## AFTERMATH OF FIRE AT VADE MECUM SPRINGS.

Dr. H. P. McKnight, manager of Vade Mecum Springs and hotel, performed the part of a hero during the conflagration at 3:30 yesterday morning, said Mr. J. T. Simpson, who returned last evening with his family from the above summer resort.

Mr. Simpson estimates his loss at about \$1,500. Besides his \$35 in cash, practically all of the clothing belonging to himself and wife and three children, and three gold watches were destroyed.

About 21 guests suffered heavy losses. Miss Boyd, of Reidsville, lost \$300 in money and seven gold bracelets, some of them being heirlooms, handed down for two or three generations. Capt. James Peay had \$150 burned up in his trunk.

Dr. McKnight, who worked heroically to rescue his guests, had his arms badly blistered by the flames. He had \$1,200 in cash burned, besides valuable jewelry belonging to himself and wife and a quantity of clothing, etc.

The only guests that left the springs yesterday were those who lost their clothing. Mr. Simpson says that Dr. McKnight had decided before he left the spring to convert the ball-room into a kitchen and dining room. The pavilion will be used as a dance hall.

**COL. ROBT. E. LEE EXPECTED TO ADDRESS VETERANS HERE NEXT MONTH**

The annual reunion of Confederate veterans of this state, as heretofore announced, will be held on the 19th and 20th of August in Winston-Salem. Major H. A. London, the adjutant-general of the North Carolina Division of the United Confederate Veterans, gave a reporter of the Raleigh News and Observer some matters of interest connected therewith.

Major London has made application to the railroad companies for the usual one-cent a mile rate for the occasion, which will enable the veterans to attend at small expense, and the citizens of Winston-Salem are making great preparations for the entertainment of the veterans and intend to make it the greatest Confederate reunion ever held in this state.

Col. Robt. E. Lee, Jr., a grandson of Gen. R. E. Lee, has been invited and is expected to be present and deliver an address to the veterans. Another distinguished visitor will be Colonel Bennett H. Young, of Kentucky. Gen. W. E. Meade, the adjutant-general of the U. C. V. organization, will also be present.

The U. C. V. camps are requested as soon as possible to notify Adjutant Z. T. Bynum at Winston of the number of men who will attend the reunion, so that quarters may be prepared for them. This is of special importance, for unless the committee at Winston are informed as to the number of veterans to be provided for they may not be able to entertain them as they might wish.

A program of the exercises will be put out in due time. On the first day of the reunion will be held the annual election of the division and brigade commanders. On the same day addresses will be made by prominent veterans and that night an entertainment for their benefit will be given by the citizens of Winston-Salem. On the second day of the reunion will be the grand parade of the veterans, which will no doubt attract a large crowd from the surrounding country.

**Two Young Lady Solicitors.**  
The young ladies who so kindly have been soliciting funds for the Confederate soldiers to entertain their comrades here next month are asked to make out a list of business men and others they visited, and on this list those that gave to this cause and also those who did not give, and send the list to Norfolk camp or to the Daughters of the Confederacy.

## HEARST SAYS THAT HE WILL NOT RUN.

NEW YORK, July 25.—William Randolph Hearst, home today from Europe, made it plain he would not take the Independence Party nomination for president even if the Chicago convention next week nominated him. "I gave my word before I went abroad that I would not be a candidate," he said. "I have no idea what the convention will do."

He seemed to think a straight ticket would be put up.

**Stokes County Fair to be a Notable Event**

KING, July 25.—The Stokes County Fair Association is busy getting grounds and buildings in shape for the biggest fair in the history of Stokes county this fall, the dates being October 28 to 30. The grounds have been fenced, work on which has just been completed. The fair grounds, including five acres, have been put in first class condition and a building, 10x100, is to be erected for the exhibit building. Several good attractions have been booked for the Stokes county fair and the prospects are good for the best exhibits of grain, produce, etc., ever displayed, at this event. The number of prizes will be near 300. There were 150 last year. The total amount of prizes will be double the amount of last year. The secretary has asked the Southern for a spot at the fair grounds and it is quite probable that one will be established.

Last year no second prizes were offered, but 1914 year first and second prizes will be on the premium list, which is now in course of preparation.

The officers of the Stokes County Fair Association are: S. L. Pulliam, president, and W. F. Kiger, secretary and treasurer.

**District Conference At Pleasant Hill**

The Winston District Conference of the Methodist Protestant church was held this week at Pleasant Hill, about twelve miles north of the city. Rev. W. F. Kennert, of Pinnacle, presided. There was a large attendance of preachers and delegates and the addresses and discussions on various lines of church work were interesting and inspiring.

The conference convened Wednesday and closed Thursday afternoon. The visitors are loud in their praise of the citizens residing in and near Pleasant Hill for the generous hospitality displayed.

Besides Rev. G. F. Milloway, Mr. Boger and Miss May Spear, of the M. P. church here, P. W. Meek of Union Ridge attended the conference.

