

# Lumpkin Preaches Fine Sermon to Twin-City Firemen

Although the minister had only a very short time in which to prepare a special sermon, he preached one of the best sermons last night ever heard in this city. His subject was "Heroism" and he compared the firemen with the heroes of other causes and showed how the firemen are always ready to defend life and property at any time and without remuneration. The sermon was a masterpiece of its kind and was heartily enjoyed.

The music was also excellent. A duet by Miss Mary Medaris and Mr. Cromer, and a quartette, "Wayside Cross," by Messrs. Cromer, Crawford, Nunn and Hyman were heartily enjoyed. The special organ features by Miss Rosa Dean and the anthems by the choir were also splendid.

It is usual to have memorial exercises when a member dies, but as neither of the local associations lost a member by death this year, it was decided to celebrate the day with a special sermon.

# WOMEN'S DAY AT CHRISTIAN CHURCH

Women's Day exercises held at the Christian church last night were largely attended by friends of both, and all participating acquitted themselves admirably. The program was one and everyone heard the exercises. A collection for the missions was taken. The program was rendered by the school.

Mr. Geo. C. Tudor,  
District Agent Mutual Benefit Ins. Co.  
Winston-Salem, N. C.

Dear Sir:—

Please accept my sincere thanks for your company's check for \$1,000.00 for settlement in full for my husband's policy with you. I gave you my policy last Friday, the 4th of June, and this seems to me to be a very quick settlement indeed. I often heard my husband speak of you and your company and he said that he had figured with several different companies before placing his insurance and had talked with several of the best business men here about taking insurance and in every single case they all advised him to see you and take his policy with you, as you represented the best company doing business here.

I assure you I appreciate your kindness shown me in this matter and you recommend you and your old company to anyone desiring to insure.

Wishing you continued success and with best wishes I am,

Yours truly,  
BETTIE SPRINKLE.

Greetings:  
Ho all ye that hunger and thirst for health and happiness, come and partake of the life giving waters of Phospho Lithia Springs. These springs are located in Henry county, Virginia, a few miles north of Ridgeway and right on the line of the Norfolk & Western Railway, which gives in four trains a day. The walks from hotel to springs are cool and shady. The waters have been analyzed and found to contain many properties conducive to health.

## They are particularly adapted to stomach, liver, kidney and rheumatic troubles.

Many have come here unable to walk or eat, and after a short time have gone away well and happy.  
We have aptly-located doctors at Ridgeway and Martinsville, and good phone service to all parts of the country. The table is supplied with the best the market affords, and polite attention given to guests.  
Long before these springs were improved their curative powers were known to the citizens, and many of them eagerly sought the water.  
We invite the patronage of the springs-going people that they may be convinced of the facts we have stated.
