, Mr. W. B. Jones, Capt. Van Dusen Stronach and Mr. Geo. P. Hardy, of Atlanta.

The bride wore an especially handsome travelling dress of Alice blue. She carried a lovely bouquet of bride's roses.

The bride is a talented young woman of attractive personality and has during her several years residence in Raleigh won for herself many admiring friends. The groom is well known in this State and South Carolina, having achieved success as a school teacher for a number of years and later entered newspaper work, in which he has been no less successful. Their many friends wish for them an abundance of happiness and success.

Mr. and Mrs. Britton left on the 10:30 train for Norfolk, where they will take a steamer for New York and other points of interest North. On their return to Raleigh they will keep house on Oakwood Avenue.

THREE KILLED IN RAILROAD WRECK

(By Publishers' Press.) LAWTON, Okla., Sept. 19.—Reports from the scene of the Rock Island Railroad wreck near Dove, on the Cimarron river, do not bear out the early estimates as to the loss of life. Railway officials insist that only nine persons were riding in the smoker when it plunged into the river, all of whom have been accounted for except three. No bodies have been recovered. The inaccessibility of the place where the train went through the bridge makes the work of search for the missing very difficult.

ATTEMPT TO MURDER A PROMINENT MAN

(By Publishers' Press.) MOBILE, Ala., Sept. 19.—News received here from Igo, Miss., tells of a desperate attempt to murder Joseph Samms, a well known lumber man, for the purpose of robbery. Samms was on his way to a mill which employs several hundred hands with the week's pay roll, amounting to several thousand dollars. He was shot from ambush and fatally injured. At the first shot the horse took fright and ran away and this saved his life as five more loads from double-barreled guns were fired at him.

DAMAGE SUIT IN COURT.

Negro Boy Suing R. J. Reynolds Tobacco Company for \$2,000. Today's session of the superior court was taken up in the trial of a damage suit against the R. J. Reynolds Tobacco Co. The plaintiff is Willie Rowland, colored, whose parents allege that he is only 11 years old. The boy had one hand torn off in a jump machine while in the employ of the Reynolds Company. The case came up a year ago, but was non-suited by Judge E. B. Jones, who was presiding at that time of the court. Counsel for plaintiff appeared and the supreme court decided that the boy was entitled to a trial before a jury. The plaintiff asks for damages in the amount of \$2,000. The case was given to the jury late this afternoon.

Fine Show Tomorrow Night.

"The Sultan of Sulu," which will be presented here tomorrow night, is a splendid musical comedy by George Ade and has been warmly greeted by theatre-goers wherever it has appeared. The company appeared in Norfolk and Wilmington recently and the papers of both cities have spoken in highest terms of the performance. "The Sultan of Sulu" has many fine song hits, beautiful scenery, hand-some costumes and attractive chorus girls. The company is a large one and of a high class in every respect, according to the newspapers in the towns where it has appeared. Seats on sale at O'Hanlon's.

Zimmerman and Lester have secured the contract to draw the plans for a fine residence to be built at Mount Airy by Mr. W. F. Carter.

FUNERAL OF DR. CHAS. D. M'IVER TODAY ATTENDED BY HUNDREDS

People From All Parts of State Gather To Pay Tribute Of Respect To The Distinguished Educator Whose Sudden Death Came As Such a Terrible Shock—Funeral Services Conducted By Dr. L. W. Crawford, of Reidsville—Interment Was In Green Hill Cemetery.

(Special to The Sentinel.) GREENSBORO, Sept. 19.—The funeral of Dr. Charles D. McIver, president of the State Normal and Industrial College, who died on the Bryan special train near Durham Monday, was held from the First Presbyterian church this morning. The attendance was the largest that has ever been seen at a funeral in this city. Many were turned away from the church on account of a lack of seating capacity. Never has such a cortege been seen in Greensboro or surrounding country.

The service was conducted by the Rev. Dr. L. W. Crawford, pastor of the Main Street M. E. church, Reidsville, and a lifelong friend of the deceased. Assisting him in the service were the Rev. Charles E. Hodgin, pastor of Westminster Presbyterian church, and the Rev. R. Murphy Williams, pastor of the Walker Avenue Presbyterian church. The Winston Presbytery of Masons, of which the deceased was an honored member, also participated in the service, as did local fraternities.

