If anyone has any doubt as to the virtue of Foley's Kidney Cure, they need only refer to Mr. Alvin H. Stimpson, of Williamamtic, Conn., who, after almost losing hope of recovery, on account of the failure of so many remedies, finally tried Foley's Kidney Cure, which he says was "just the thing" for him, as four bottles cured him completely. He is now entirely well and free from all the suffering incident to acute kidney trouble. E. W. O'Hanlon.

MINIMUM COST IN PAINT.

"Cheap goods are high at any price." This is an old axiom, but it is especially true in relation to paint. By using an honest paint such as Stag Brand Semi-Paste Paint you are assured of satisfactory results. This paint is brilliant in color—wears longer—looks best—and "One gallon makes two." "Where are you going, my pretty maid?"
 "Smock & McCreary's air," she said.
 "Why are you going, my pretty maid?"
 "To buy me a run-about, sir," she said.
 "May I go too?" was the young man's plea.
 For a saddle and bridle I wish to see.
 "I'm sure," she said, "it is nothing to me.
 And as they together went down the street,
 Said the maiden, quite discreet,
 "This vehicle, you know, is my birthday treat.
 And now you can, if you'll be so kind,
 Aid me the very best job to find.
 My uncle—by profession a lawyer—
 Tells me be sure buy a Moyer,
 But father says, as firm as a rock,
 If you want the best, just get a Babcock.
 And Brother Jack thinks the best in the land
 Is sure to be the Anchor brand.
 While gradpa says—it must be true—
 'The Lion is the one for you.'
 The young man replied with a smiling face,
 Well, Smock & McCreary's is the right place.
 And all these makes are the very best,
 So just please yourself and leave the rest."

CENTERVILLE AND SOUTHSIDE ITEMS

Mr. John M. Brown, salesman for C. F. Nissen & Co. has just returned from a business trip west and among the orders brought back was one for 174 of the celebrated J. I. Nissen wagons for the Hinkel Live Stock Co., of Statesville. This is probably one of the largest orders placed by one firm with a local manufacture. To make the shipment five cars will be required. On June 1 a new sub-station for the purpose of supplying R. F. D. No. 6 will be established at the store of Mr. I. N. Walker, on Waughtown street. It is quite probable that Route No. 5 will also be supplied at this station in the near future, although the present order only specified the supplying of No. 6 route. City letter carrier No. 11 will supply and take up the mail from the sub-station, thus shortening R. F. D. Route No. 6 three miles.

Mr. J. R. Brown has completed and is now occupying his new residence on Waughtown street.

L. N. Walker is moving to his new residence adjoining the home of Letter Carrier Cude.

D. S. Rothrock will probably build a nice residence this summer on his beautiful lot on Waughtown street.

Motorman Robert Conrad is moving from Centerville to Waughtown.
