It had been troubling her for 17 years and for the last four weeks had been lodged in the urethra. LOCAL MATTERS.

—Col. W. H. H. Cowles' large white horse died Monday of colic.

—J. W. McNeill has been re-elected county attorney for the ensuing year.

—The county commissioners have been kept busy passing upon the bonds of the county officers, constables, etc.

—Lawyer R. H. McNeill, of Jefferson, spent Sunday in town on his return home from business trip to Raleigh.

—Rev. W. H. Eller, of Greensboro, conducted a protracted meeting at New Hope last week. 26 persons joined the church there Sunday. Mr. Eller has returned to Greensboro.

—A very interesting explanation as follows:

"Rev. Sam Jones says he was cured of his recent serious illness by osteopathy, without drugs or any other medication. Wherefore, he hopes that when another bill is introduced before our legislature and passed, as happened at the previous session, Governor Candler will not veto it and deprive practitioners of this new healing art of a proper license. Osteopathy is, essentially, the manipulation of the human skeleton and its incidental environment. The contention is that many diseases originate from dislocation of the body structure, and this derangement being skillfully removed, the malady caused by it disappears. The discovery of osteopathy was by a regular allopathic physician who was pronounced to be suffering from chronic heart disease and incurable. One day while in his parlor he felt a twinge around his heart and thought if he could only roll some solid substance under his left shoulder blade it would relieve him. Glancing at the floor he saw a tennis racket, and, prostrating himself, he rolled it under his shoulder blade. It was the World's Champion as he called it." "I tried many remedies to cure piles," writes W. R. Smith, of Latham, Ill., "but found no relief till I used Bucklen's Arnica Salve. I have not been troubled with piles since." It's the only champion pile cure on earth and the best salve in the world. 25c per box, guaranteed by Dr. White druggist.

A Keen Clear Brain.
Your best feelings, your social position or business success depend largely on the perfect action of your Stomach and Liver. Dr. King's New Life pills give increased strength, a keen, clear brain, high ambition. A 25 cent box will make you feel like a new being. Sold by Dr. White Druggist.

Mr. R. Gray who lives near Amenia, Dutchess county, N. Y., says: "Chamberlain's Cough Remedy is the best medicine I have ever used. It is a fine children's remedy for croup and never fails to cure." When given as the child becomes hoarse, or even after the croupy cough has developed, it will prevent the attack. This should be born in mind and a bottle of the Cough Remedy kept at hand ready for instant use as soon as these symptoms appear. For sale by Dr. White.

Not one can reasonably hope for good health unless his bowels move once each day. When this is not attended to, disorders of the stomach arise, biliousness, headache, dyspepsia and piles soon follow. If you wish to avoid these ailments, keep your bowels regular by taking Chamberlain's Stomach and Liver Tablets when required. They are so easy to take and mild and gentle in effect. For sale by Dr. White.
