GRAHAM COUNTY MAN KILLED FROM AMBUSH

P. L. Phillips, Whose Wife, Son and Daughter Were Recently Murdered, Is Victim.

Asheville, Aug. 25.—Following the killing of his wife, daughter and son on May 1, P. L. Phillips, a well-to-do farmer of Graham county, living five miles from Topton on the Murphy branch of the Southern railway, was shot and almost instantly killed Monday morning near his home. He was shot from ambush, his assassin making good his escape.
 Friends of the murdered man at once got busy and being unable to find any bloodhounds in this section they wired to Chattanooga for two dogs. These dogs arrived here on train No. 28 and a special train was arranged to carry them to the scene of the murder. The train was accompanied by officials of the Southern Railway company, and several friends of the murdered man.
 The wife, daughter and son of Mr. Phillips were shot and killed on May 1, and Ed Williams, a son-in-law of Phillips, is accused of the crime, although as yet he has not been apprehended. A special message stated that information had been received at Andrews that Williams had been captured at Newport, Tenn., but nothing else has been heard from that end of the case.
 According to the message received here from Topton, it is believed that Williams, despite the fact that a large reward is out for him, slipped back to the scene of the first murder and killed Mr. Phillips.
 Williams is said to be one of the most desperate men of the mountains and the trouble which started between him and the Phillips family is said to be the result of information he believed the Phillips family gave United States officers regarding illicit stills, which it is claimed Williams had been operating in that section for many years. Several officers are here in Asheville now who have destroyed stills which were believed to have been conducted by Williams, but he was able in every case to evade arrest, or else the officers were unable to secure evidence which would connect him with the operation of the plants.

REUNION OF THE SINK FAMILY IN WAUGHTOWN

Reported for The Sentinel—The children of the late Solomon and Lucy Sink held a reunion in Waughtown yesterday, at the home of Mrs. Lillie Hoover, one of the grandchildren.
 Six of the seven children were present, their ages ranging from 58 to 92, a total combined age of 431, or an average age of 72, the oldest being William L. and the youngest John H. Sink.
 The reunion was held in honor of Mr. Hiram T. Sink, of St. Augustine, Fla., who is visiting here at this time the only absent child being Mr. Francis F. Sink, of Indianapolis, Ind., whose age is 76. He was present at the last reunion three years ago, but he is senile and said he would be on hand next year.
 At the meeting yesterday a movement was launched to have a family history written and Ira L. Sink was selected as the historian.
 The Sink family has a remarkable record for longevity, as the record of ages will show. One member of the family circle, Mrs. Annie Matlock, died less than sixty days ago, hers being the second death since 1866—a remarkable record when one comes to think of it.
 It was decided to have another reunion in 1916, when it is hoped to have all the living descendants of this family present.

PERSONAL MENTION

Mrs. W. E. Price, of High Point, is expected tonight to be the guest of Mrs. L. C. O'Brien.
 W. E. Vest, of Montana, was a guest at the Plaza today.
 E. C. Adersholdt spent the day in Greensboro on business.
 Mr. and Mrs. J. Platt Turner, of Leaksville, are the guests of Mr. and Mrs. W. H. Turner.
 Linville Powell spent the day in Greensboro.
 Mrs. Walter Sharp, of Burlington, who, together with her husband, has been attending the Insurance Convention at Old Point Comfort, Va., spent yesterday in the city with Mr. and Mrs. W. H. Turner. On leaving for home she was accompanied by her little daughter, Mildred, who has been the guest of little Miss Pauline Turner.
 N. L. Cranford left this afternoon for Roanoke on business.
 Mrs. B. L. Clements spent the day

WOODMEN EXCURSION. That a large crowd will take advantage of the Woodmen of the World excursion to High Rock, to have a day's outing seems assured. The Woodmen are making extensive arrangements for the comfort of the excursionists on the train to and from High Rock Thursday, August 26th, and a good time is promised at the picnic grounds. Mr. C. M. Thomas, of the committee of arrangements, states that it is expected to be one of the largest excursions carried from this city this season.

CHURCH PLANS.—Architect Willard C. Northup is finishing up the plans for the modern new building for Grace church, East Winston. The structure will be of brick, 65x100 feet, a combination auditorium and Sunday school auditorium and class rooms to accommodate ten classes, and so arranged that the entire building may be thrown into the main auditorium at a moment's notice. It will be of the newest type of Sunday school architecture. A cut of this proposed excellent building will appear in The Sentinel Saturday with detailed story.

DR. MOTT GENERAL SECRETARY OF Y. M. C. A.

An announcement that will be of interest to the entire religious world is the fact that Dr. John R. Mott has accepted the general secretaryship of the International Committee of the Young Men's Christian Association, notice of which has been received at Young Men's Christian Association in this city.
 Dr. Mott, who was characterized by President Wilson as being one of the world's most influential men, has for years been connected with the Y. M. C. A. but has given his time and attention to the foreign work of that organization as well as to the various church organizations with which he is associated. He was called to this position about four years ago, but declined it because of the duty he felt he owed to other Christian organizations with which he was connected. However, the call was renewed a few months ago and he has just announced his acceptance, arrangements having been made whereby he will continue to hold his connection with the other religious organizations.
 Dr. Mott will have with him, as an associate, Mr. Fletcher S. Brockman, another great force in the religious world, and at this time general secretary for China of the Young Men's Christian Association.
 Dr. Mott was twice offered the ambassadorship to China, also the presidency of Princeton University, as well as other posts of importance, but he has always declined because he felt that the work in which he was engaged was greater than any other.
 In assuming this position, Dr. Mott succeeds Mr. Richard C. Morse, who was the first general secretary of the International Committee of the Young Men's Christian Association and who has seen 46 years of consecutive service. Mr. Morse is known and loved by association men all over the world and it is with pleasure they learn that he is to remain in the work as consulting general secretary.

SOUTH CAROLINA TO VOTE ON PROHIBITION ACT SEPT. 14.

Columbia, S. C., Aug. 25.—A court en banc, in which all the supreme court justices and circuit court judges of the state participated, decided unanimously that the state-wide prohibition election, called for September 14, shall be held. The legislature made provision for the election, but left the voters to decide whether it should be held. This act was attacked as unconstitutional.
 Of the forty-four counties in the state, thirty are "dry," and dispensaries are maintained in the others.
 Mr. and Mrs. R. E. McQuay, of Atlanta, are the guests of Mrs. McQuay's mother, Mrs. William Fowler, on White street.
