## REPORT PROVES NOT TO BE TRUE

## MERELY A STRAY SHOT

OYSTER BAY, Sept. 8.—Upon the departure for New York today of Major Wadsworth, the friend of President Roosevelt, who was riding with him last Saturday, the bottom was knocked out of the story that an attempt had been made to assassinate president. Before leaving Major Wadsworth declared that while a shot was fired near the road where president and himself were riding, it was in the direction of neither of them but was fired by some target practice on the farm of W. Emlem Roosevelt, the president's cousin.

## LABOR LEADERS TO ANSWER.

Gompers, Mitchell and Morrison Accused of Contempt of Court.

WASHINGTON, Sept. 7.—The petition of the Buck Stove and Range Company, of which J. W. Van Cleave, of St. Louis, president of the National Manufacturers' Association is president, requiring Samuel Gompers, John Mitchell and Frank Morrison, respectively president, vice president and secretary of the American Federation of Labor to show cause why they should not be adjudged guilty of contempt, comes up before Judge Gould, of the Supreme Court of the District of Columbia, Wednesday of this week. The case will be handled by Mr. Gompers and his associates by Alton B. Parker of New York, and Ralston S. Siddons, of this city and for Mr. Van Cleave by Messrs. Davenport, of Connecticut and Sullivan, of Washington.

The labor leaders are charged with acting in contempt of the orders of Judge Gould last December, prohibiting them from continuing the Buck Stove and Range Company on the published "We Don't Patronize" list of the American Federation of Labor and from in any way boycotting or encouraging a boycott against the company, which order subsequently became a decree of the court, through the action of Chief Justice (Clough), an appeal from which is now pending. It is asserted that after the date of Justice Gould's order they circulated the American Federationist containing the "We Don't Patronize" list, and they are also charged with circulating the proceedings of the last convention of the American Federation of Labor, which indicated the boycott in question.

John Mitchell is charged with having presided over the United Mine Workers' convention last January, at which time a resolution was passed endorsing the boycott on the Buck Stove and Range Company. Specific complaint is made of an editorial published in the February number of the Federationist, written by Mr. Gompers and discussing at length the order of Judge Gould.

It is understood that the answer of the defendants will insist upon their right to discuss judicial decisions with the utmost freedom and deny the propriety of any court order which would interfere with such freedom of speech. Others of the questions laid under consideration in connection with the political platform of the political parties are likely to be developed at the hearing. It is within the power of the court, should the judge find adversely to the respondents, to fine them or commit them to jail.

Mr. Henry L. Wilson, son of Mr. and Mrs. E. H. Wilson, left on the early train this morning for Durham to enter Trinity College. He goes to prepare himself for the ministry. The Sentinel joins his friends in wishing him success in his chosen life work.

Henry Montague, of Richmond, who has been visiting his parents here for several days, returned home last night. He is with the Virginia-Carolina Chemical Company in that city.

## GOMPERSTO MAKE MANY ADDRESSES

## ARRANGEMENTS ARE MADE A

His Speeches Expected to Be of Much Benefit to the Cause of Democracy in the Present Campaign—More Good News Is Received at Democratic Headquarters—Bryan Greatly Pleased.

CHICAGO, Sept. 8.—The Democratic committee has perfected arrangements with Samuel Gompers, who is the labor chief, to keep the stump for Bryan until election day. Literature to the ton will soon be distributed from Democratic national headquarters.

## Bethania High School To Open Next Monday

The Bethania high school building is about completed, and as previously announced, school will open next Monday, September 14th. On this date it is desired by the management that all applicants (new pupils) report for classification even if they should not be ready to enroll for immediate work.

A satisfactory certificate from a former teacher will exempt from an entrance examination. On Tuesday, September 15, all the former high school pupils, accompanied by parents and friends of the school, will be expected to report at 9 o'clock. This arrangement is made in order that the patrons and friends of the school may look in and inspect the school rooms, music rooms and the splendid auditorium.

For this date, a special program of music and talks is being arranged. The faculty as completed is: J. W. Daniel, principal-high school; Miss Kate Jones, principal common school department, with Miss Snyder as assistant. Miss Belle Stainback, of Weldon, N. C., a graduate of Petersburg College, Va., and later a pupil of the Virgil School of Music, New York, has been employed as teacher of music. She comes highly recommended, as does Miss Snyder.

## GOMPERSMARCHES ON CANNON.

Invades Speaker's District To Try To Beat Him.

DANVILLE, Ill., Sept. 8.—Samuel Gompers, president of the American Federation of Labor, will invade the Eighteenth Congressional district of Illinois tomorrow for the avowed purpose of bringing about the defeat of Joseph G. Cannon, Speaker of the national House of Representatives, who is making his nineteenth campaign for a seat in Congress.

Mr. Gompers is billed to make an address at the big labor convention here. Two years ago he declared his intention of seeking the Speaker's defeat. However, Mr. Gompers made out one or two speeches in the out skirts of the district, failing to appear in Danville, where the heaviest labor vote of Mr. Cannon's district is polled, and the Speaker was elected by the largest majority he has had in eighteen campaigns, with the exception of the vote cast for him four years ago.