**KILLED BY AN AUTO.**  
Almost Every Bone in Man's Body Was Fractured.

SEABRIGHT, N. J., July 25.—Dr. Carlton Flint who was much in the newspapers during the Harry Thaw trial, died today after being struck and dragged forty feet by an auto. Flint was walking when the car struck him. His clothing became entangled in the machinery and when the machine stopped almost every bone in was fractured.

**SUIT AGAINST GREENSBORO.**  
Citizen Wants \$15,000 as Damages for Broken Leg.

GREENSBORO, July 25.—Mr. C. M. Gilbreath has brought suit against the city for \$15,000 damages. It is alleged in the complaint that the city allowed to remain open on Cumberland street a hole three feet deep, two feet wide and four feet long, and that Mr. Gilbreath fell into the hole and broke his leg, amputation later becoming necessary. The leg was amputated above the knee.

## BRIEF PREPARED IN FREIGHT RATE CASE

RALEIGH, July 25.—The corporation commission and their counsel, have put in three days' hard work on the drafting of the brief to be filed with the Interstate Commerce Commission in the suit which the commission is pressing before the interstate commission to abolish what is contended to be unfair freight discrimination by the Norfolk & Western Railroad Company against North Carolina towns—Winston-Salem and Durham—as compared with rates to Virginia cities. The brief was practically completed today and is to be filed with the Interstate Commerce Commission on or before August 15. Thereafter the N. & W. will have fifteen days to file answer. Then there will be the formal hearing of argument, to take place soon after October 1. Counsel here with the commission preparing the brief are E. J. Justice, Greensboro; H. A. Foushee and J. S. Manning, Durham, and T. C. Guthrie, Charlotte.

**Hearing Before Governor.**  
There was a hearing at 11 o'clock today before Governor Glenn in the noted case of the Registers from Columbus county, in which the father, H. B. Register, was sentenced to life imprisonment and Jabel, his son, hanged, for the murder of Jim Staley, colored, in a most brutal manner. The old man, now seventy odd years old, is serving his life sentence in very feeble health. And the point is raised that there is some question about the guilt of either the father or son, in that there is reason to believe that Stacey is really still living and that it was he who shot Revenue Officer Reece some months ago in Moore county. The aged wife and mother of the Registers and her three daughters are here and will have a hearing before the governor to make a plea for the pardon of the old man.

**Later—Hearing Continued.**  
Governor Glenn today discontinued the hearing of application for pardon for H. B. Register, an old man in the penitentiary, until Monday afternoon. A telegram from Columbus county asked that the prosecution be heard in the matter. Register is serving a life sentence in prison from Columbus county for being accessory before the fact of one of the most brutal murders that ever shocked North Carolina.

**Death of Capt. Croiland.**  
News is received here with deep regret of the death of Capt. W. Croiland at his home in Richmond county, he having died there yesterday. Capt. T. M. Arrington, of the state prison management, went to Richmond county today to attend the funeral. He was one of the most extensive and successful farmers in the state.

**Sunshiners Return.**  
The Raleigh Sunshiners, forty boys and sixty odd girls, returned today from Beaufort, where they spent the past ten days in care of Col. F. A. Olds, director, having the time of their lives, sailing, fishing, and having a good time generally. The girls were chaperoned by Mrs. J. E. Ray and Miss Annie Duncan. They had boats chartered for the whole time they were away and the boys were quartered in the Beaufort armory and the girls in Odd Fellows hall, meals being served in the grove adjoining the Odd Fellows' building.

**Mr. Eller in Raleigh.**  
Hon. A. H. Eller, the newly-elected state chairman of the Democratic executive committee, spent yesterday here in conference with party leaders and casting about for suitable headquarters from which to direct the impending campaign. Headquarters will probably be opened within a week and Chairman Eller will come to Raleigh for the campaign period from his home in Winston-Salem.

**First Conviction.**  
Six months in jail, with the privilege of enjoying "prison bounds" for exercise, is the sentence imposed by the court in the case of Jack Graves, charged with the murder of a woman.

**Headquarters in Raleigh.**  
Mr. A. H. Eller, the new chairman of the State executive committee, came in this morning from Raleigh. The party's headquarters will be in Raleigh, though Chairman Eller expects to spend most of his time at home until the campaign is formally opened.

**W. R. Folts made a business trip** to Gaffney this afternoon.

## REPUBLICANS HOLD CONVENTION ON AUGUST 24.

The Forsyth Republicans will hold their county convention at the court house on Monday, August 24, for the nomination of a legislative and county ticket. Township primaries for the selection of delegates to the county convention will be held Saturday, August 15.

The above dates were agreed upon at a meeting of the Republican county executive committee, held at 12 o'clock today at the office of Secretary D. H. Blair. All but two or three townships were represented at the meeting. Several Republicans, not members of the committee, were present for consultation and the submission of advice.

There was a discussion as to methods and plans for the coming campaign, but no definite action was agreed upon. Very little was said about candidates for the county offices, though some reference was made regarding the strongest man the party could nominate for governor and congressman in the Fifth district.

