

# THE CHRONICLE.

## LOCAL DOTS.

—Look out for snow.  
—Get a move on you.  
—To-morrow is Thanksgiving.  
—Now is the time to get in the winter wood.  
—P. L. Hays advertises Wm. Pardue's land for sale under mortgage.  
—Col. James Horton, of Caldwell, was in the city last week.  
—Mr. Vyne and family are expected to arrive on the train to night, Tuesday.  
—The business houses will all be closed to-morrow, Thanksgiving Day.  
—Capt. Quincy F. Neal, of Jefferson, was in the city last week.  
—The Collector's office of this district has been removed from Statesville to Asheville.  
—The R. R. is showing a big difference in the produce trade from what it used to be.  
—Col. Dula is on a trip to Statesville, Moresville and other places in that section.  
—Hon. W. H. Bowers, of Caldwell, was in the city last week. Glad to see Hort.  
—Don't forget that the stores will be closed Thanksgiving day.  
—W. Barber will be giving services in the Episcopal church to-morrow.  
—Erwin and family will be in the city a few days with relatives in Iredell.  
—Carrin returned from a successful trip with the Post-office Inspector, Mr. Wayland, was in the city last week, and went from here to Jefferson.  
—We were glad to see Mrs. D. Smith able to be in town last Friday. She has certainly had a long spell of sickness.  
—Mr. Gus Wilcox and family, of Ashe, left here on the Saturday morning train for a visit to relatives in Raleigh.  
—Miss Jennie Vyne, who is attending College at Statesville, will spend Thanksgiving in Wilkesboro with her parents.  
—Rev. Mr. Gentry, of Jefferson, filled the Methodist pulpit on last Sunday morning, and preached an excellent sermon.  
—We have it on very reliable information that the "State of Wilkes" has gone Republican. Bad news.  
—The new R. R. don't make any difference Charley Tomlin has been round selling goods to our people just the same.  
—Just read the awful epitaph of that fellow who said that Ferguson and Hubbard sold their goods too high, and take timely warning.  
—Wilkesboro is certainly getting a good portion of the Ashe produce trade. It is no uncommon thing to see six or eight Ashe wagons on the streets at once.  
—Last Thursday was the editor's first trip any distance, down in the Hunting Creek country. There is no question about it being one of the prettiest sections in Wilkes county.  
—Viola Prevette happened with a painful accident one morning last week. In crossing the street just before a wagon, she was knocked down among the horses, and before she could be stopped it nearly clear over her head.

warning to both drivers and children.  
—Work upon the Gap Creek gold mine is being vigorously pushed. Capt. Ames is now working three sets of hands and runs day and night.  
—Wilkesboro is besting herself in the chicken trade. It is surprising to see the amount of fowls that are changing hands here and at good prices too. There is at least 2500 sold here every week, and perhaps more.  
—Mr. James Cale, of new Castle township, raised a turnip this year which weighs 10 pounds and measures 2 feet in circumference. That is a pretty good one. Now if we could just run upon a sweet potato to down the Winston Sentinel's pet, we would feel satisfied.  
—A report is current through this section that there has been a considerable fire in Statesville and that Wallace Bros. were burned out. This is entirely false in every respect. Instead of being burned out Wallace Bros. now have the best lot of goods ever offered to our people.  
—Rev. Otis L. Jordan, of the Reddies River Mission, left Monday for the Western N. C. Conference, which commences to-day. He went by Greensboro to spend a short time with friends there. He will go from conference to enter the Institution at Swainsboro, Ga. and will remain there for the ensuing year. We are sorry to lose Mr. Jordan.  
—Fox hunting seems to be the rage down on Hunting Creek. Whenever you meet Reason Bell, Wilson Howard, Clint Jarvis, or Mich Vannoy, you may expect to be greeted with some such expression as "Have you got a good fox dog? or do you know who has a good fox dog?" or something of that kind, and that's about all you can get out of them.  
—There were six persons baptized by immersion at the depot ford of the Yadkin River last Sunday. The persons were Viola Prevette, Mattie Jones, Mattie McNeil, Jesse McNeil, James Jones and Charley Jones. The Rev. R. L. Patton administered the ceremony. There was a large congregation present.  
—Wilkesboro has certainly been handling a fine chance of apples, considering the short crop this year. No less than 15 00 bushels have been handled here in the last eight or ten days, and it has been this way for some time. There has not been less than 12,000 bushels handled right here this season so far. That is a considerable item, with such a short crop.  
—The Missionary Society held a meeting at the Methodist church last Sunday night. It was quite a success. The Programme was interesting and well arranged. Prof. Abernethy made an interesting address, and the children sang some beautiful songs. One of the prettiest things we ever heard was a duet, "All for Jesus", sang so sweetly by Herbert and Alice Smoak.  
—Just below Mrs. Howard Somers's, on Hunting Creek, by the side of the road, is certainly a perfect curiosity. A large oak at the foot of the hill and a huge stump, and 25 or 30 tons of lumber, and some machinery, and an alliance, and each other nearly clear over the whole end.

