

WIN=CITY DAILY SENTINEL

WINSTON-SALEM, N. C., TUESDAY EVENING, DECEMBER 4, 1906

PRICE 5 CENTS

TO SUPREME COURT AGAIN

Winston Cigarette Machine Co. Case Against Wells-Whitehead Co.

Exception Taken By Plaintiffs on Judge Ward's Ruling As To Submission of Issues—Cigarette Machine Company Secured Judgment for \$5,200 At First Hearing—Defendant Wins in Horse Trading Case.

In the Superior Court today the suit of S. G. Doub vs. E. F. Long, resulting from a horse trade, was given to the jury about 12 o'clock. It is estimated that the costs of this action will aggregate over \$300, which will be more than the horses and mule traded were worth. The jury returned a verdict this afternoon in favor of the defendants—that he did not "guarantee to plaintiff the horse to be sound and a reasonable worker, with no tricks."

The second case called was the Winston Cigarette Machine Co. vs. the Wells-Whitehead Co., of Wilson. The contention of the plaintiffs is that the defendants failed to carry out a contract by not exhibiting and operating a cigarette machine manufactured by the Winston Company during the St. Louis Exposition. The case was heard at a former term of Forsyth Superior Court and the jury awarded the plaintiffs \$200 as actual damages and \$5,000 as prospective. The Wells-Whitehead Co. proposed to pay the \$200, but not the \$5,000. An appeal to the Supreme Court followed and a new hearing was granted. Ex-Congressman F. A. Woodard and H. G. Connor, Jr., two prominent lawyers of Wilson, are here representing the Wells-Whitehead Co. Mr. W. W. Carter, a member of said company, is also attending the trial.

Under the ruling of Judge Ward as to submission of issues, counsel for the Winston Cigarette Machine Co., the plaintiff, excepted and gave notice of appeal to the Supreme Court.

OFFICERS ELECTED FOR COMING YEAR

Yesterday being the last monthly meeting for 1906 of the Hospital Association, there was considerable business to dispose of.

The reports were read of the different committees; the one in reference to the thanksgiving offerings being especially gratifying. The association feels very grateful for the kindly remembrances in donations from various sources, the Moravian churches being very generous in their contributions, they taking up collections at their thanksgiving services particularly for this purpose. The Home Moravian church sent \$78.55; Calvary church, \$10.55; Christ chapel, \$8.00. Total, \$97.10. Old Town sent a nice collection of vegetables and canned fruit; St. Paul's Episcopal church gave a generous bag of oranges; Mrs. Suttonfield's Circle of the Presbyterian church has been giving for nine months \$3.00 per month for pantry supplies; Calvary church, besides giving money, sent flour, sugar, apples and potatoes. The city schools, as usual, did not forget the hospital, and sent a liberal donation in package groceries, such as coffee, prepared foods, tea, etc. These tokens of kindly remembrance are greatly appreciated by these ladies, who feel keenly the responsibility of carrying on the hospital work and feel that a little from many individuals would relieve them of very embarrassing places, besides helping an institution of which we may well feel proud. The following officers were elected for the coming year:

President: Mrs. J. P. Taylor; vice-president, Madeline J. F. Simpson; E. L. Lockett, and Mrs. A. G. Davis, treasurer. Mrs. E. R. Shedd, secretary. Mrs. W. H. Lott. The executive board consists of Mrs. J. P. Taylor, Mrs. J. M. Hardin, and Mrs. J. L. Reddick. The committee on finance is composed of Mr. James H. T. Johnson, E. A. Elton, and W. L. Clegg. The training school committee is Mrs. H. S. Lott and the president is Superintendent.

A LIGHTED GIGARETTE AND A KEG OF POWDER

A deplorable accident occurred at Pine Ridge, about 12 miles north of Mt. Airy, Sunday afternoon about 2 o'clock. It appears that five men and a boy, whose names were not learned, were in a store conducted by a Mr. Boyles, when one of the men, who was smoking a cigarette, threw it into kegs of powder, while he exploded and seriously injured every one in the store. It is thought one or two of the men will not recover. The store and its contents were burned. All the parties are prominent people in the neighborhood and the dreadful accident is deeply regretted.

President's Message Read in Both Branches of Congress

This Document Deals With a Number of Important Questions—In Conversation, the President Says That He Stands Ready to Furnish Full Information About Dismissal of Negro Troops—Smoot Case to Be Brought Up Soon.

(By Publishers' Press.)
WASHINGTON, Dec. 4.—President Roosevelt's message was read in both branches of Congress this afternoon.

[NOTE.—The President's message will be read on the fifth evening of this day's session.]

Smoot Case in Senate.

The Smoot case will probably come up next Monday when Senator Burrows, chairman of committee on privileges and elections, will call up the measure. The majority report of the committee is that Smoot is not entitled to his seat. The adoption of this resolution would require a majority vote. A number of Senators, while not reflecting upon the merits of the measure aforesaid in their minds, are opposed to the method of getting rid of him. If no more than two-thirds is sought for division, Smoot will remain. Burrows will make a set speech favoring the resolution, followed by Duluth, of Idaho. Smoot will be defended by Farland, of Ohio, and Sutherland, of Calif. The debate will be prolonged. No decision is expected until after Christmas.

President Wants Inquiry.

The administration will not decide now on the negro troop issue. The president told Senator Hopkins today that he hoped either the House or Faraker resolution on the subject of discharge of a colored battalion would be adopted without delay. The president has no objection to the papers in the case. He feels confident his action will be upheld.

