SMALLPOX IN WILKES.

Seven Cases near Dellaplaine; All of Them Negroes.

The County Physician, Dr. Turner, on last Friday, discovered seven cases of genuine smallpox in Antioch township, near Dellaplaine. They are all negroes—four of Lee Hunt's family and three of Harrison Park's family. Some of the cases are severe.

The disease was brought here in the usual way, by trifling negroes escaping from quarantine elsewhere. Hunt's son and Parks' son broke out from quarantine at Winston and brought the disease home to their families. Such fellows need to be severely punished.

The county commissioners on Monday passed an order quarantining a portion of Antioch township. No one inside can come out and none outside can go within, under penalty of \$25 fine or 30 days in jail. The following is the boundary:

Beginning at the mouth of Fishing Creek running up said creek to the fork; thence up the east prong to John Glass' mill, to the old Curry Road; thence east with said road to where it intersects with New Castle road; thence by way of Adline Johnson's, Frank Brown's, Benj. Mathis', L. J. Salmon's; thence north to the Yadkin River; thence up the river to the beginning.

This is worst time of year for this disease to break out, and we are liable to be troubled with it all winter. Let everybody assist in stamping it out at once.

The Board of Elections.

Board of election met Oct. 1st, 1900. The following were appointed Judges of November election in place of others who failed to qualify:

Antioch, Butler Robinson; vice, L. J. Salmon; Boomer Wm. Triplett vice Jas. Wellborn; Brushy Mt., Elias Kennedy vice H. C. Walker; Moravian Falls, W. A. Brown vice Jho. McNeill; Mulberry, G. V. Brown vice W. A. Wiles; Lewis Fork, Wm. McNeill vice A. G. Adkins, North Wilkesboro, J. A. Johnson vice J. F. Blackburn; Reddies River, J. A. McLean and L. L. Minton; Rock Creek, D. F. Sebastian vice R. F. Stone; Walnut Grove, F. G. Holbrook vice F. Brewer; Wilkesboro, C. A. Bouchelle vice Jno. Davidson.

During the winter of 1897 Mr. James Reed, one of the leading citizens and merchants of Clay, Clay Co., W. Va., struck his leg against a cake of ice in such a manner as to bruise it severely. It became very much swollen and pained him so badly that he could not walk without the aid of crutches. He was treated by physicians, also used several kinds of liniment and two and a half gallons of whisky in bathing it, but nothing gave any relief until he began using Chamberlain's Pain Balm. This brought almost a complete cure in a week's time and he believes that had he not used this remedy his leg would have had to be amputated. Pain Balm is unequalled for sprains, bruises and rheumatism. For sale by Dr. J. W. White.

Robbed The Grave.

A startling incident, is narrated by John Oliver of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters; to my great joy, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50c., guaranteed a all drug stores.
