WHAT IS CATARRH?

Simple Way to Overcome the Dangers of This Disagreeable Disease.

Catarrh is an inflammation of the mucous membrane of the nose, throat and lungs, with many annoying symptoms. In this climate there are few who do not suffer from this disagreeable disease, often in a chronic and dangerous state.

Fortunately within the last few years, a simple and reliable treatment for catarrhal troubles has been found—Hyomel, a combination of healing and germ-killing balsams, that, when breathed through the neat pocket inhaler that comes with every outfit, reaches the thinnest cells of the respiratory organs, carrying its healing and health-giving properties to every part where the catarrhal poison is present.

Used in this way, Hyomel kills all catarrhal germs, drives the poison from the system, and heals all irritation that may be present in the mucous membrane.

If you have the ordinary catarrhal symptoms, such as offensive breath, burning pains in the throat, cough, clogging of mucous, difficulty in breathing, sneezing, huskiness, discharge from the nose, droppings in the throat, coughing spasms, etc., begin the use of Hyomel at once.

A complete Hyomel outfit costs but 10 extra bottles, if needed, 50 cents, and is sold by E. W. O'Hanlon, dealer in absolute guarantee that it will cure catarrh or money will be refunded.

AN OPEN LETTER.

To The People of Winston-Salem.
 To Whom It May Concern:
 Of late there has been a good deal of discussion in Winston-Salem in regard to advertised medicines and their value—the papers are full of them.

We want to say to every man, woman and child in Winston-Salem that we believe the most valuable preparation of cod liver oil—the best tonic, restorer, health restorer and strength creator—we have ever sold in our store is Vinol.

Vinol is not a patent medicine, it contains no injurious drugs, but it actually does contain all of the medicinal, nutritive elements taken from fresh cod's livers, without a drop of the useless oil to upset the stomach and retard its work, and tonic iron added.

Vinol is recognized throughout the world as the greatest strength creator for old people, weak, sickly women and children, nursing mothers, and after a severe sickness.

Vinol cures hacking coughs, chronic colds, bronchitis and all throat and lung troubles. We ask the people of Winston-Salem to try Vinol on our offer to return money if it fails. E. W. O'Hanlon, druggist.

Note—While we are sole agents for Vinol in Winston-Salem it is now for sale at the leading drug store in nearly every town and city in the country. Look for the Vinol agency in your town.

S.S.S. CURE FOR BLOOD POISON

The first outward sign of Contagious Blood Poison is a red eruption appears on the body—the face and throat begins to come out, glands in the neck and groin swell, spots appear on the breast, back, etc., and the unfortunate has diseased from head to foot. Mercury and patch do not cure Blood Poison; they shut the disease up in the system and ward symptoms for awhile, but when the treatment is removed, then the system being weakened from the poisons, the disease makes more rapid headway than before. S. S. S. is a permanent antidote for Contagious Blood Poison. It goes permanently by going down into the blood and removing every particle in free from all minerals, and while purifying the blood, it purifies the system by its fine tonic effects. S. S. S. destroys every particle and removes all danger of transmitting it to others. S. S. S. cures Blood Poison because it is a perfect blood purifier. Instructions for self treatment and application of S. S. S. are given in the book.