SPECIAL TERM FEDERAL COURT

Train Robbed in Texas and This Amount Taken. Robbers Then Escaping.

Express Messenger Probably Seriously Hurt—Robbery Occurred At Mylan Siding on Cotton Belt Route—Only Meager Details About the Affair Have Been Received Thus Far.

(By Publishers' Press.)

HOUSTON, Texas, Dec. 4.—A dispatch from Palestine, Texas, brings the helated story of a train robbery on Saturday night near Mylan Siding. Train bandits attacked a Cotton Belt train and probably fatally wounded the express messenger and decamped with the booty, believed to exceed \$100,000. Pacific Express officials refuse any information on the subject.

NOVEMBER REPORT ASSOCIATED CHARITIES

The ladies of the Associated Charities wish to thank the Graded School children for their liberal donations on Thanksgiving day. Fifty families were helped by their generosity. There was \$3.00 in money contributed, which was invested in wood and delicacies for the sick people.

The following report was given by Miss Anna Grogan, secretary of the association, on last Tuesday for the past month:

Amount contributed from October 27 to November 27. . . . \$27.50 Applications for help 49 Those found deserving of help 39 Those found unworthy 10

There had been 26 garments distributed during this time.

Amount spent the past month for medicine, provisions and milk. \$88.29.

The ladies find in their work a very great need for a district nurse, as in many cases the cases of suffering

could be considerably relieved by a more thorough knowledge of sanitary methods, and suggestions in regard to

etc. An appeal has been made

through the ministers of the different churches to bring this before their congregations and ask them to assist them in making this feasible. It will also be brought before the different charitable and benevolent organizations. The need is urgent—the lack is

of those unable to secure the services of a trained nurse.

President: Mrs. J. P. Taylor; vice-

presidents, Madeline J. F. Simpson, E. L. Lockett, and Mrs. A. G. Davis, treasurer. Mrs. E. R. Shedd, secretary. Mrs. W. H. Lott. The executive

board consists of Mrs. J. P. Taylor, Mrs. J. M. Hardin, and Mrs. J. L. Reddick. The committee on finance

is composed of Mr. James H. T. Johnson, E. A. Elton, and W. L. Clegg.

The training school committee is Mrs. H. S. Lott and the president is Superintendent.

Thieves Break Into Beck's Repair Shop

The gun and repair shop of Mr. W. E. Beck, on Trade street, was broken into and ransacked last night. Entrance was made from a rear window, which was pried open. Mr. Beck reported the loss of about eight dollars in cash taken from the safe, which was left open, and about half a dozen pistol cartridges.

This morning the officers arrested W. H. Simpson, a one-legged negro boy,

who bears a bad reputation for taking

things that do not belong to him. Four

or five dollars was found in his pocket, besides several cartridges. It is believed that others were implicated in the robbery.

The clue that led to the arrest of

Simpson was furnished by his critics,

with which he was charged. Steps made

with this at the Beck shop yesterday

were plainly visible this morning

and its contents were burned. All the parties are prominent people in the neighborhood and the dreadful accident is deeply regretted.

SAN FRANCISCO SCHOOL QUESTION

(By Publishers' Press.)

CHICAGO, Illinois, Dec. 4.—A dispatch from a staff correspondent of the Chicago Tribune says:

"California is in rebellion over the Japanese trouble. It wants no war with the rest of the United States but demands a friendly fight in the Supreme Court to decide whether California has a right to rule itself in local matters and handle the color question in its own way. Neither does California seek war with Japan. The school superintendent declares San Francisco never will change its attitude on the school-question. The commissioners of labor for California declares if California is to remain one of the United States then it must stop the invasion and settle the question. If we do not settle it soon then our children will settle it," says the commissioner.

Y. M. C. A. FUND REACHES \$44,060

That Was the Amount at 7:30 Last Evening When Committees Met.

Amount Secured Yesterday For Building Fund Was \$1,850—Splendid Concert Given Last Night By Salem Boys' Band For Benefit of the Y. M. C. A. Building Fund.

The Y. M. C. A. building fund was \$11,061 up to 7:30 o'clock last night. Today's work will doubtless make a considerable addition to this sum. The amount raised yesterday was \$1,850.

The concert given last night by the Salem Boys' Band for the benefit of the building fund was a splendid one in every respect. Seldom have our citizens had the opportunity to hear musical selections so artistically rendered. Every member of the band acquitted himself splendidly and only words of praise were heard from those present. One especially enjoyable feature of the program was the vocal solo by Prof. Eugene H. Storer. He has a magnificent voice that showed to splendid advantage last night.

The following letter, which explains itself, was sent today to Mr. B. J. Pfahl, leader of the Boys' Band:

Mr. B. J. Pfahl, Leader Salem Boys' Band, Winston-Salem, N. C.:

My Dear Sir—I beg to express the high appreciation of the officers and directors of the Young Men's Christian Association for the splendid concert rendered at the Elks' Auditorium last evening for the benefit of the Y. M. C. A. building fund.

While the amount realized was not large, the spirit which prompted this labor of love is the same spirit which makes the Young Men's Christian Association a power for good wherever it exists, and its value cannot be measured in dollars and cents.

The fund will be used for a particular purpose, of which you will be notified later.

Wishing also to extend our thanks to the gentlemen who so kindly assisted your organization, and again thanking you, we beg to remain,

Yours very truly,

WINSTON-SALEM Y. M. C. A.