Dr. Crawford paid a splendid tribute to the life of the deceased, and in glowing words told of the work he had done for the uplifting of the masses in North Carolina and the South. The exercises at the grave were most impressive.

In the large number of people that attended the services today were many former students of the college, as well as a number of those who are students at present. They came from far and near to attend the service. There were also present nearly all of the members of the board of trustees, Dr. E. A. Alderman, president of the University of Virginia, Drs. Eben Alexander and M. C. S. Noble, of the State University; Dr. G. T. Winston, of the A. & M. College, Raleigh; Walter H. Page, editor of World's Work, and Wallace Burdick, general secretary of the General Education Board, the two latter of New York.

Cuban Government And Rebels Unable To Make A Compromise.

Secretary of War Taft And Assistant Secretary of State Bacon Arrive at Havana And Find Things Still in An Unsettled State.

(By Publishers' Press.) HAVANA, Sept. 19.—Secretary Taft and party arrived here on the Des Moines at 2 o'clock this morning. It is reported that there is a serious hitch in peace negotiations. The rebels, it seems, have adopted an obstinate attitude and are refusing to reduce their demands. It is regarded here as probable that under the circumstances of aiding Palma in his plan for stalling American interference, the negotiations have in reality been breaking negotiations purposely to make Taft's aid necessary.

TREPOFF BURIED. SULLIVAN'S REPLY.

Funeral Services of The Most Hated Man In Russia Not Disturbed.

It Was Feared That Terrorists Would Attempt to Blow Up Church in Which Services Were Held But Strong Guard Was Present to Prevent Anything of This Kind—Czar Did Not Attend Funeral.

(By Publishers' Press.)

ST. PETERSBURG, Sept. 18.—There was a strong military guard at the funeral of General Trepoff held from the church at Peterhof this morning owing to fear of authorities that terrorists would attempt an outrage in connection with the funeral. The greatest precautions were taken so that an opportunity for a demonstration of any kind was not given. Every available Cossack was used to guard the church and all approaches thereto and soldiers were stationed at all points of vantage. Instructions were given guards to shoot anyone trying to approach too near to the church.

The emperor was not in attendance at the funeral. Arrangements were made for him to attend but the royal yacht, after remaining several hours at open sea yesterday waiting for a chance to turn into Peterhof suddenly started for Korhe, where the czar will remain until tomorrow.

FOURTH DISTRICT APPEALS ARGUED

(Special to The Sentinel.)

RALEIGH, Sept. 19.—The argument of fourth district appeals began in the supreme court yesterday and will continue for the greater part of the week. A notable state case is State vs. Shepherd from Nash county in which the defendant was convicted of selling lightning rods without paying the license imposed by the revenue act. The contention of Shepherd is that he is not liable for the tax and the manner in which he conducted it put it under the jurisdiction of the inter-state commerce laws in that he made no charge for putting up the rods and shipped them to the purchasers from without the state. Gilliam & Gilliam represent defendant and Attorney General Gilmer argued for the state.

State vs. Burnett is another case of interest, the defendant being charged with abducting a girl under 14 and inducing her to go from her father's house in Vance county to McCall, S. C., to work in a cotton mill. In the trial below Burnett was sentenced to work two years in the penitentiary.

NEW ADDITION TO CITY MARKET.

Fish And Game Department—Will Be Modern In Every Respect.

Plans are being drawn for addition to be built to the city market for the fish and game department. The addition is to be 32x107 feet and will join the present market building on the north. There will be about twelve stalls in the new addition. They will be finished and fitted with all modern conveniences. Each stall will have a distinct basin for displaying fish or game with fountain attachment.

The new fish and game building will be strictly sanitary. The floor will be cement, with a center drain from all stalls.

Work on the building will be commenced as soon as the plans can be completed by Messrs. Zimmerman and Lester and the contract awarded. When completed Winston will have a market house second to none in the State.

BLOCKADE PLANT DESTROYED.

Deputy Marshal Carroll Assists in Raid in Yadkin County.

Deputy Marshal Carroll left today for Wilkes and Ashe counties to assist deputy collectors in some field work. He returned yesterday from a raiding trip in Yadkin county. Assisted by Deputy Collector Harkins and special deputy Myers he destroyed a blockade plant half a mile from Foothills. The officers found only one gallon of whiskey, but several hundred gallons of beer. A young man was in charge of the still, but he ran when he saw the revenue men approaching.