Interest Intense.

## CAMPAIGN IS TO OPEN ON TUESDAY

Senator Lee S. Overman Will Speak Here at That Time.

## A VIGOROUS CAMPAIGN

In Addition to Mr. Overman Other Prominent Speakers Will Uphold the Cause of Democracy in Speeches Here During the Campaign—Democratic Headquarters Have Been Opened on Liberty Street.

The Democratic campaign will be formally opened in this county on Tuesday evening when Senator Lee S. Overman, of Salisbury, will speak at the court house. Mr. Overman will no doubt attract a large audience. During the short time that he has been at Washington, he has become a most influential member of the Senate. He is versed in all the leading and pertinent questions relating to government and his address will be a masterpiece in a political way.

Other speakers of prominence will be secured for the campaign and there will be a lively time in old Forsyth until election time. The Democracy in this county is militant and determined to poll larger Democratic majorities this year than ever before—and they will probably do it. Mr. G. H. Hastings, chairman of the county Democratic executive committee, is corresponding with a distinguished democrat who will probably draw a larger crowd than any other person with the exception of W. J. Bryan. He has promised to make three speeches in this congressional district and Mr. Hastings will get him to come to this county if possible.

The Democratic headquarters have been opened up in the hitting block on Liberty street, in Mr. Hastin's office. A large banner stretched across the street bearing the pictures of W. W. Kitchen and W. J. Bryan, painted by Mr. Luther Martin, designates the situation of the headquarters and all democrats are welcome.

It is said that the warmest campaign in the history of the county will be waged by the Democrats this year. There is possibly more interest in politics this year than in several years in the past. Repeated years of Republican misrule have stung the masses into action and a wave for Bryan is sweeping the country. The people are looking to the Democratic nominee for salvation, and the people in this county are together with the people all over the country. The coming campaign will be the greatest this country has ever seen because everyone is taking more vital interest in the questions and principles at stake.

## Emperor William is Acting as Umpire

BERLIN, Sept. 8.—Emperor William is acting as umpire in chief at annual maneuvers of German army at Alsace-Lorraine the entire week, enduring soldiers' hardships with the men. He rides for hours on horse back, as interested as the rawest recruit.

One hundred thousand soldiers are encamped. Interest is attached to the maneuvers on account of their being held near the French frontier. It is thought Germany is trying to impress France with her military strength.

## Big French Victory.

PARIS, Sept. 8.—Details of fighting between French troops at Bodejols on Algerian frontier and Berber tribesmen, received today, indicate that victory of French was so sweeping the uprising is now ended. Hundreds of Moors surrounding the French garrison were slain with machine guns. The French losses were slight, the total killed and wounded being less than fifty. The campaign will be continued until the country is cleared of waiting Moors.

## OPENING OF THE SALEM ACADEMY

Widely Known Institution Begins New Year With Splendid Prospects.

## VERY LARGE ENROLLMENT

Large Number of Patrons and Friends of the School Attended the Exercises—Many Improvements Made on Buildings and Grounds During Past Few Months—New Members of Faculty.

In proof of the deep interest throughout the Twin-City in all that concerns Salem Academy and College, Memorial Hall was filled this morning when the opening exercises were held.

President Clewell presided and devotional exercises were conducted by Rev. J. Kenneth Pfohl, Rev. E. C. Sample, Prof. J. F. Brewer, of the Salem Leys School, and Mayor O. B. Eaton, of Winston. They were also seated upon the rostrum. The latter made an address of welcome to the young ladies in behalf of his city, in his customary impressive and at the same time happy style.

Dr. Clewell brought greetings from Bishop Handshaker, who is in Pennsylvania at present, and also from Mrs. Clewell, who is ill just now. The latter sent affectionate greetings to the new pupils especially. Dr. Clewell spoke in touching terms of the great organ and the man whose memory it perpetuates, Mr. C. H. Fogle, also of the large arch above it, which was given in remembrance of the late Prof. Leinbach, who founded the musical department of the college, and who spent his life in building it up.

Prof. Shirley treated the audience to one of his splendid organ solos which are always so greatly enjoyed by this music-loving people. After this the president spoke of the new class which has been added to the standard of the school, of changes in classrooms, and also announced that the weekly rest day would in the future fall on Monday instead of Saturday. In conclusion, he introduced Miss Brushingham, the new director of the vocal department. He said that when she consented to leave her Chicago home, he had promised her a warm welcome from the musical talent of a musical town as well as within the college. He therefore bespoke for her a hearty greeting, both socially and professionally.

Miss Brushingham has a pleasing stage presence. She is brown-haired and rather petite, but not so her voice for it soared forth rich and strong, and clear in her two fine selections, the first, a popular one—a sweet lullaby, appreciated by everyone.

