THE CHRONICLE.

LOCAL MATTERS.

Caught Here and There.

—Mrs. T. S. Miller is quite sick.

—John Parlier has gone to Salisbury on business.

—Miss Kate Minton, of Paterson, is visiting her people here.

—Presiding Elder Renn will preach to night at the Methodist church.

—The pension board last week had six applicants for examination.

—Mr. T. P. Bumgarner visited his parents in Alexander county Sunday.

—We congratulate Br. Roberts upon the improvement of The Hustler.

—The wife of Press Daniels, the horse swopper of Alexander, died Sunday.

—John Dula returned home from Oak Ridge school Monday, for a few days.

—Mr. J. E. Spainhour went north Monday to purchase the spring and summer goods.

—The Board of Education meets in regular session the second Monday in April.

—Glad our friend R. F. Wyatt, of Millers Creek, has so much improved as to be able to be up again.

—One of the most pleasant functions of the season was enjoyed at the hotel Thursday night by a large crowd.

—Mrs. Morrison, who has been with her son C. F. Morrison here for some time, returned to Jonesville last week.

—Sam Vannoy's wife (col.) who was thought to be dying last week, is still alive and the chances seem to favor her recovery.

—Mrs. Amanda Hall died on last Saturday at the age of 71 years. She had been sick for some time. Her husband Frank Hall is very sick.

—Prof. F. E. Brown's school at Sulphur Springs Institute will close Saturday 22nd inst. There will be exercises during the day and at night.

—J. T. Hubbard keeps castor oil and turpentine in bulk and can furnish in any quantity wanted. He also has a complete assortment of simple family medicines.

—A friend of Straw informs us that Mrs. Mary Hendren has grabbed Irish potatoes last week from her patch; also the guineas are beginning to lay, and this means spring is here.

—Walter Gwyn, Esq., cashier of the Bank of No. Wilkesboro, has been relieved from duty for a days so that he may properly look after the twins—a boy and a girl—that arrived last week.

—The cattle quarantine line has been moved from the Yadin River to the top of the Brushy Mountain running with the Alexander line. Ox wagons can cross the river without molestation now.

—At the residence of Esq. William Lenderman last Wednesday, his daughter Miss Maud and Mr. Raynor Bullis were married, the Rev. J. J. Beech performing the ceremony. They left for Hickory Thursday where they will make their home. The best wishes of THE CHRONICLE and their hosts of friends here go with them.

—Mr. Carlton tells us that Rev. T. C. Hodgins has withdrawn his appointment at Little Rock church the 21st of March on account of ill health.

—W. S. Surratt and wife, of Moravian Falls, were in town last week. He has not fully recovered from his long spell of typhoid fever. We were glad to see him able to be out.

—Forester & Lenderman butchered a beef this week which weighed gross 1570. It was raised by L. E. Davis at Goshen and was perhaps the largest ever butchered on this market.

—E. O. Mastin roasts J. W. McNeill in the last Republican and calls Jimmie a few pet names that are hard to head. In the article, there's something about "rot" just a little all the way through. It looks like there's more talk ahead.

—Esq. Lee Horton, of Elkville, died last Sunday, after an illness of some time. We have not learned the particulars of his life and death. He was near 85 years old and was among our best and substantial citizens. How fast the old landmarks are passing away!

—It is not our fuss, but it looks like that while the immaculate republican leaders are washing through the Winston sewerage, such able and efficient men as Capt. Peden could step up and take charge of the party helm. But in mean time, in Shakespeare's words, "Lay on, McDuff, and—d—d be he who first cries, hold, enough."

—Esq. John Wood died in Rock Creek township last week at the ripe old age of 82 years. He had been in declining health for three months, and gradually the lamp of life grew dim and went out forever. He was one of the splendid old landmarks of the county, who are fast crossing over the river.

—While the county commissioners are looking after the improvement of the court house and other county properties, it might be a good idea to investigate concerning certain lots in town formerly used for hitching purposes. We have been informed that originally there were two lots given the county to be used only for public purposes, hitching, camping, etc. Several years ago the county commissioners sold these for a small sum, but if we understand the matter right the commissioners had no authority whatever to sell this property, as every citizen in the county had an equitable and equal right therein. It would be well to investigate it.