Saint Revis, on whose land the plant was found, was arrested and will be tried on the 25th inst. The officers met him going in the direction of the "moonshine" house, though he denied having any knowledge of the plant.

W. H. Borer, a native of Salem, but for many years a resident of Philadelphia, is expected here tonight or tomorrow to visit relatives. He has been at Blowing Rock for several weeks.

Says He Was Misquoted in Statement About Senator Bailey, of Texas

Illinois National Committeeman Says Statement Purporting to Come from Him And Which Brought Forth Heated Reply from Bailey Did Him a Great Injustice As He Did Not Say What He Was Reported as Saying.

(By Publishers' Press.)

CHICAGO, Illinois, Sept. 19.—Roger Sullivan, national committeeman of the Democratic party of Illinois, is angry because of the publication in the Chicago papers of an interview in which Sullivan is made to say if he was to be read out of the Democratic party because he was connected with the Ogden Gas Co., then Senator Bailey ought to be treated similarly, because he was interested in Standard Oil Co.

The story went out and Bailey came back last night in a hot reply. He said if Sullivan said what he was reported as saying then Bryan was right in declaring that he was not a fit committeeman.

When Sullivan read this statement from the Senator from Texas he declared he had been misrepresented and misquoted and denied the statements attributed to him in the publication.

"The first thing I will do," he said, "is to send a telegram to Bailey telling him the story is a lie out of the whole cloth."

PRINTING CONCERN IN RALEIGH CHARTERED

(Special to The Sentinel.)

RALEIGH, Sept. 19.—A charter is issued for the Edwards & Broughton Printing Co., of this city to take over the business of Edwards & Broughton, conducted for the past thirty-five years by C. B. Edwards and N. H. Broughton, printers and binders and makers of office supplies. The capital is \$25,000 subscribed and \$100,000 authorized. A lithographing plant is to be added and the company will erect a building of its own. Messrs. Edwards and Broughton own the principal stock.

MAN IS CONVICTED ON BIGAMY CHARGE.

(Special to The Sentinel.)

RALEIGH, Sept. 19.—Sheriff Dawson, of Edgecombe county, was here yesterday to deliver to the penitentiary J. P. Anderson who is under sentence to serve two years for bigamy. He had two wives living within three miles of each other. The first wife testified on witness stand that she did all she could to keep her husband from marrying the other woman but he would marry her. He didn't profess to be a Mormon either.

THE BRYAN CROWD.

Greatly Underestimated by Our Own Citizens.

To the Editor: Our own people have shown themselves poor estimators of crowds. I see The Sentinel says there were from six to eight thousand that heard Mr. Bryan. This was an underestimate as is apparent to anyone who saw the crowd at Mr. Buxton's home.

There were 1600 at Mr. Buxton's when Mr. Bryan spoke to the school children. This is easily shown. The Salem Academy, Salem Boys' School and Graded Schools made 1520 and there were certainly 70 others, and yet the lawn was not covered. There were at least five times, if not eight times as many people at the court house front to hear him. Anyone with eyes can easily figure it out that there were as many people in the windows of the buildings behind Mr. Bryan as could possibly get on Mr. Buxton's lawn.

Mr. Red Buck Bryant, of the Charlotte Observer, says there were over 5,000 in the group immediately in front of Mr. Bryan, and he told a party here he counted over a thousand in the three balconies of the court house. The St. Louis Republic representative and reporter of the Associated Press estimated the entire crowd at 10,000, while Mr. R. L. Gray, of the News and Observer, says there were 8000 people who could catch the drift of the argument and 15,000 in all on the square and in the windows of the buildings and on the grandstand.

A Confederate soldier, accustomed to seeing troops in solid squares, states that had the entire front of the court house square and street been full of soldiers, standing in lines two feet apart, it would have held 17,000. The Bryan crowd, except on the outskirts, was like sardines packed, and it takes one experienced to estimate it. KEEP HISTORY STRAIGHT.

The "tacky party" at the Twin-City Skating rink on last Monday night was highly enjoyed by all present. The judges were Messrs. Dean, Whaling and Liville, who, after passing judgment on all the "tackies," awarded the skates to Master Allston Palmer. There were nearly 500 people present. The boys intend giving a masquerade party on Friday night, the 28th of this month.

R. H. Wheeler was in the city last night, stopping at the Winstonia.