The school is beginning under brightest prospects. It is of interest to note the various distances which are represented by one day's arrivals. In a conversation in the office it was seen that one came from the State of Washington, from Oklahoma, Chicago, New York City, Washington, D. C., Jacksonville, New Orleans, several from Central Texas, and one special sleeping car from Knoxville—all in one day.

Following is the list of arrivals up to this morning:

Misses, Emily Hyde, Cordele, Ga.; Lucy Fann, Atlanta, Ga.; Callie May Christie, Dawson, Ga.; Mary Bondurant, Valdosta, Ga.; Katherine Lane, Valdosta, Ga.; Almarney Lane, Valdosta, Ga.; Malinda Bassett, Fort Valley, Ga.; Evelyn Wood, Jacksonville, Fla.; Georgiana Bashan, Jacksonville, Fla.; Geneva Robinson, Jacksonville, Fla.; Elizabeth Parkhill, Jacksonville, Fla.; Jeanette Parkhill, Jacksonville, Fla.; Helena Holloman, Jacksonville, Fla.; Mamie Adams, Jasper, Fla.; Hope Coolidge, Bristol, Tenn.; Rena Brown, Greenville, Tenn.; Margaret Slammun, Knoxville, Tenn.; Annie Belle Howard, Floyd, Va.; Gretchen Clement, Lynchburg, Va.; Odille Lewis, Sutherland, Va.; Myrtle Chaner, Martinsville, Va.; Bernardena Mott, Muskogee, Okla.; Elizabeth Mott, Muskogee, Okla.; Helen Randle, Kankakee, Ill.; Pauline Edens, Cho., S. Many Improvements.

In an interview with the president of Salem Academy and College, relative to the formal opening of that institution this morning, a number of interesting items were learned, especially interesting to the many alumnæ in the city.

The whole atmosphere of the co-

## WARNING ISSUED BY COMMISSION

Civil Service Employees Must be Careful About Political Activity.

## CHANGE FROM THE CUSTOM

Officers in the Classified Service Who Resign to Take Part in Politics, With View To Being Reinstated if Unsuccessful in Candidacy Will Not Be Reinstated Hereafter.

WASHINGTON, Sept. 8.—A solemn warning has been issued by the Civil Service Commission to the army of government employees in Washington and elsewhere against sidestepping their work for Uncle Sam in order to indulge in the seductive game of politics.

It seems that in past campaigns it has been the practice of a good many government officials and clerks to resign so that they may run for office in their home communities, or otherwise become actively engaged in political work, then to be reinstated after election day if the job still looks good to them.

But this year there will be no reinstatement. The order reads as follows: "The commission desires to inform each of the departments and independent executive offices of its attitude toward employees in the classified service who resign to become candidates for office or to engage in active political work, and who afterward seek reinstatement."

"Inasmuch as the issuance of a certificate is discretionary with the commission, no certificate will be issued in any case where the party seeking reinstatement resigned with a view of running for office, or indulging in a degree of political activity which would be prohibited if he had remained in the service and afterward, having failed in his candidacy, or having indulged in the contemplated political activity, seeks reinstatement."

## Berkman is Sent to the Work-House

NEW YORK, Sept. 8.—Alexander Berkman, the would-be slayer of Henry C. Frick, arrested yesterday on the charge of "inciting to riot" at a peaceful meeting of trade unionists at Cooper Institute was today sent to the workhouse for five days. The woman accomplice, Mary Smith, was fined \$10.00 for disorderly conduct.

Berkman tried to break up the meeting, injecting anarchistic speeches and red flags while hands were playing the "Marseilles." One man waving a red flag was kicked by a policeman the entire length of the hall into the street. Emma Goldman was present but left before the disturbance took place.

## PELL'S ANNOTATED REVISAL

First Volume Nearly Ready and Second Volume Under Way.

Mr. Geo. P. Pell, of Winston-Salem, was in Raleigh yesterday putting some finishing touches on his Annotated Revisal of 1908 in the Supreme Court Library.

When asked by a News and Observer reporter when the Revisal will be out, Mr. Pell said: "That is just what I should like to know myself. I have completely abandoned all practice and have for over two years put fourteen hours a day on the work. The books will contain about 600,000 words as much matter as the Revisal of 1905 and, nothing of the kind ever having been attempted before it has been impossible for me to calculate as a quantity of matter and time to set it in type, etc. Three-fourths of the first volume is in type and copy by half of the second volume is in the printers' hands. Inability to get a reliable proof readers is delaying the work. I should say that both volumes should be out by December 1st, at least, first volume much earlier."

Taft in Ohio.

SANDUSKY, Ohio, Sept. 8.—Invading the Foraker stronghold, Judge Taft addressed two meetings today. The first was at soldiers' home, the second at opera house, where a large audience assembled. Taft's visit is expected to heal the breach of the two factions of Ohio politicians. Both of Taft's speeches were extemporaneous.

Two Burned to Death.

DENVER, Sept. 8.—Two men were burned to death and a dozen seriously injured early this morning in a fire partially destroying Hotel Belmont. One hundred guests were in the building when the fire started and many were compelled to jump from upper stories.
