**THIS DRUGGIST'S EXPERIENCE.**

Should Interest Winston-Salem People.

Mr. Jos. F. Bradley, a prominent druggist of New Brunswick, N. J., writes: "I have sold Vinol, the cod liver preparation without oil, for the past three years, and it has given perfect satisfaction.

"I now use Vinol in my family and can highly recommend it. It is always a pleasure to recommend a medicine that I have found to be first-class."

The reason Vinol is so fast in relieving and so far superior to old-fashioned cod liver oil and emulsions is because it contains all the medicinal, body building elements of cod liver oil actually taken from fresh cod's livers, with all the useless and nauseating oil eliminated and tonic iron added.

Vinol makes pure, rich blood. It is delicious to take and the weakest stomach can retain it.

As a body-builder and strength creator for old people, weak women, delicate children, after sickness, and for all pulmonary diseases Vinol is recommended by over 5,000 of the leading druggists of the United States. Your money back if it does not do all we claim for it. E. W. O'Hanlon, druggist.

Note—While we are sole agents for Vinol in this city, it is now for sale at the leading drug store in nearly every town and city in the country. Look for the Vinol agency in your town.

**AGED MAN KILLED IN NEW YORK CITY**

(By Publishers' Press.)

NEW YORK, Nov. 28.—An automobile ran down and killed Frederick N. Bacht, 77 years old, last night, then sped on. Police were unable to ascertain number. Orders have been given to search for the automobile bearing 15 Benjamin Thaw, half brother of Harry, whose machine is supposed by the police to be one that killed the old man. Benjamin Thaw announced recently that he was prepared to spend \$10,000,000 defending Harry for murdering Stanford White.

**DO NOT DOSE THE STOMACH.**

Cure Catarrh by Breathing Hyomei—Sold Under Guarantee.

The only scientific and common sense way to treat catarrh of the nose and throat is by a local application that will kill the catarrhal germs.

Ordinary stomach dosing is worse than useless. Taking medicine into the stomach to cure catarrh of the head can have no good effect, and often leads to serious derangement of the digestive organs.

By breathing Hyomei three or four times daily through the neat pocket inhaler that comes with every outfit, its medicated, healing air penetrates to the most remote parts of the nose, throat, and lungs, searches out and kills all catarrhal germs, and soothes and heals any irritation in the mucous membrane.

E. W. O'Hanlon's faith in the wonderful merit of Hyomei as a cure for catarrh is shown by the guarantee he gives with every Hyomei outfit that the money will be refunded unless the treatment gives satisfaction.

A complete Hyomei outfit, consisting of a pocket inhaler, a bottle of Hyomei and a medicine dropper, costs but \$1, extra bottles of Hyomei, if needed, 50 cents. E. W. O'Hanlon gives his personal guarantee to refund the money if Hyomei does not relieve, so that you run no risk at all in buying this reliable remedy.

**Public Speaker Interrupted.**

Public speakers are frequently interrupted by people coughing. This would not happen if Foley's Honey and Tar were taken, as it cures coughs and colds, and prevents pneumonia and consumption. The genuine contains no opiates and is in a yellow package. E. W. O'Hanlon.

**Christmas Entertainment.**

Advent Sunday school will have its Christmas entertainment Sunday night, December 2nd. It is located just six miles south of Winston-Salem at the forks of the Salisbury and Wauhinnow roads.

**Regarding New Counties.**

With the meeting of the next legislature will come the customary demand for the formation of new counties made up from one or more of the present counties. The aldermen of High Point have endorsed such a project with that thriving metropolis as the county seat. Rockingham county is also considerably interested since the burning of the court house at Wentworth. Some favor rebuilding at Wentworth and others favor a division of the county with Reidsville and Madison respectively. Statesboro, Madison respectively as the seats of government. Other sections of the State are to be heard from and the possibility is that there will be a great many more applications for such privileges than favorable results, as is usually the case with the convening of every General Assembly.—Ex.
