1907 THE NEW YEAR 1907

POSSIBLY YOU are already a patron of this bank. If not, it might be well to start in with the NEW YEAR. We endeavor to advance the business interests of our customers in every legitimate way, and a trial may prove mutually profitable.

WACHOVIA NATIONAL BANK

Maintains the High Standard of this Store.

Even though few days of the new year 1907 have come and gone, we wish to express our gratitude to our many friends and patrons for making 1906 the best year since we began business in 1891. We will use the same standard this year that we have used in the past, a square deal to all. We fix the lowest legitimate price on everything in our store and will not lower our standard to make a sale by cutting 5c on 25 pounds of sugar or 1c on a pound of coffee and hope to gain back on something price less known. We could lose the 1c or 5c, as the case might be, and easily make it back in many ways, but this is not our idea of business, and the thinking public are showing their appreciation of our methods, and our trade is growing daily. With a square deal to all, we hope to merit a still larger business this year.

Wishing all a prosperous 1907 we are at the same old stand, awaiting your command.

NEGRO ACCUSED OF ASSAULTING HIS WIFE

John Alexander, colored, was locked up last night on a warrant sworn out by his wife charging John with assault. The woman alleges that her husband treated her very badly. John admits that he slapped the woman but says he did it because she got drunk, refused to cook and talked insulting to him. The officers say Alexander's wife is a terror, but they warned him to keep away from her when he got into trouble once before. John says he has a brother conducting a barber shop in another town and he believes that he would go on his bond, provided it was not too steep. Chief Thomas told the prisoner to put up \$50 and he should go free. These figures frightened John, who exclaimed that he knew he hadn't done that much damage.

12-YEAR-OLD LOCKED UP FOR INTOXICATION

James Hicks, who was implicated with Jim Southern in the larceny of fountain pens from the Watkins' book store several days ago, was placed in the city lock-up this morning for intoxication. The condition of Hicks, who is about 12 years old, was indeed pitiable. The sympathy of the officers went out to the boy, who claimed that a man bought a quart of liquor from a saloon and that he (Hicks) and two men drank all of it. Hicks was quite talkative and he gave Chief Thomas the name of the party that gave him the whiskey. A warrant was issued for the arrest of the man.

RHEUMATISM AN ACID BLOOD POISON

Rheumatism is an acid blood poison, and the causes that produce it are often silently accumulating in the system for years. Poor digestion, stomach troubles, weak kidneys, torpid liver, and a general inactive condition of the system leaves the refuse and waste matter, which should be carried off, to sour and form uric acid, which is absorbed into the blood. When the blood is in this acid-charged condition, it deposits the poisons and irritating particles with which it is loaded in the muscles, nerves, joints and bones. Then Rheumatism gets possession of the system, and life is made miserable by its pains, aches and discomforts. The changing of the weather, exposure to cold and dampness, etc., always increase the trouble, and so severe does the pain become that quick relief must be had. A good liniment or plaster is often helpful, but it should be remembered that relief from such treatment is only temporary, because the trouble is in the blood and cannot be removed by external applications. S. S. S. cures Rheumatism by ridding the blood of the cause. It goes down into the circulation and by invigorating and purifying the blood of the acid-poison and sending a stream of fresh, rich blood to all parts, relieves the pain, reduces the inflammation, and permanently cures this painful disease. S. S. S. is the only safe treatment for Rheumatism, because it does not contain a particle of mineral in any form to damage the system. Book on Rheumatism and any medical advice desired sent free. **THE SWIFT SPECIFIC CO., ATLANTA, GA.**
