—We received a letter from the Democratic chairman, Mr. E. L. Shuford, of Catawba, of this the 29th senatorial district stating the convention will be held in Taylorsville on June the 15th for the purpose of nominating senatorial candidates.

—Mr. Wall, the representative of the circulating Library, of Chicago, is here interviewing our citizens relative to placing one in our town. He has placed one in Elkin and one in North Wilkesboro and has the endorsements of many of the best citizens of those towns, stating "the Libraries are first class literature, up to date and even more than represented."

—Col. A. M. Waddell of Wilmington, N. C. will speak at Roaring River Thursday June 14th. Those who hear him will enjoy a rare intellectual treat. Col. Waddell is easily one of the most brilliant men and one of the finest speakers in the South. He is from the recent storm center of negro domination and was at the head of movement which put an end to the disgraceful condition of affairs in our state's metropolis, under fusion negro rule. Let everybody go hear him.

—We should think it scarcely necessary to call the attention of our citizens to the necessity of giving their premises a thorough cleansing and disinfecting; yet the summer is upon us and, notwithstanding the the experience and object lessons of the past, very little of this has been done. There is no earthly reason why we should have fever in this town, if the proper, preventive precautions were observed. Let everybody in town clean out their wells, clean away all trash and filth from their premises, use liberal quantities of lime and carbolic acid and fumigate with sulphur any rooms where there was fever of any kind last summer. The town authorities should have a health officer to compel immediate attention to these sanitary precautions.

John Richardson Killed.

A terribly fatal accident happened to John Richardson last Friday evening near Dockery where he lived. He was out in the woods chopping a tree down when it lodged, and in trying to fell it he was crushed by it falling length-ways upon him, crushing his jaw, shoulder and heart. The teamster who had gone to the saw mill with a load returned, not finding Mr. Richardson, he loaded his wagon and started off, but forgetting something, he went back and found the unfortunate man lying dead under the tree as above stated. The burial took place Sunday.

Mr. Richardson was about 35 years old and leaves a wife and three small children in a poor and sad condition.

Stanton Items.

If the CHRONICLE will excuse me for failing to report items last, I will try to do better from now on.

The good showers of rain have come at last, and it is delightful to see how all vegetables are growing. Irish potatoes are growing so fast—mama cooked a mess of new ones for dinner Sunday. I am amused to see some folks carrying "polk stocks", and sell them to make spring pickles, of wonder how a wagon load would take in the city of Wilkesboro, don't guess they would sell fast.

Death goes to all sections of the county, it took one of Marshal Devis' little boys last Monday morning, at four o'clock, cholery infantum was the trouble.

Mrs. A. A. Whittington, who has been very sick, is improving.

Mr. Zolly Church and Miss Rebecca Eller were happily married a few days ago.

The peach crop of this section is a fine one, so the merchants will sell fruit cans this time.

STANTON BOX.

A Life and Death Fight.

Mr. W. A. Hines of Manchester, Ia., writing of his almost miraculous escape from death, says: "Exposure after measles induced serious lung trouble, which ended in Consumption. I had frequent hemorrhages and coughed night and day. All my doctors said I must soon die. Then I began to use Dr. King's New Discovery which wholly cured me. Hundreds have used it on my advice and all say it never fails to cure Throat, Chest and Lung troubles." Regular size 50c and \$1.00. Trial bottles free at all Drug Stores.

Glorious News.

Comes from Dr. D. B. Cargile, of Washita, I. T. He writes: "Electric Bitters has cured Mrs. Brewer of scrofula, which had caused her great suffering for years. Terrible sores would break out on her head and face, and the best doctors could give no help; but now her health is excellent." Electric Bitters is the best blood purifier known. It's the supreme remedy for eczema, tetter, salt rheum, ulcers, boils and running sores. It stimulates liver, kidneys and bowels, expels poisons, helps digestion, builds up the strength. Only 50 cts. Sold by all Druggists. Guaranteed.

A Wealth of Beauty.

—Bring your produce to Smithey.

DOES IT PAY TO BUY CHEAP?

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boschee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world. For sale by Turner & Berry or Dr. J. W. White.

A. M. VANNOY, Assignee.

Last fall I sprained my left hip while handling some heavy boxes. The doctor I called on said at first it was a slight strain and would soon be well, but it grew worse and the doctor then said I had rheumatism. I continued to grow worse and I could hardly get around to work. I went to a drug store and the druggist recommended me to try Chamberlain's Pain Balm. I tried it and one-half of a 5-cent bottle cured me entirely. I now recommend it to all my friends.—F. A. Barcock, Erie, Pa. It is for sale by Dr. J. W. White.