The impression seems to prevail locally among the G. O. P., that either Dr. Cyrus Thompson, of Onslow, or Elwood Cox, of High Point, will be the nominee for the governorship. It appears that no definite agreement has been reached on a congressional nominee.

**EXCURSION FROM MT. AIRY.**  
Brings Seven Hundred People Here and They Have a Good Time.

Seven hundred pleasure seekers from the "Granite City" came down to this city this morning on the excursion run from Mt. Airy to Winston-Salem under the auspices of the Junior Order of United American Mechanics, of that city. The excursion arrived here early to allow the people to have plenty of time to see the city.

They have been all over the city while here but most of them have been at the park most of the time. They have been visiting the many places of interest about the city, and a ball game this afternoon between the Mt. Airy team and the Shamrock Mill team is to be one of the features of their trip.

Most of the excursionists are young people and they have been very gay and happy while here. The order has been perfect. The people will leave this afternoon for their homes. Many of them declare that they never enjoyed a trip anywhere so much as the one to this city, and that they had no idea that there were so many places of interest here, or that business operations were carried on or such a huge scale.

**JACK GRAVES ARRESTED.**  
Negro Taken into Custody on Suspicion of Being Party Guilty of Stealing Various Articles.

Jack Graves, colored, with a half dozen aliases, was arrested this morning at T. K. Renigar's saloon by Policeman W. A. Hartness on suspicion of having stolen several articles. He had in his possession a quantity of meat, sugar, canned goods, tobacco, and many other articles.

The officers have been working up the case today and find several instances where Gray has been disposing of hats, shoes and coats. In fact, it seems as if he were running a retail store without any building to exhibit his wares.

The policemen regard Graves as an important capture and are looking for the person whom they think lost the goods. It was at first thought that some of the goods were stolen from the freight depot, but it was found that one of the hat boxes had a coat mark on it and this showed that it came from a store. Graves will probably be tried before the recorder next Monday.

**Colonel Bessent Returns.**  
Lieutenant-Colonel J. C. Bessent, of the First Regiment, returned to the city this morning from the annual encampment at Morehead City. He reports that everyone had a pleasant time and that the only thing in the way of an accident that happened to the regiment was when the train passed a little station a few miles this side of Newbern. When the train passed, someone threw a bottle through the window and struck a member of Company F., of Asheville, and another person threw a brick through the window which struck a man belonging to Company K, of High Point. Both men were painfully but not seriously injured. It is not known who the guilty parties are nor what their object was in committing such an unprovoked crime.

**Special Taxes Unpaid.**  
Solicitor Graves will be here Monday and a report comes from the sheriff's office that many special taxes remain unpaid.

## Evidence That Convict Was Whipped to Death

ATLANTA, July 25.—Testimony that Will Bibb, a convict from Cobb county, was whipped to death because he had spilled some coffee on the head of one of the guards at the prison farm at Milledgeville, created a sensation when told to the legislative committee which is investigating the treatment of convicts in this state.

## HARKRADER TELLS HOW AND WHY HE KILLED SURRY MOONSHINER

GREENSBORO, July 25.—United States Deputy S. J. Harkrader, who killed moonshiner Bill Swift in Surry county last week, was in Greensboro last night and he stated to friends that everybody in the neighborhood of Swift's home concedes that there was nothing else to do under the circumstances of the affair than to shoot Swift.

The officer shows very plainly on one wrist and his head the signs of the blow which Swift administered with a chair. He and another government officer went to Swift's home at one o'clock in the morning. The other officer was sent around to guard the rear of the house. Mr. Harkrader tapped on the front door.

He heard Swift leap from his bed to the floor. Presently the door was cracked open. Harkrader edged in and said, "My name is Harkrader and I have a warrant for you. Consider yourself under arrest."

The next thing the officer knew he had been knocked down by a murderous blow with a chair. He had his pistol in his hand.

When he gathered his wits together, he started to rise. As he was on one knee preparing to rise to a standing position, he saw the chair being raised for a second blow.

He then leveled his pistol at Swift's body and fired. Swift fell. The bullet pierced the body through.

Miraculous as it seems, it is said to be nevertheless true that the spent bullet entered the mouth of Mrs. Swift as she opened it in terrified screams, and harmlessly lodged there.

Swift lived until ten o'clock the following night. Officer Harkrader secured a doctor for the wounded man as soon as was possible after the shooting.

**Special Music at Calvary Church.**  
Miss Rosa Deane, one of the finest organists in the state, and Mr. Will Dugan, a young violinist of considerable ability, and the proud possessor of a splendid sweet-toned old violin, will, together, at the morning service in Calvary Moravian church tomorrow, render a voluntary that will, no doubt be very pleasing and acceptable to the congregation that usually worships in this sanctuary. The service begins at 10:30 o'clock.

The pastor of this church, Rev. E. S. Croiland, will at the night service, conduct another one of his very interesting and instructive illustrated lectures. The subject for this occasion will be upon the life of the great reformer, Martin Luther. These services have been held for several Sunday nights past, and the attendance has been very large, indeed, proving very instructive and pleasing to those who have attended.

Miss Sadie Walker returned home today from a visit to friends at Blittmore.
