They Throw Dynamite Down a Mine Shaft and Kill Five Miners.

ROANOKE, Va., June 19,-The bodies of Henry Hairston and Pete Hairston, two miners, reached here today from Williamston, W. Va., where they were killed by an explosion of dynamite in a mine yesterday evening. Miners about 25 miners were at work in a mine near Williamston yesterday when strikers armed with rifles demanded. that they should come out. Upon the miners' refusal to obey their command the strikers threw a quantity of dynamite into the shaft, which exploded, killing five of the men.

As soon as the survivors came out of the shaft the strikers fired upon them, injuring several, but none was thought to be seriously hurt. A number have

Body Hurled From Coffin.

NEWPORT, TENN., June 20 .- To-day while bringing the body of the small son of Hunley LaRue from Parrottsville, where he had died while visiting suffered a painful and peculiar accident.

He had started down a long hill, with the coffin containing the body inside the hearse, when some part of the hearse suddenly broke and it toppled over, throwing the casket out and spilling the remains on the ground. The undertaker was caught under the wreck and dragged to the bottom of the hill by the horses that at once ran.

The funeral procession following was compelled to view the horrible sight dertaker Walker was seriously injured those that are below the high-water