gladly covered and enveloped the end of the rock "as a hen doth her brood." It is certainly a curiosity.  
—Esq. Staley performed the all important ceremony, on the 19th inst., for Wm. Derr and Cora Hays, both Colored. It took place at old aunt Fannie Brown's, in this township. They say they had a dandy dinner fixed up.  
—Col. Calvin J. Cowles has had the surveying of his lot completed. It makes an addition to the town of about 200 lots, varying in size from three quarters to two acres per lot. These lots we understand, will be put upon the market for sale. There is no more desirable part of Wilkesboro than this property—"Cowles's Addition to Wilkesboro." We hope to see it improved right away.  
**We Weep Because We Love Him.**  
"Bro. Deal" sorrowfully joins with Bro. Haydn in his weeping over the symptoms of mental aberration exhibited by Capt. Ashe, of the News and Observer. The Captain has become a victim of the mania to be a punster. Read these lines from his pen, and weep with us:  
"In about ten days, the Solons will reconvene at Washington, and many will be sore-ions for trne."  
All those heating and itching humors of the scalp, so troublesome to many persons, are effectually cured by the use of Ayer's Hair Vigor. If not attended to in time, these diseases are very liable to result in the loss of the hair.  
**Married his own Wife.**  
On last Sunday, in Mulberry township, by the rev. G. W. Adams, J. Gordon Ellege was married to Mira J. Ellege. The peculiar part of business is the fact that these same parties were married several years ago, and Sunday was the second time they have gone through the ceremony. Some time after the first marriage they concluded they could not live together, and Mrs. Ellege began a suit in the Superior court for a divorce. Gordon Ellege left the country. The divorce was granted some thing over a year ago. Ellege returned some time ago and he and his divorced wife decided to try married life again, so they were married for the second time last Sunday. We do not now recall a similar case.

Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It soothes the child, softens the gums, allays all pain, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.  
**NOTICE.**  
H. M. and M. Joines, plaintiffs, against Felix Edwards, defendant.  
Action for debt.  
The defendant Felix Edwards is hereby notified to appear at the next term of Wilkes Superior Court, to be held at the Court House in Wilkesboro N. C. on the 1st Monday in March 1891 and answer or demur to the complaint of the plaintiffs in this action. Nov. 11th, 1890.

John S. Cranor, Atty for Plts.  
**The Use Of**  
Harsh, drastic purgatives to relieve costiveness is a dangerous practice, and liable to lessen the efficacy on the patient than to cure it. What is needed is a medicine that, in effectually opening the bowels, corrects the costive habit and establishes a natural daily action. Such an aperient is found in  
**Ayer's Pills,**  
which, while thorough in action, strengthen as well as stimulate the bowels and excretory organs.  
"For eight years I was afflicted with constipation, which at last became so bad that the doctors could do no more for me. Then I began to take Ayer's Pills, and soon the bowels became regular and natural in their movements. I am now in excellent health."  
—Wm. H. DeLancey, Dorset, Ont.  
"When I feel the need of a cathartic, I take Ayer's Pills, and find them to be more effective than any other pill I ever took."—Mrs. B. C. Grubb, Burwellville, Va.  
"For years I have been subject to constipation and nervous headaches, caused by derangement of the liver. After taking various remedies, I have become convinced that Ayer's Pills are the best. They have never failed to relieve my bilious attacks in a short time; and I am sure my system retains its tone longer after the use of these Pills, than has been the case with any other medicine I have tried."—H. S. Sledge, Weimar, Texas.
