IS STORY ONE OF CALVE'S JOKES?

(By Publishers' Press.)
MARSEILLES, Nov. 26.—Mme. Calve's blind millionaire fiance is now believed to be one of her jokes. The report that Eugene Higgins, America's richest bachelor, is to marry the singer is positively denied today by Mr. Higgins, who has been cruising in the Mediterranean. Mme. Calve's friends treat the story of the millionaire lightly.

What Registrars Received.
One of the registrars for the recent election thinks the amounts paid them last week by the county commissioners may not have been understood by the public generally. The registrar was required to pay the judges of the election, rents, etc., out of the amounts received. In other words the registrars received only \$1.50 a day each for their services.

Ex-Judge H. R. Starbuck went to Colfax this morning to see his uncle T. C. Starbuck, who is dangerously ill. He was accompanied by Dr. S. J. Montague.

Many Italians Want Their Government to Make Diplomatic Protest to U.S.

They Claim That Treatment of Italian Spectators By Prosecuting Official At Caruso Hearing The Other Day Should Be Made The Basis of a Formal Complaint.

(By Publishers' Press.)
ROME, Italy, Nov. 26.—International complications may result from the arrest of Caruso in New York. The alleged insult to Italian spectators at the recent hearing by Prosecuting Marshal has greatly aroused the people, and there is a general demand that the Italian government take diplomatic action.

ORPHANAGE TO HAVE A FULLER SUPPORT

(Special to The Sentinel.)
RALEIGH, Nov. 26.—In future the Methodist Orphanage here is to have the support of all the Methodists in the State, instead of just one of the two Conferences, as in the past. It was founded by the North Carolina Conference, which includes all the eastern portion of the State and as far west as Greensboro. However, the Western Conference has now joined forces with the sister conference in this work. The orphanage assessments are ten per cent of the pastors' salaries paid by the various Methodist congregations. The main building of the orphanage plant here cost \$20,000, and the orphanage property is valued at \$60,000. Rev. J. N. Cole is now superintendent.

There were Saturday thirty-one smallpox cases in the pest house here, none of them dangerous. There are three white cases, one of them in the pest house. The other two are white women who are closely quarantined in their homes. Negroes are very much stirred up over the spread of the disease among their race and some are asking that the public schools for their race be closed and other that congregations be forbidden to assemble in the churches.

Joe Hickness, colored, was arrested here Saturday under orders from the authorities of Jersey City where he is wanted to answer the charge of killing a woman there November 10 by strangling her to death. The Jersey City authorities had traced him here and notified the chief of police that he was here visiting his aunt. He was at her home when arrested. He insists that he has not been to Jersey City, but has been running a bar in Atlantic City. A detective is coming from Jersey City to identify and carry the prisoner back with him.

Sales on Local Market Last Week Aggregated Nearly 2,000,000 Pounds.

It Appears Now That Bulk of the Crop Will Be Sold By Christmas—There Will Be No Sales At Warehouses Thursday of This Week, It Being Thanksgiving Day.

The leaf tobacco sales on the local market last week aggregated 1,762,582 pounds. The warehousemen expected that the week's breaks would smash all former records, but the figures show that the sales fell short about 60,000 pounds, compared with 1,822,582 a month ago.

The change in the weather will affect the sales this week. With favorable seasons it is generally believed that the bulk of this year's crop will be marketed before Christmas.

The warehousemen have agreed not to sell on Thursday, Thanksgiving day.

IS CHARGED WITH NEGLECTING SICK CHILD

The police yesterday arrested Edward Faison, a seaman, who stands charged with neglecting, while sick, his child, which died a few weeks ago. The officers say Faison has been neglecting them ever since the child died. His home is in Blountown, but it appears that he has not been staying there since the report went out that a warrant had been issued for his arrest. He was found yesterday some distance from his home.

Faison denies that he is a Christian scientist and says he is not a faith healer. When seen this afternoon, Ed said: "I've paid out nearly everything I've made this year to doctors. I'll come to Dr. Hall now."

