# PROGLAMATION

That Money State's Ghief Executive Appoints Thursday, November 29, as Thanksgiving Day.

> in His Proclamation To the People of North Carolina Governor Glenn Calls Attention To the Fact That the Good Things During the Past Year Have Far Outweighed the Unpleasant Ones and Speaks of the State's Rapid Progress Along All

(Special to The Sentinel) RALEIGH, Nov. 14 - Gov. Glenn is a proclamation designating Thursday, November 29, as Thankgiving Day. In the course of the peaclamation the governor declares I at while excessive rains have damaged the crops and while during the year public peace has been marred twice non by nots of lawlessness, yet our amul-H. fold blossings have so far surpossed nee our temporary ills they give us clu e for thanksgiving and prayer. He dearge clares the increase in the State about wh- agricultural, industrial, educational May at and moral lines has far exceeded his fondest hopes and elecational progress is source of congratulation as sys longer terms, more efficient teachers. mil better school houses and equipment mark progressive period in school life while growing remperance and priglous spirit voices a moral condition, never before witnessed.

### E PASSENGERS. NEGRO KILLS TWO ASHEVILLE POLICEMEN

bravely in defense of their police captain, Patrolmen Charles Blackstock and William Bailey, two of the most, efficient members of Asheville's police force, were shot to death on South gro who proclaimed that his name was Will Harris, of Charlotte, a desperado, for whom a targe reward has been standing for some time

Prior to the death of the two officers, a negro restaurant-keeper nam- Count Boni Will Be Allowed To See ed Ben Allison fell dead at the hands of Harris, who, handling a rifle, killed him without provocation. Another as gro. Tom Nelli, lies fatally wounded. both negroes being shot before the of ficers took a hand in the melec.

Harris started out on his death-dethe prepared, but ing tour from a negro house on Val- tellane was today granted a decree of become mossed this ley street. He fired into two houses absolute fixarce and custody of her as he made his way up Main street three children as a result of desperate

ahead. It is reported that Captain the court. 11-To linony Page met the negro in the center of Dated States court Main street, the former receiving a Starged who giving rifle. The wounded captain called up-The rall on Blackstock to fire, but before the have given relates officer could do so, he fell dead with

The greatest excitement followed the The most like like Bernard for the purpose of call JUROR WAS OFFERED would all death, log out the militin companies, and seven to Advance eral posses quickly formed to take the The fur the pursuit of the murderer.

The store of the Asheville Hard ware Company was broken into by the of afternoon at police officers and the peace were Commer burn, armed with rides and shotgons.

Teaves a wife and child, and Officer of run on course of command course at Ker. Balley leaves a wife and three child spears, we twice affored a O.M. of the contract of the course of th