Ross Stuart Murdered.

Saturday, March 1st, at Karthans, Pa. my brother, Ross Stewart, was shot by an Italian and died in about 30 minutes. The particulars are not known.

He lived with me over 3 years, went to school here, and was a kind and sympathizing brother. He left here about two years ago and went to Greensboro and later to High Point. He visited me when my husband died—Apr. 23 1901—and then went to Pa. where he was killed. It is reported about here that Ross was shot at a card table. There is no foundation for such report as only two messages have been received from the scene of the tragedy—one to myself and the other to my sister. Neither message gives any particulars as to the cause of the murder. As soon as the particulars are learned I will make known the cause of the murder, and those who circulate the falsehoods now shall know the cause of brother's murder let it be card-playing or something else.

An order was made to place steel cells in the jail and the clerk of the board was ordered to correspond with different companies for prices.

The order made last meeting directing the sheriff to give license to Riverside Liquor Co. was rescinded, but this does not interfere with the company obtaining license from the sheriff in the regular way as the law provides.

Teachers' Institute.

Quite a number of teachers were present at the Teacher's Institute Saturday. The question of compulsory education was interestingly debated and the decision was rendered in favor of compulsory education. Resolutions favoring the re-districting the county was passed. Next week we will print the resolutions and the program for the next meeting.

The Best Time.

The best time to cure a cough or cold is when you are first affected. A pleasant and sure remedy for sore throat, weak lungs, bronchial soreness, coughing spells, etc., is Groen's Mexican Syrup for coughs and consumption. Be wise in time and keep a bottle in your chest, always handy for immediate use, remembering the old adage, "a stitch in time saves nine." It is a true lung tonic and sells for only 25c at White's drug store.

—D. W. Mayberry represents two of the best known tailoring companies. Style, fit and price guaranteed.

—New shoes just in at Mayberry's—ladies from 75c to \$1.25, childrens from 50c to \$1.50, mens from \$1.00 to \$3.00.

—Stoves, we have them.—I. S. Call & Co.

For The Complexion.

The complexion always suffers from biliousness or constipation. Unless the bowels are kept open the impurities from the body appear in the form of unsightly eruptions. DeWitt's Little Early Risers keep the liver and bowels in healthy condition and remove the cause of such troubles. C. E. Hooper, Albany, Ga., says: "I took DeWitt's Little Early Risers for biliousness. They were just what I needed. I am feeling better now than in years." Never gripe or distress. Safe thorough and gentle. The very best pills.

—Sawmill men, see me and buy your packing from me.—J. P. Rousseau.

—The "Times B" and the "Southern Times" are the cook stoves you need.—J. P. Rousseau.

—The Chatanooga plow is the plow that came to stay. See me.—J. P. Rousseau.

—Have you tried the "show down" tobacco? If not, try it.—Call & Co.

Many Wonder.

Many wonder how it is that pin worms and stomach worms get into little children, or how a tape worm, 300 feet long, can get in and exist and grow inside of a man, as it sometimes happens. They may well wonder, for it is a great mystery. However, many now know from experience that Mother's Worm Syrup will rid one of intestinal worms and greatly improve the health after the worms have been destroyed and expelled. It is absolutely a harmless remedy to take, and as it only costs 25c all should try it who suspect worms to be the cause of ill health. For sale at White's drug store.

TO CURE A COUGH IN ONE DAY
Take Laxative Bromo Quinine tablets. All Druggists refund the money if it fails to Cure. 25c.

A Printer Greatly Surprised.

"I never was so much surprised in my life as I was with the results of using Chamberlain's Pain Balm," says Henry T. Crook, pressman of Asheville N. C. Gazette: "I contracted a severe case of rheumatism early last winter by getting my feet wet. I tried several things for it without benefit. One day while looking over the Gazette, I noticed that Pain Balm was positively guaranteed to cure rheumatism, so I bought a bottle of it and before using two thirds of it my rheumatism had taken its flight and I have not had a rheumatic pain since." Sold by Dr. White.