Faison will probably be given a hearing before Mayor Eaton this afternoon.

MISS GOULD ASKED TO BUY BUILDINGS

(By Publishers' Press.)

raising of a national flag at the Murphy school building in this city by the Capital City Council of the Junior Order. On the same day State Auditor B. F. Rev. E. S. Crosland Preaches to the Juniors of Winston-Salem.

Large Number of Members of Junior Order United American Mechanics Attended Special Service At Calvary Moravian Church Yesterday Morning and Heard Splendid Discourse By the Pastor.

One of the largest bodies of members of the Junior Order ever assembled on the occasion of a special sermon to that order was assembled at Calvary Moravian church yesterday morning at the invitation of Salem Council, No. 14, to hear the pastor, Rev. E. S. Crosland, deliver a special Thanksgiving sermon.

Mr. Crosland took for his text, John 12:17, "If ye know these things, happy are ye if ye do them."

The main auditorium and the galleries of Calvary church were crowded and many who heard the discourse say that the sermon was one of the best ever delivered from a local pulpit to that order.

Mr. Crosland dwelt on the principles of the order, the work that had been accomplished and the work to be done by that body in making the world better.

The local councils of the Junior Order now have more than 600 members.

DESERTIONS FROM ARMY INCREASING

(By Publishers' Press.)
WASHINGTON, Nov. 26.—Notwithstanding the efforts of the War Department, desertions from the army are continually growing. General A. F. Alworth says: "The number of desertions during the year reached 7.75 per cent of the whole number of enlisted men. Last year it was 6.8 per cent. Twenty-five per cent of all desertions occurred during the first three months of service."

(By Publishers' Press.)

Bloodshed Follows Dispute in Chicago Over Lecture to Be Delivered by Senator Tillman in That City Tomorrow Night—Negroes Urge the Mayor to Prevent Speaking.

(By Publishers' Press.)
CHICAGO, Nov. 26.—The first bloodshed as the result of the latter dispute over the coming lecture of Senator Tillman, which the negroes are trying to prevent, has occurred. Arthur Keho, white, is dying, and John Fleming, a negro, is under arrest charged with shooting Keho in a dispute over Tillman. Malcolm and Brakusa, negroes, were wounded in the dispute.

Mayor Will Not Preside.

CHICAGO, Ill., Nov. 26.—The negro situation suddenly brought to acute stage by utterances of Senator Ben Tillman came to climax with announcement by Mayor Dunn that he will not preside at a meeting tomorrow night where Tillman speaks. The mayor was called upon by a committee of negroes, headed by Rev. A. J. Carey. The committee denounced the senator as a believer in mob law. They asked Dunn to prevent the Tillman speaking. "I cannot prevent his speech," said the mayor, "but I will refuse to act as the presiding officer. I find he is an advocate of lynching men accused of crime, both white and black."

The news was received with tremendous applause when announced by Rev. Carey at Bethel church. He declared Roosevelt was prejudiced in disbanding those negro troops.

PATRICK AT WORK

Condemned Man Continues in Death Cell His Campaign for Liberty.

In spite of announcement that Governor Higgins will commute his sentence to life imprisonment, he is going right along with his campaign for a complete vindication, unaffected by the report that Governor Higgins will commute his death sentence to life imprisonment. When informed of the governor's decision Patrick showed no emotion.

"I never believed he would be executed," declared his faithful wife. "He never believed it either. We will now prove he is innocent."

Patrick was declared guilty of the murder of William Marsh Rice.

Appeal Continued on Docket.

WASHINGTON, Nov. 26.—The Supreme Court will continue on the docket appeal of Lawyer Albert T. Patrick, sentenced to die in the electric chair at Sing Sing, despite the reported promise of commutation of sentence to life imprisonment. The case will possibly not be reached before next October term. Should Patrick's attorneys ask to have the appeal dismissed, there is a chance that Patrick may escape even prison; otherwise the case will be heard in open court, and the court will pass upon the question of a new trial.
